President's Message

Andrew Wall, Acting Chamber President

The Chamber has a full calendar of events for October and we hope you can attend one or all of them.

The Milton Farmers' Market celebrates another successful season with the final market on Saturday October 10, 2009! So get out there for the next two weeks and enjoy Ontario's bounty - you can also stock up for winter! A successful market does not happen by itself, it is through the efforts of staff, customers and vendors that we are able to provide the town with such a special Saturday morning attraction. On behalf of the Board of Directors, I offer a huge thank-you to the Chamber staff, all the vendors of the market and everyone who shops at the market - we think it's the best in Ontario!

Small Business Week is October 18-24, 2009 and we have scheduled a variety of activities that include:

A plant tour of the newly expanded ROXUL on Tuesday, October 20. Premier Dalton McGuinty opened the new facility in June and spoke

highly of ROXUL's investment in the future of Milton and the province! As an industry leader in insulation their new plant uses the newest "green" technologies available. Do not miss this opportunity, space is limited so register ASAP!

An executive bus tour of the Business Parks led by Andrew Siltala, Mgr. of Economic Development for the Town. An hour and a half tour of all the industrial, commercial, retail and residential areas within the Town of Milton, we did this tour last year to rave reviews and felt that we should offer it again this year. We have limited seating for this tour as well so book early and avoid disappointment.

A Taste of Social Media, "Link in to Build Your Business" with guest presenters Richard Bolton, Centricity 360 and Andrew Ballenthin, Sol Solutions both experts in how to connect and prosper through social networking. When I think about Facebook, Twitter, LinkedIn, MySpace and the unlimited sites out there my head spins! Perhaps what I want to know is the same thing that you want to know before plunging into the depths of social media come along and learn with me!

Our regular Business After Hours networking event is being held at the Halton Region Museum on Tuesday, October 27 between 5:00 PM and 7:00 PM. All members are welcome.

That wraps up a busy month and we look forward to seeing you at all the events. For tickets please RSVP to Milton Chamber of Commerce office at 905-878-0581.

Upcoming Events *Contact the Chamber at 905-878-0581 for further information about these functions.*
