Our Dealing with MinMaxx has been a wonderful experience. We have had a past history with them from our first house in Milton that they sold for us within a week and helping us buy our next house that we moved into in Burlington. Last year we decided to move again went with a different agent in the Burlington area and they could not sell our house. We called MinMaxx and within a short period of time, the house was sold and again we purchased our new house using MinMaxx. What we like about Minmaxx that makes them different from there competitors is the amount of advertising that they do for you and the attention that you

receive from them there customer service is outstanding. To make our experience even better our son made my fiancee and I the winners from the free monthly listing draw for October. I recommend Minmaxx to all our friends when looking for a realtor.
