NEWS AND INFORMATION FROM MILTON DISTRICT HOSPITAL

JULY 2010

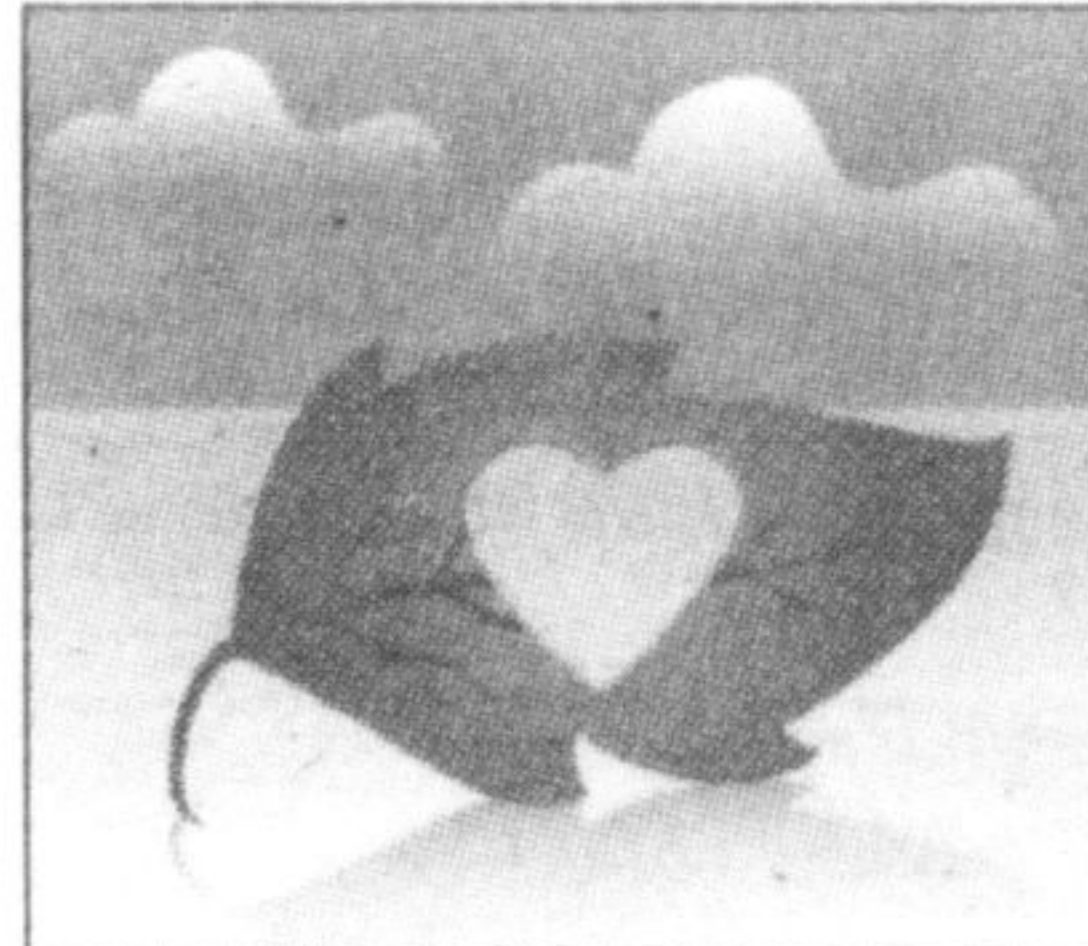

## Milton Town Council Supports MDH Expansion

On Monday, June 28, 2010, Milton Town Councillors unanimously voted in support of a motion regarding Municipal support for the local share plan for the proposed expansion of Milton District Hospital (MDH). Council directed Town staff to begin researching and identifying potential funding mechanisms to fulfill its contribution.

Halton Healthcare Services (HHS) is continuing to pursue approval of the expansion at MDH and the commitment from the Town of Milton of a municipal contribution clearly demonstrates the community's support of the redevelopment project at the hospital. The Ministry of Health and Long-Term Care is currently in the process of building their capital project list which is expected to be released in 2011. With the Town's commitment and the demonstrated need at the hospital we are optimistic that HHS will receive approval to proceed to the next stage of planning for this vitally important expansion project.

## Resources Saved by Milton District Hospital

Every year Halton Healthcare Services' (HHS) three community hospitals take part in a number of green initiatives - working together to conserve some of the Earth's most valuable resources. In 2009, HHS' Milton District Hospital (MDH) diverted 52-cubic yards of waste from the landfill. The hospital also saved 297 trees, 60,800 kilowatts of energy and 122,150 litres of water. MDH continues to do its part to help save the environment every day. If you visit MDH, please remember to recycle.

## ConnectCARE Volunteers Needed

Are you a people person? Are you looking for a volunteer opportunity with a flexible schedule? ConnectCARE is a personal emergency response service owned and operated by Halton Healthcare Services. We have an urgent need for volunteer installers. Installation visits take approximately one hour and we can work with your schedule. Volunteers must have transportation and flexibility to travel within Halton Region and the surrounding area. If you are looking for a rewarding experience, please contact ConnectCARE at 905-338-4357 for further information.

## 2010/2011 Halton Healthcare Services Board Of Directors

The Board of Directors of Halton Healthcare Services is comprised of 11 elected members from the communities of Oakville, Milton and Halton Hills. In addition, there are eight ex-officio members including the President of the Corporation, and appointments from the medical staff and the Towns of Milton, Oakville and Halton Hills.
