Police seek public's help after cyclist struck

Pick-up truck's side mirror found at scene

Police are appealing for witnesses and assistance from the public after a 56-year-old female cyclist was struck on Derry Road early Saturday evening.

The driver left the scene.

Upon investigation, Halton Regional Police discovered a torn-off passenger side mirror, which belonged to a 2009 or 2010 Ford F150 pick-up truck, leading them to believe that type of vehicle was involved.

Police are requesting any Ford dealerships, auto body shops or auto salvage yards with information on any person ordering, purchasing or inquiring about a replacement passenger side mirror for a 2009 or 2010 Ford F150 pick-up truck, to call them.

As reported Tuesday, the cyclist was rushed to hospital with serious injuries after being found at the side of the road, between Guelph Line and Walker's Line.

The woman, who was travelling eastbound, was struck at about 7:15 p.m. The isolated stretch of road was closed for five hours during the investigation.

Anyone with information can anonymously call CrimeStoppers at 1-800-222-TIPS or Halton police's Collision Reconstruction Unit at (905) 878-5511, ext. 5189 or 5056.
