

Women Take a Break—talks and exercises

Once again this year Milton Parks and Recreation offers a wide assortment of sports and craft activities for the winter months.

As a result of a suggestion by the International Women's Year Committee of the town, there will be a new program added this year. It's called Women Take a Break and will be an eight week series of two

hour sessions with exercising followed by talks, discussions and demonstrations over coffee for women who want to take a break.

The atmosphere will be relaxed and informal and with responsible baby sitters in attendance, mothers will be able to unwind while making new friends and finding new interests.

Activities to be repeated this year include Ladies' Jazznastics, Men's Fitness, Men's and Ladies' Basketball, Modern Square Dancing, Adult Badminton, Girls' Gymnastics and Dance Classes.

There are swimming lessons offered with public swimming available. An After Four Club for boys and girls will be held as well as classes in Creative Crafts and

Stamp Club. Skating is available with everything from a Mom and Tot Skate Program to Learning to Just Skate or Figure Skate. There will also be time allotted for public skating.

Registrations for the programs are to be made through the Milton Recreation Office at the Town Hall and are on a first come, first served basis.

Many have interesting holidays

by Mrs. T. Ramshaw
The high price of gas doesn't seem to be a deterrent to travellers in this part of the country.

Ed and Jessie Jansen and family enjoyed their trip to Quebec city and New Brunswick.

Edgar and Camy Campbell also went east this summer. They travelled around the Gaspe and on to Shediac, N.B. where they visited with Rev. Betty Griffiths. They returned home by way of the States through the Adirondack Mountains.

Bruce and Jean Millar returned home Labour Day weekend from a month-long visit in Whitehorse with their son and daughter-in-law John and Janet. During their stay they took several side trips from Whitehorse. They flew to Juneau Alaska, where they saw salmon spawning and the Minden Hill Glacier.

Cooked salmon
The next day they took the ferry down to Haines where they took in the South East Alaska fair. There they ate salmon cooked the old way over the fire by the Indians and were very interested in their culture and crafts. The Alaskan Indians have a

greater sense of personal worth than the Canadian Indians, due probably to the fact that the Government lends them money for self-help programs instead of the degrading welfare payments handed out to our Indians.

At Skagway they toured the old gold mining town which is being restored, as this is where the gold seekers started their trek in 1895 over the White Pass to Dawson City. From Skagway they travelled by the narrow gauge railway back to Whitehorse over the trail of '98. At the town of Atlin they watched the piles of earth left there by earlier prospectors being turned over again in hopes of finding gold that had been missed.

While there Bruce put in the plumbing for the new house John is building.

Whitehorse is one place where work is very plentiful, lots of people hold down two jobs—a fascinating opportunity for young people to get a good start in life.

Good trip
Merle and Sheila Gunby and family of Dunganon had an interesting trip west by air, cars and ferry to visit Eric and Linda (Gunby) Karre and family at Terrace

B.C.
Last Sunday morning two Lowville United Church laymen ably took the service. Mr. Cuthbertson gave the message assisted by a film and Ron Covedale read the lesson.

The afternoon U.C.W. group held the first meeting on the season at the home of Ruby Brown. There were 14 present. Mrs. Gertrude Dickinson, the president opened the meeting. She announced the forthcoming "Luncheon is Served" to be held in Lowville United on Sept. 24.

Velma Norris came down from Guelph, bringing with her Mr. Moffat who gave an inspirational talk on the things we cherish the most in life. She spoke of the three things she cherished the most—work, love and life. Velma led in the worship with Mrs. Wilkinson reading the scripture.

Hazel Colling assisted the hostess.

Anniversary
Several from this area attended the 50th wedding anniversary celebration of Charles and Myrna Bryant. Myrna's attendant Grace Readhead was there and Maurice Readhead who sang.

Their eldest son Raymond and his wife and daughter were there from British Columbia. Several of their grandchildren were there assisting with lunch and looking after the guest book.

A steady stream of well wishers arrived at the old Mountsberg school to wish

Charlie and Myrna well. Get well wishes go to Bruce Coverdale in Joseph Brant Hospital and to Mrs. Francis Robertson in Milton Hospital.

Sincere sympathy goes out to Ruth Agnew and family on the sudden death of her husband Fred Agnew last week.

Obituary

Hazel A. Smith

Mrs. Hazel Arminta Smith of the senior citizens residence, 40 Ontario St. S., Milton died Sept. 1 in Milton District Hospital following a brief illness.

A resident of Milton for many years, she worked as a chef at Halton Centennial Manor. After her retirement she kept up her personal interest in Halton's senior citizens and visited the Manor frequently and assisted the rector of Grace Anglican Church with communion services in the Manor chapel.

Funeral service was held Sept. 3 at Grace Anglican

Church with Rev. Duncan Wallace and Canon F. Mason officiating. Many local senior citizens and some Manor residents attended.

Palbearers were nephews Mel Hood, Murray Hood, Theorold Wetherell, Don Van Fleet, Bern Van Fleet and a cousin Bob Van Fleet.

Her husband Frederick Smith predeceased her.

She is survived by brothers Jim Van Fleet of Acton, Jack Van Fleet of Hamilton and Lorne Van Fleet of Simcoe and a sister Mrs. Florence Nevills of Milton.
