# Plenty of offensive punch

• from MINOR on page A14

Winterhawks gave one of their best overall performances in recent weeks with the title on the line.

Walter amassed five goals and four assists at the Richard Bell Memorial, with Dodson matching that point total with three goals and six helpers. Five other players — Preisner, Miller, Webster, Gooding and Brett Everson — had at least five points at the tournament, in which Milton surrendered just four goals in five games following a 4-1 loss to Humber Valley.

They rallied from that defeat with 6-2 and 4-2 wins over West Ferris and Mississauga respectively before trouncing St. Catharines

11-0. Hard-working forward Michael Bergman scored a rare goal in the blowout, stripping an opposing defenceman of the puck before denting the twine on a break-away.

The Winterhawks exploded for six goals in the second period en route to recording their widest margin of victory in team history.

Bergman, Harris and Robert James all had a goal and two helpers in Oakville, while Jacob Quinn and Matthew Lenahan contributed three and two assists respectively. Also factoring into the tournament win with solid efforts were Drake Bailey and Drew Jones.

# Building sought for indoor BMX/skate park

A bid to build an indoor freestyle BMX/skateboard park in Milton has hit a snag.

Kim Hadfield — who's spearheading the drive with the support of hundreds of area youths — has secured some financial backing from sponsors and has designs for the facility drawn up.

Unfortunately, finding a site has proven difficult, as most locations are too expensive,

according to Hadfield.

The park would require a warehouse-type location of at least 20,000 square feet, and a minimum of 16 feet high.

"We need someone who has some compassion in what we are trying to accomplish," said Hadfield.

Anyone who knows of an affordable building in town for this endeavour is asked to e-mail miltonindoorpark@hotmail.com.
