## Halton Region's 2010/2011 seasonal influenza (flu) immunization clinics have started.

Halton's seasonal influenza (flu) immunization clinics have begun this month at senior centres. Community clinics will begin on November 1.

Flu immunization is free and recommended for all those six months of age and older. The H1N1 pandemic flu strain is now one of the three flu strains included within the annual seasonal flu vaccine so there is only one flu vaccination required.

Reduce your risk of catching or spreading the flu. Wash your hands frequently with soap and water or use alcohol based hand rub, cough and sneeze into your sleeve, stay home when you are sick and get your annual flu immunization.

Visit [www.halton.ca/flu](http://www.halton.ca/flu) or dial 311 to learn more about the flu and clinic dates and locations.
