

OLYMPIC TORCH IS COMING TO MILTON!

On Saturday, December 19, 2009, the Town of Milton will proudly welcome the Olympic Torch. Residents will have a chance to experience the Olympic Flame in person as it passes through our town and makes its way towards the Vancouver 2010 Olympic Winter Games. Miltonians are encouraged to line the street along the route as torchbearers travel along Main Street and are invited to enjoy a free pancake breakfast that morning.

The Olympic Torch Relay begins the day bright and early at 6:57 am in Norval and will be making its way through downtown Georgetown and then to Acton (at Fourth Line) at approximately 7:57am. From there, it will be driven to the arrival point in Milton at 8:32 a.m., beginning at the intersec-

tion of Main and Bronte Streets and then making its way through downtown Milton to finish at the intersection of Main Street and James Snow Parkway at approximately 9:10 am. One-minute community stops will take place at Knox Presbyterian Church (170 Main Street East) to celebrate its historical significance and RONA (700 Main Street East) as a proud sponsor.

Main Street East will be closed between Bronte Street and James Snow Parkway on Saturday, December 19 from 8:15 a.m. - 9:30 a.m. Once the torch relay passes major intersections, the roadway will be opened to that point to release traffic. Parking will be prohibited from 8:00 a.m. - 9:30 a.m. on Main Street East, between Bronte Street and Martin Street.

PAINT THE TOWN RED

The Canadian Olympic Committee is encouraging Canadians to cheer on Olympic athletes by "painting the town red." This could involve dressing in red clothes, face painting, writing letters to athletes or just making noise to cheer on the Torchbearers. For ideas on how to get involved, visit the Canadian Olympic Committee website and download the paintbook of ideas - or use your imagination to come up with your own ideas to use the colour red in support of Canadian athletes.
