Barber Greene wins
Milton Sports upset

Flag football, initiated by Milton's Fred Bates a month ago, is enjoying great success according to local doctors and chiropractors whose business is on the increase.

Bates single handedly overcame all obstacles to start the league.

The four teams, two of them sponsored by Barber Greene and Milton Sports Equipment, already have 56 players ranging in age from 18 to 36, and weighing from 125 to 200 pounds.

The other two teams are still seeking sponsorship.
