

**CLARKE IN THE PARK:** About 150 residents of the Clarke community attended the recent 'Clarke in the Park' funfair, co-ordinated by local realtor and resident Wahid Amin. The event, held in the Clarke Neighbourhood Park near Bruce Trail Public School, included games, live entertainment and refreshments. At left, the event aimed to bring the community together and raise funds for the school's 'learning garden' project and United Way of Milton through the sale of pizza donated by Pizza Nova. Free gift with every  
 mammogram!

Mammograms can save lives by finding breast changes in the early stages. Women 50+ need regular mammograms every one to two years.

Call in October to book your mammogram at a participating location in Brant, Haldimand and Norfolk, Halton, Hamilton or Niagara and receive a free gift.

Call the Ontario Breast Screening Program at **1-800-668-9304** for a location near you. Be sure to mention the Be a Breast Friend Project when you call to reserve your free gift!
