(Regional Road 7) to Realigned Main Street,  
Town of Milton**

**Contract Number:** R-2261B-10  
**Scheduled Start Date:** June, 2010  
**Scheduled Completion Date:** April, 2011  
**Project Manager:** Dave Collum ext. 7620

### Communicating Building a Better Halton

Building a Better Halton is Halton's infrastructure construction plan. This plan covers road, water and wastewater projects.

To help keep residents informed about Building a Better Halton we've created a new construction web page at [www.halton.ca/construction](http://www.halton.ca/construction), which provides updates on all of our infrastructure construction activities.

Financing the infrastructure construction needs of Halton is being addressed through our collection of Development Charges (DC's). This year alone, Development Charges will cover 82% of the costs for road construction.

The use of DC's to pay for infrastructure construction ensures that the developers pay for these costs, not taxpayers, which will keep Halton a great place to live, work, raise a family and retire.

Gary Carr  
Regional Chair
