Is your teacher tops? Explain why

The *Champion* is looking for teachers who go above and beyond the call of duty.

Each month, your community newspaper features a Teacher of the Month chosen from among nomination letters.

Students and parents are invited to write in if they have a teacher who deserves recognition.

Simply explain why you think that teacher should be chosen, and be sure to

include your contact information.

The contest is open to all teachers from pre-school to Grade 12 in the public and Catholic school systems, as well as Milton's private schools.

In addition to a feature on the winning teacher in the *Champion*, his or her class will receive a pizza party.

Send nominations by e-mail to editorial@miltoncanadianchampion.com.
