# WagJag.com

Are you looking for a fast-paced, creative and challenging work environment? If so, WagJag.com is looking for you!

## Outside Sales Representative (5 positions available)

WagJag.com and Metroland Media Group currently have an excellent opportunity for Five (5) Outside Sales Representatives to join our team within different territories of Metroland West (Halton, Hamilton, Waterloo, Guelph, and Niagara). The WagJag.com brand, a leading Canadian online daily deal destination, offers amazing deals at various retailers in Canada. We deliver great offers by assembling a group of "WagJaggers" with combined purchasing power.

The Outside Sales Representative will introduce and sell WagJag.com's daily deal marketing solution to local small and medium sized businesses in their defined territory, while achieving aggressive revenue targets. The Outside Sales Representative will also service and grow accounts by managing client relationships before, during, and after the featured offers are presented on our website.

### THE POSITION:

- Identify and cold call prospects to develop new business
- Negotiate and structure sales agreements
- Develop and build strong relationships with clients
- Respond promptly to sales enquiries, and provide thorough customer follow up
- Contact advertisers regarding campaign optimization, growth strategies, and opportunities

### ABOUT YOU:

- 1-5 years experience in sales/account management with a proven history of achieving and surpassing sales targets
- Experience in online or media sales preferred
- Strong negotiation, presentation, and telephone skills
- Experience in, and high comfort level with, cold calling to develop new business
- Solid organizational and time management skills
- Ability to work in a fast-paced, dead-line oriented environment
- Strong written and verbal communication skills
- University or College Degree a definite asset
- Valid Drivers License and a reliable automobile

If you are a highly self-motivated, energetic and results focused sales professional and want to build a career in the dynamic industry of online media, forward you resume to szawadzki@metroland.com by October 4th, 2010.

We thank all applicants, however, only those selected for an interview will be contacted!

## LIVE, WORK AND PLAY IN ONTARIO'S FAVOURITE RESORT STYLE COMMUNITIES!

Do you spend hours commuting to work each day and a good portion of your weekend stuck in traffic trying to get to the cottage to relax? Wouldn't it be great to feel like you're on vacation as soon as your work day is over?

Our employees are literally minutes away from vacation type activities such as skiing, hiking, fishing, boating, mountain biking as soon as they leave work! We have positions available in two of Ontario's most beautiful places to live and work: Collingwood and Owen Sound.

We are looking for dynamic and driven individuals to join our Engineering team.

### MECHANICAL DESIGNER (Collingwood, ON)

With 5 or more years experience, the successful candidate will enjoy challenging mechanical design and project leadership opportunities as part of our capital production and new product development initiatives. The successful incumbent leads by example and is capable of mentoring up-and-coming Engineers. Individuals with one or both of the following backgrounds are desired:

#### Structural Focus:

- Demonstrated knowledge of structural design and welding codes.
- Practical experience with analytical skill sets from free body diagrams up to and including complex FEA

#### Design Focus:

- Superior experience in SolidWorks and associated tools to convey early machine layout and functionality (e.g. dynamic simulations, lines of sight, ergonomic assessments)
- Creative use of proven mechanical systems to achieve efficient and practical options to solve our equipment design challenges

Interested Candidates please submit cover letter and resume to:

MecDesigner@macleanengineering.com

### ELECTRICAL DESIGNER (Collingwood, ON)

Ideally candidates will have 5+ years experience in electrical control panel / systems design. Experience with 3 phase Motor Control Panel Design, automotive circuit knowledge, SAStandards, 5 to 24 Vdc control circuits experience is an asset. Individuals must have a working knowledge of the Canadian Electrical Code and/or the National Electrical Code for motor control, circuit protection and wiring requirements. Individuals with previous design experience for diesel powered mobile equipment are strongly encouraged to apply.

Interested candidates please submit resume and cover letter to:

EleDesigner@macleanengineering.com

### JUNIOR HYDRAULIC DESIGNERS (Collingwood, ON and Owen Sound, ON)

We are looking for Junior Hydraulic Designers to expand our Engineering design team. We currently have positions available in both Collingwood and Owen Sound, ON. Successful candidates will have a sound working knowledge of AutoCAD. Previous CAD modeling experience is an asset. Candidates must have a basic understanding of hydraulic pumps, valves, actuators and hoses to help document designs.

Interested candidates please submit resume and cover letter to:

JrDesigner@macleanengineering.com

\*Please indicate your preferred location in the subject line.

MacLean Engineering & Marketing Co. Limited is a privately owned Canadian company that specializes in the design, manufacture and marketing of high quality products for the Under Ground Mining, Commercial and Municipal sectors. We provide our employees with a safe and friendly working environment, opportunity for advancement, benefits, and retirement savings.

We thank all candidates in advance however only those selected for an interview will be contacted.

For more information on these opportunities and our company, please visit our website: www.macleanengineering.com
