

Drivers needed to transport cancer patients to treatment

Got a few hours a week to spare?
If so, the Canadian Cancer Society's local chapter wants to hear from you.
The agency is in need of volunteer drivers to take cancer patients to treatments and appointments on Thursdays and Fridays.

There's an especially high demand for people to drive to Toronto, while other destinations include Hamilton, Mississauga and Burlington.
If interested call Pascale at (905) 845-5231.

Proud To Be
A PAPER CARRIER

"It's a great first job... and I can save my money for college."

"It has taught me to be more independent and it's a good source of money..."

"It has taught us the value of earning our own money..."

"It's great having a paper route...I make money and win prizes!"

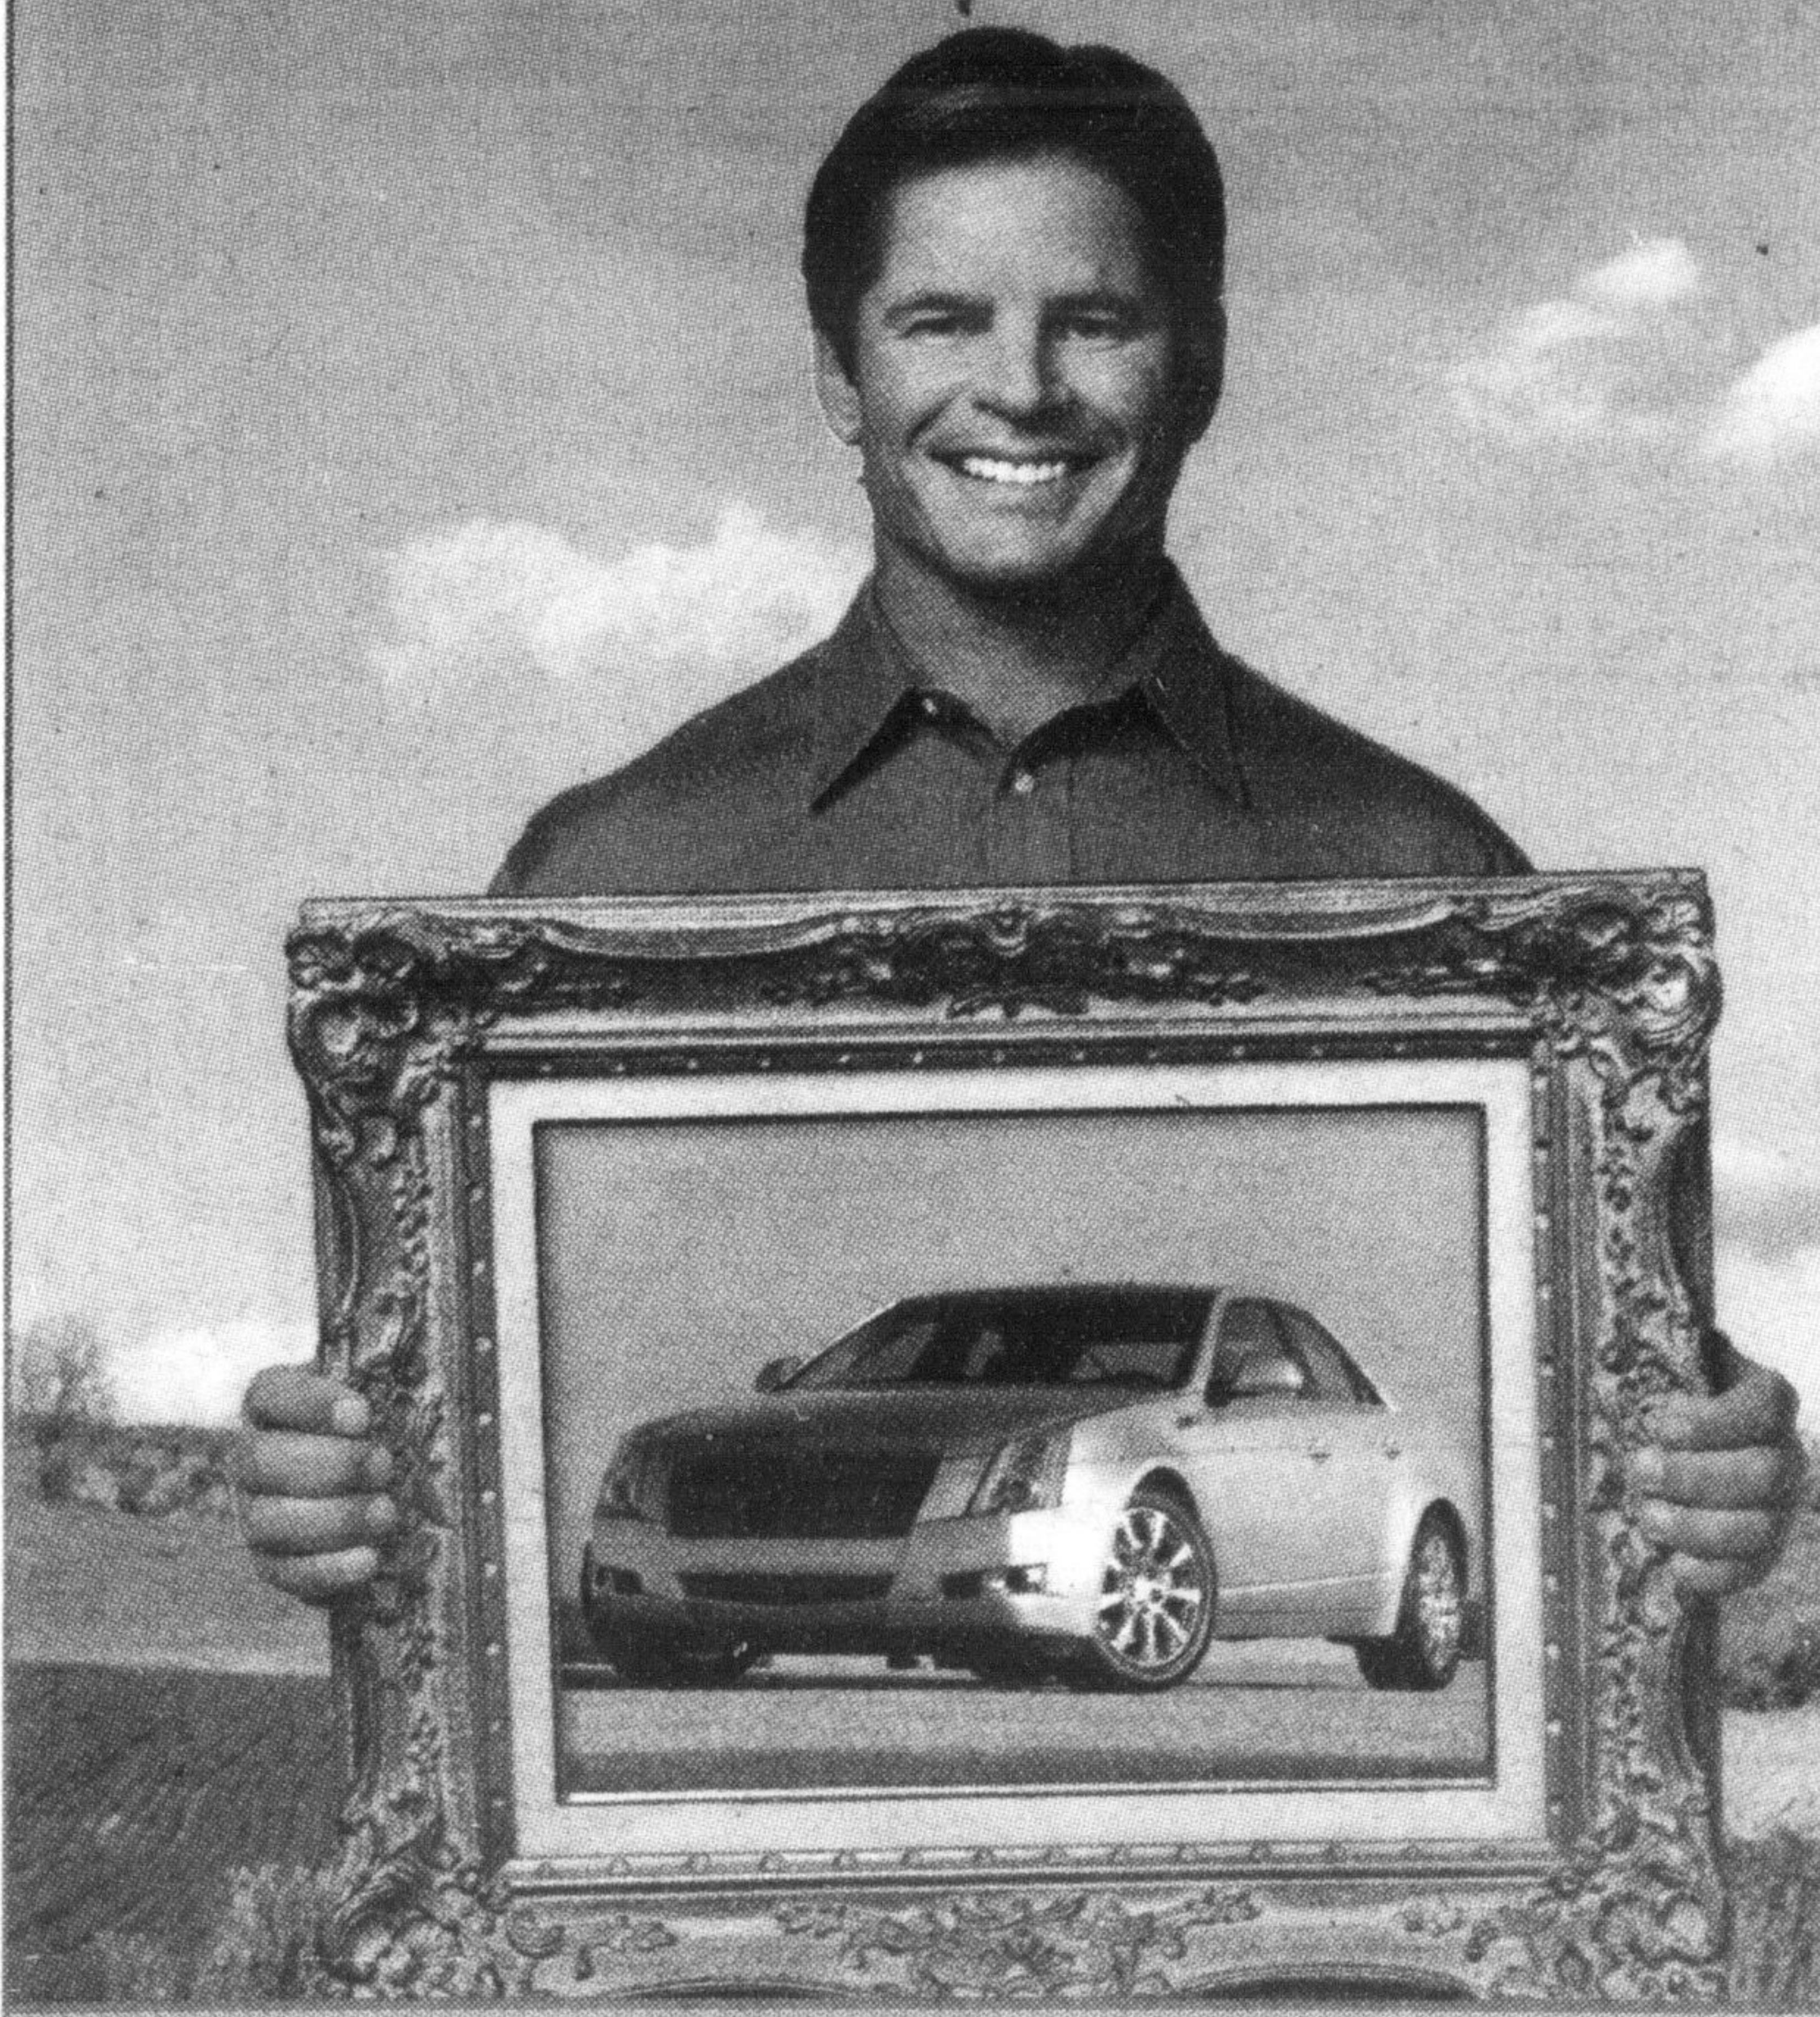

"I have met so many of my neighbours and have picked up other odd jobs in the neighbourhood..."

If you are interested in a paper route please contact our circulation department:

That's John's new toy.

Been dreaming of it for years.

Won't let his kids near it.

Let his wife drive it around the block. Once.

Keeps a set of clubs in the trunk at all times.

Looking forward to the new road ahead,

While never forgetting how hard he worked to get there.

Just a car? Not a chance.

That's why I'm placing John with Ned Insurance.

*I'm from Miltowne Insurance Services Inc.,
exclusive Ned Broker for Milton.*
