Main Street Reconstruction / Realignment -

Bronte Street Westerly 0.8 Km Class Environmental Assessment Study

NOTICE OF PUBLIC INFORMATION CENTRE #2

The Town of Milton is carrying out a Class Environmental Assessment (Class EA) Study for the proposed reconstruction and realignment of Main Street from Bronte Street westerly approximately 0.8 km. The Class EA Study is being undertaken in accordance with Schedule 'C' of the Municipal Class Environmental Assessment process, which is approved under the Ontario Environmental Assessment Act. The study area is shown on the key plan.

Main Street between Bronte Street and Tremaine Road is an existing two-lane roadway with a grade separated crossing with the CN rail west of Bronte Street. Lands south of Main Street, west of the CN rail are part of the Town of Milton Sherwood Survey community, and are mainly designated for residential uses. The proposed realignment and reconstruction of Main Street are to support future growth in the community.

The first Public Information Centre (PIC #1) was held on December 3, 2009 to review the existing conditions, alternative solutions, and the design alternatives for the proposed reconstruction / realignment of Main Street. Following PIC #1, the Project Team reviewed the comments received at PIC #1, analyzed and evaluated the design alternatives, as well as the identification of the preliminary preferred alternative.

A second Public Information Centre has been arranged to review and obtain public comments with regard to the evaluation and identification of the technically preferred alternative. PIC #2 has been scheduled for:

Date:

