Who Does It...

Our readers are **LOOKING for YOU**...advertising in this special section will reach an audience of enthusiastic customers potentially requiring your services.

This section has been established for years and is very popular. As Milton continues to grow, (as of November 2009 the population is determined to be 85,000+), your services will reach an ever larger population for a very economical cost.

If you have any questions please email, call or fax me and I would be more than happy to discuss your requirements.

Thanks,
 Clem
