IT DOESN'T COST US ANYMORE TO OFFER EXCELLENT SERVICE...
 WHY SHOULD YOU PAY MORE?

On July 1st, 2010 the PST and the GST will be harmonized and the tax on funerals will increase 8%.
 You can save the 8% tax by prepaying today!

You need not pay in full, starting a plan now will lock you in at today's tax rate and save you 8% on your funeral plan.

Call or visit us anytime. We would be glad to explain how the HST will affect your funeral and what your options are to avoid paying this additional tax. There is no cost or obligation. We are glad to answer your questions.
