

DISCOVER DOWNTOWN MILTON

The Heart of Our Community

As Miltonians we are fortunate to live in plain site of one of Canada's most beautiful natural landscapes - the Niagara Escarpment. While heading west on Main Street take a minute and appreciate the view; the colours are magnificent. Enjoy a warm afternoon on a patio in downtown Milton, and drink in all that fall has to offer! Take a stroll around the Mill Pond for a country experience - right here in the lively heart of your community.

Join us Downtown this Saturday (October 10th) for the final day of this year's Farmer's Market!

**Go Downtown! Shop, Dine and Explore!