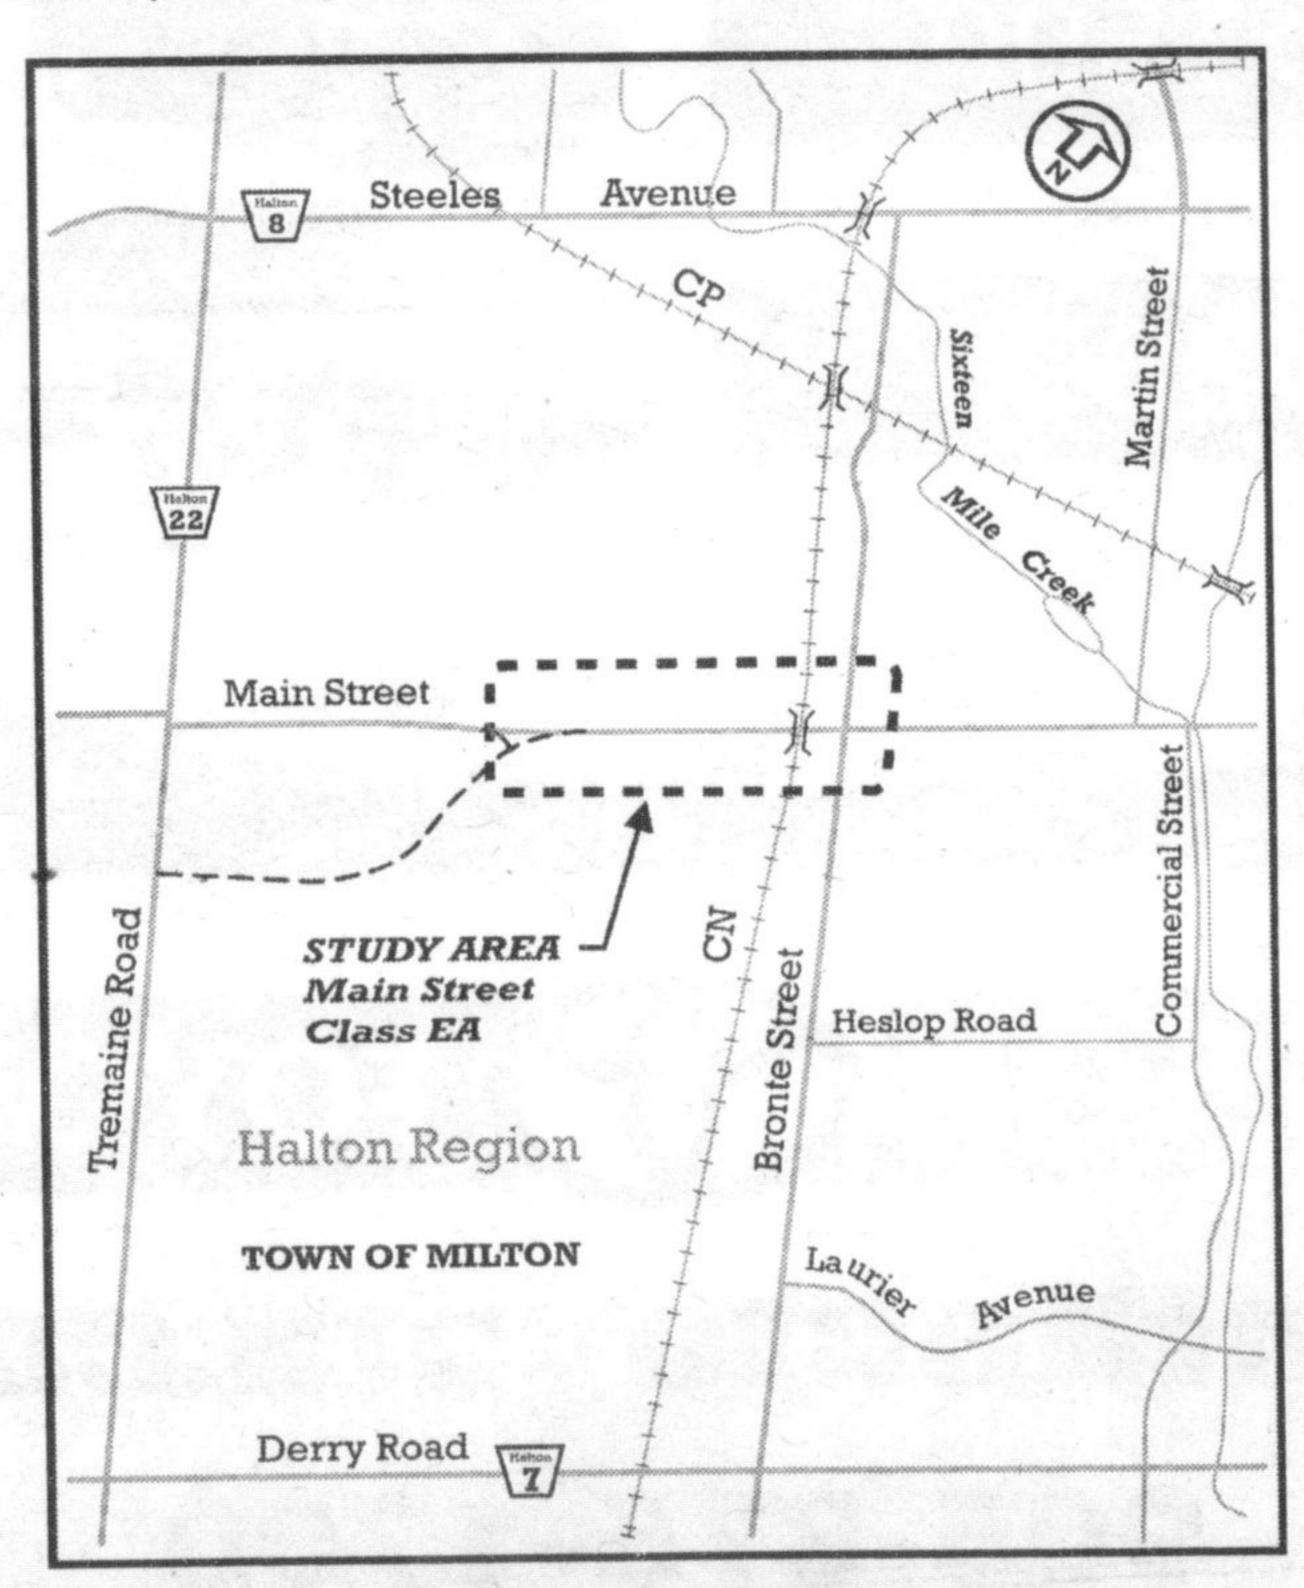

Thursday, May 27, 2010

Time: Location: 6:00 p.m. To 8:00 p.m. (Drop-in Centre)

Town of Milton, Milton Meeting Room

150 Mary Street, Milton

If you cannot attend and would like to provide comments, please forward them to the Town of Milton or the Consultant Project Manager at the addresses below.

GRAHAM PAINE / CANADIAN CHAMPION

TRAIL BLAZERS: Monday marked the official opening of the upgraded and extended E.C. Drury Trail in the Timberlea neighbourhood. The new section of the trail — located on the E.C. Drury complex lands, as well as Halton Region property at Ontario Street — provides direct access for local residents to destinations like the Milton Mall, Milton Seniors' Activity Centre and Sam Sherratt School. Here, Mayor Gord Krantz cuts the ribbon to open the trail while joined by (from left) Halton Regional Chair Gary Carr, Halton MP Lisa Raitt, Nature Trails Coalition Director Patrick Connor and councillors Wendy Schau and Jan Mowbray.

Move More, Milton!

Be active, more often

Take to the Trails

Tuesday, June 1, 2010 Walk 1: 7:00 - 7:30 pm* Walk 2: 7:30 - 8:00 pm*

Venture outside for a guided spring evening walk along a trail in a neighbourhood near you and connect with your community. Explore nature while you nurture your health on June 1 and all spring and summer long. Visit the website as of May 21 to find start locations for each walk and download all seven trail walks.

- Timberlea Neighbourhood
- Coates Neighbourhood
- 3 Dempsey Neighbourhood
- Wagging Tail Trail (Off-leash Dog Park)
- Beaty Tributary
- Brookville Hamlet
- Conservation Halton (*Kelso: 6 - 7:30 pm; Hilton Falls: 6:30 - 8:30 pm)

Move More, Milton! is a new community-wide program that encourages Milton residents and employees to be more active, more often and as a result — healthier!

You can easily include a variety of activities in your daily routine anytime and anywhere to benefit your health, maximize your mood, connect with your community and have some fun!

Move More Happenings
June 5: Participate in "Move
More Minutes" activities at the
Downtown Street Festival.
