Rain Barrel Sales Events

Halton Region will be hosting four rain barrel sales events to promote wise outdoor water use. Diverting water from a downspout into a rain barrel allows you to capture rain water and store it for future use to water gardens, shrubs and potted plants.

This year's rain barrels have a new look and price at only **\$36 each (cash only)**.

Ontario Street Affordable Housing Project

Recently, I was proud to gather with representatives from the Governments of Canada and Ontario, Halton Region, and the Town of Milton to announce funding for the development of a new affordable seniors housing project in Milton.

The 80-unit housing project received \$4.8 million under the Canada-Ontario Affordable Housing Program for 32 units for people living on low incomes and eight units for persons with disabilities. Halton Region is contributing \$10,160,000.

Council, together with Regional staff, Local Municipalities and the Ministers at the provincial and federal governments, have been working very hard to get this funding approved. It is so important that people at all stages of life can remain in their community.
