Jolly Good Fit!

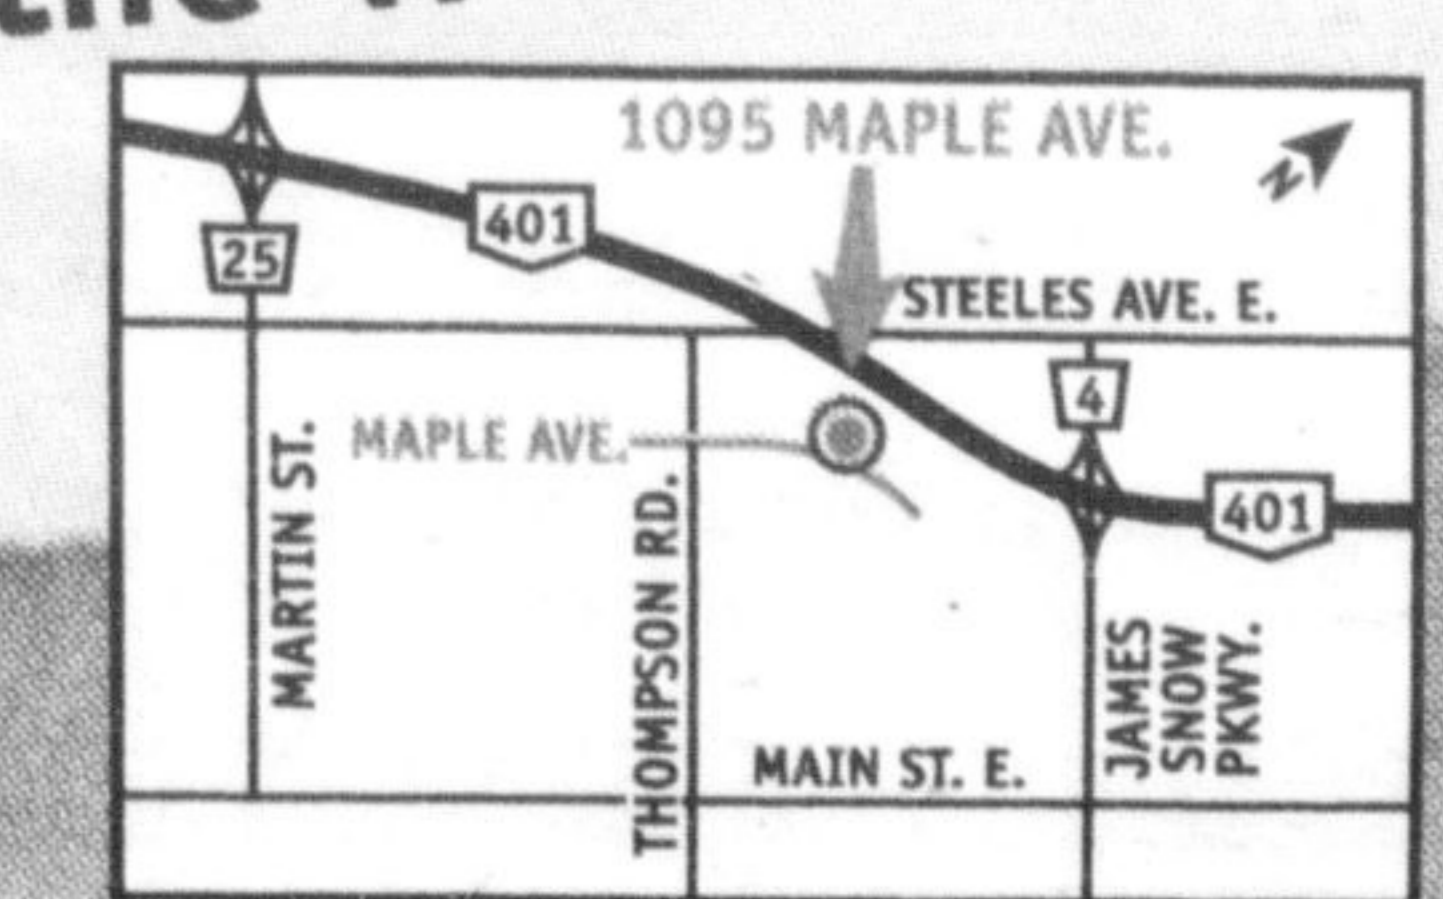

The other day, one of Canada's hardest working men showed up at our store. He said he was reviewing some Christmas wish lists, and the Dickies name kept popping up. He thought he'd drop in to try on a few items for himself. So we got him some warm and rugged quilted shirts that worked perfectly with his, uh, fashion style. We knew he was happy when he left as he rode off shouting "On Donder, on Blitzen ... on Dickies!"
