

HELPING OUT: Above, Metro store manager Nancy Bickell (left) makes a \$1,000 donation for fresh produce to (from left) Laura Sanchez, Rodrigo Narro and Vikki Schembri on behalf of the Bishop Reding Secondary School Health Improvement Program. At left, Holcim (Canada) Inc. recently presented a \$100,000 cheque to Halton Healthcare Services' three hospitals through their sponsorship program, with one of its specially-marked ready mix concrete trucks in the background. The trucks will be decorated with sponsors' logos for one year in exchange for their donations. From left are John Pontarollo (Dufferin Aggregates GM), Laurent Thibault (chair of Georgetown Hospital Foundation), Brian Penman (chair of Milton District Hospital Foundation), Mark Dawson (director of Oakville-Trafalgar Memorial Hospital Foundation), Halton MPP Ted Chudleigh and Bill Galloway (senior vice-president, Holcim Canada).
