*Gold and Silver pour into yesterdays
Roadshow due to highest prices in 40 years.*

Yesterday at the **Holiday Inn Express**, hundreds lined up to cash antiques, collectibles, gold and jewelry in at the Roadshow. The free event is in **Milton** all week buying gold, silver antiques and collectibles.

"It is unbelievable, I brought in some old coins that had been in a little cigar box for years and some old herringbone necklaces and in less than fifteen minutes I left with a check for \$712.37."

One visitor I spoke with yesterday said "It's unbelievable, I brought in some old coins that had been in a little cigar box for years and some old herringbone necklaces and in less than fifteen minutes I left with a check for \$712.37. That stuff has been in my jewelry box and dresser for at least 20 years." Another gentlemen brought an old Fender guitar his father bought

years ago. "Dad had less than fifty bucks in that guitar." The Roadshow expert that assisted him, made a few phone calls and a Veterinarian in Seattle, Washington bought the guitar for \$5700.00. The seller continued, "I got another \$150.00 for a broken necklace and an old class ring, it's

not everyday someone brings six thousand dollars to town with your name on it."

Jeff Parsons, President of the Treasure Hunters Roadshow commented, "Lots of people have items that they know are valuable but just don't know where to sell them.

Old toys, trains, swords, guitars, pocket watches or just about anything old is valuable to collectors. These collectors are willing to pay big money for those items they are looking for."

This week's Roadshow is the place to get connected with those collectors. The process is free and anyone can bring items down to the event. If the Roadshow experts find items their collectors are interested in,

offers will be made to purchase those items. About 80% of the guests that attend the show end up selling one or more items at the event.

Antiques and collectibles are not the only items the Roadshow is buying. "Gold and silver markets are soaring," says Archie Davis, a Roadshow representative. "Broken jewelry and gold or silver coins add up very quickly. I just finished working

with a gentleman that had an old class ring, two bracelets, and handful of silver dollars,... his check was for over \$650.00. I would say that there were well over 100 people in here yesterday that sold their scrap gold."

"If you go to the Roadshow, you can cash-in your items for top dollar. Roadshow representatives will be available to assess and purchase your items at the Holiday Inn Express through Saturday in Milton."

One gentleman holding his check for over \$1250.00 in the lobby of the event yesterday had this comment, "I am so happy I decided to come to the Roadshow. I saw the newspaper ad for the event and brought in an old German sword I brought back from World War II and some old coins and here is my check. What a great thing for our community. I am heading home now to see what else I have they might be interested in."

The Roadshow continues today starting at 9am. The event is free and no appointment is needed.
