President's Message

Andrew Wall, Chamber President

As you read this the evenings are getting shorter and students are in the process of heading back to school. This is an exciting - and even a bit scary time especially for those who are heading to a new school. I wish everyone well in their academic pursuits.

Those who are heading off to college or university have a great deal on their minds because of the educational challenges and the expense involved. For many years the Chamber has made a special effort to provide financial help to some of our Milton students who are moving on to post-

secondary education. The Annual Scholarship Awards are based on academic achievement and community involvement; these scholarships are funded by the Scholarship Café that has become such an important part of our Saturday morning Farmers' Market, as well as the Chamber's Annual Sports Celebrity Dinner. Every time you purchase a bacon-on-a-bun at the Chamber's Scholarship Café you help us fund scholarships.

Finally I would like to thank our 2010 Market Manager, Brian Best and the Market Assistants Alexander Boyle, Alex Fiske, Johnny Scremin and to the many market volunteers for helping to make this year's market such a success. On market day they begin well before the sun rises to secure the street and to get the Café up and running. They don't stop until the afternoon after the Café equipment is cleaned and polished and ready for the week. I would also like to thank the Chamber Communications Clerks Shelby Hare and Chelsea Garrard, who worked very hard this summer updating the information of Milton businesses for our Business Directory and database.

Again, good luck to all our students and thanks to our market staff!
