

# Church to hold pet blessing Sun.

The doors of St. George's Anglican Church will be thrown open to pets of all kinds — large or small, furry or feathered, hoofed or clawed — for a pet blessing service Sunday.

The service will be held at 4 p.m. at St. George's, 7051 Guelph Line, at Derry Road, and is an opportunity to honour the important role our pets play in our lives.

The pet blessing service is taking place on the eve of the celebration of the Feast of St. Francis of Assisi, a Catholic monk and the patron saint of animals.

St. Francis was born into a wealthy family and abandoned his life of privilege in order to become a monk; he recognized the value of every human being and all God's creatures.

# Animal sanctuary to host open house at St. Paul's Sun.

The Milton Animal Sanctuary is putting its best foot — and paw — forward in its ongoing efforts to open an animal shelter in Milton.

To that end, the group will hold an open house this Sunday at St. Paul's United Church.

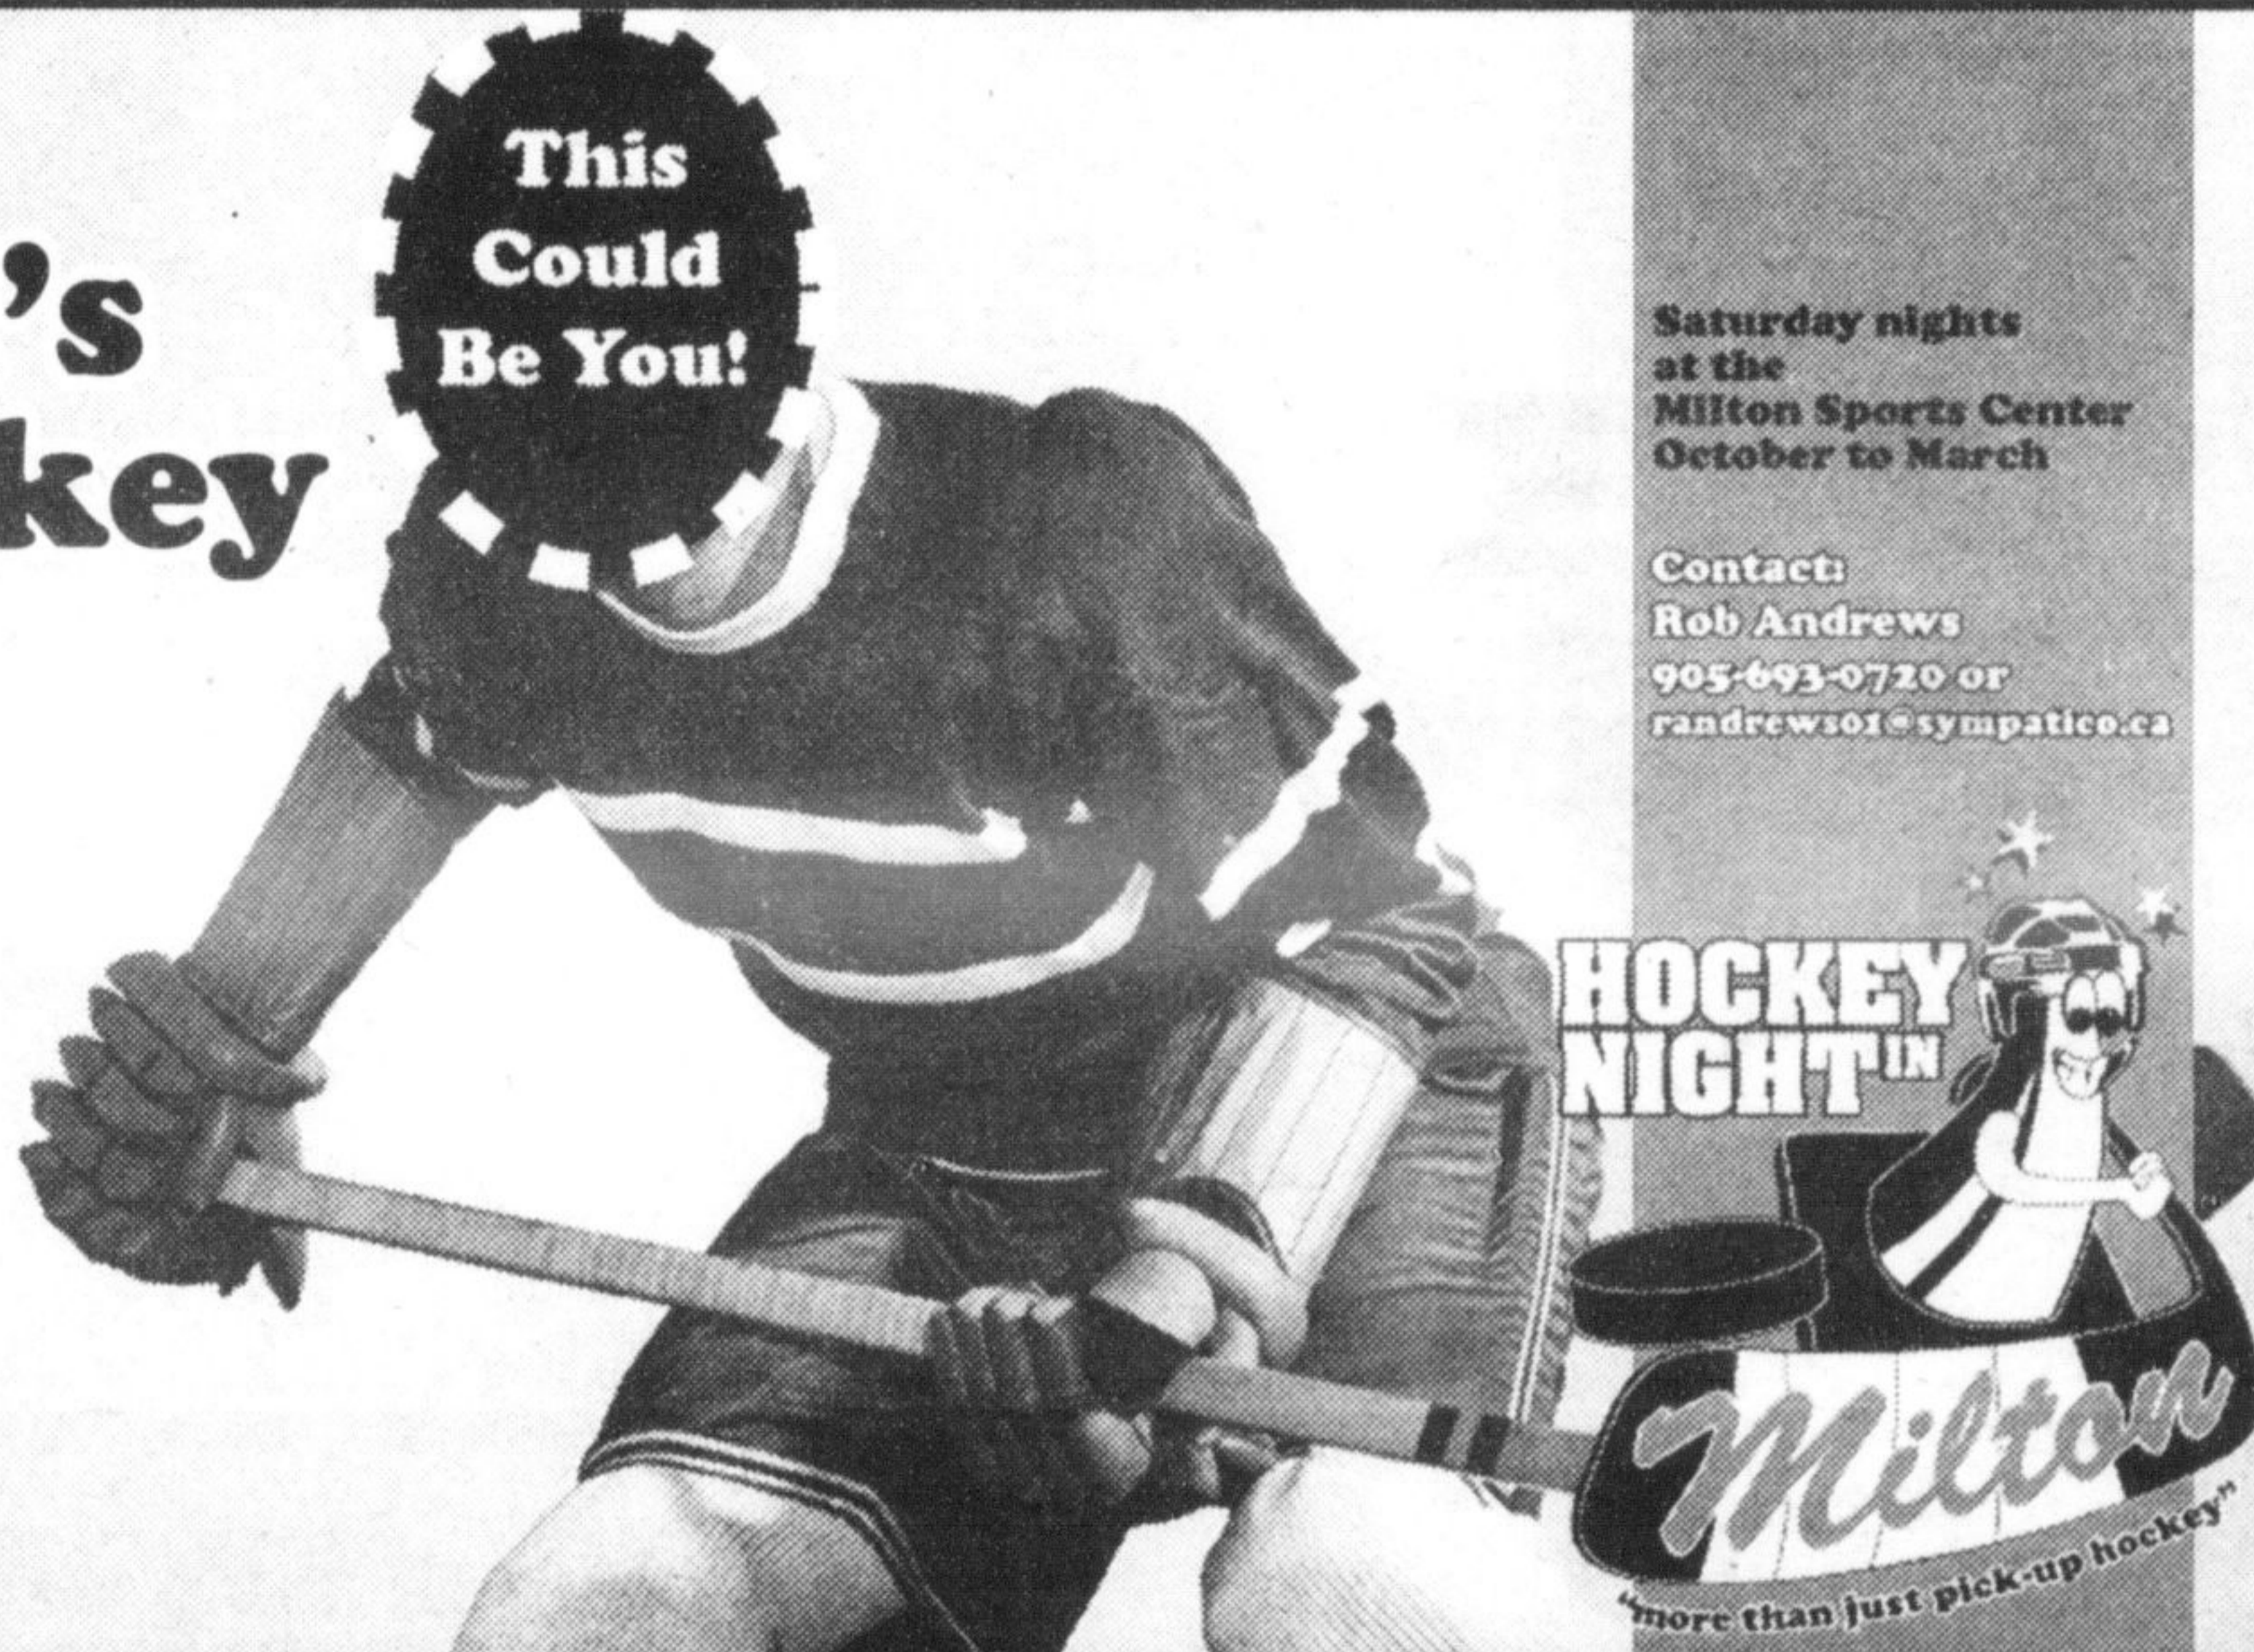

It'll run from 2 to 5 p.m. and have a number of animals available for adoption, as well as a silent auction with a wide variety of items — donated by local businesses — up for bid.

For more information on the group, visit [www.miltonanimalsanctuary.ca](http://www.miltonanimalsanctuary.ca).
