

EXAMINING THE LOOT they fished out of the fish pond at the Hospital Auxiliary's garden party Saturday are John Delacourt and Douglas Drennan. The boys are sitting on the steps of Grace Church hall where the party was held after being rained out from its planned Martin St. location.

Rain forces Auxiliary lawn party indoors

By Dolores Melanson
Milton District Hospital auxiliary held its 13th annual lawn party on Saturday afternoon.

The annual event was to be held on the grounds at the home of Dr. and Mrs. Carl Martin, 57 Martin St.

About the town . . .

(Continued from Page B4)
Adams from Toronto. Mr. and Mrs. A. Hutchinson and daughter from Toronto are newcomers on Satok Cresc. - Moving in on Bousfield Cresc. are Mr. and Mrs. R. Harrison and their two daughters from Bramalea.

Mr. and Mrs. Y. Poulin and family from Quebec are new residents on Martin St., and Mr. and Mrs. B. Zimmerman and family from Palgrave are newcomers on Woodward Ave.

We welcome these families to Milton.

But the weather did not cooperate and there were many drenched Auxiliary members as they moved booths, etc. to Grace Church Hall.

Even though one booth had to be eliminated because of space in the hall, proceeds were not down from last year. In fact five booths were up over last year's total. Convener Jane Hughes and co-convener Joan Griffiths were most pleased with the final outcome.

Name conveners
Other conveners were: baking, Elsie Joyce; toys, Margaret Bundy; books, Chris Langridge; unique boutique, Betty Nisbett;

knitting, Shirley Lawrence; penny table, Sheena Drennan; candy table, Mary Bradley; aprons, Mabel Cripps; country garden, Helen Penrice; white elephant, Cinda Richardson.

Chris Langridge and the Candystrippers operated the fish pond and sold Coke and chips.

Rose Shannon was in charge of the Hospital Gift Shop booth and Jessie Anderson and her assistants served afternoon tea.

Draws took place for a hooked rug made and donated by Mrs. Jessie Beaty and a quilt made and donated by Mrs. Chester Service.

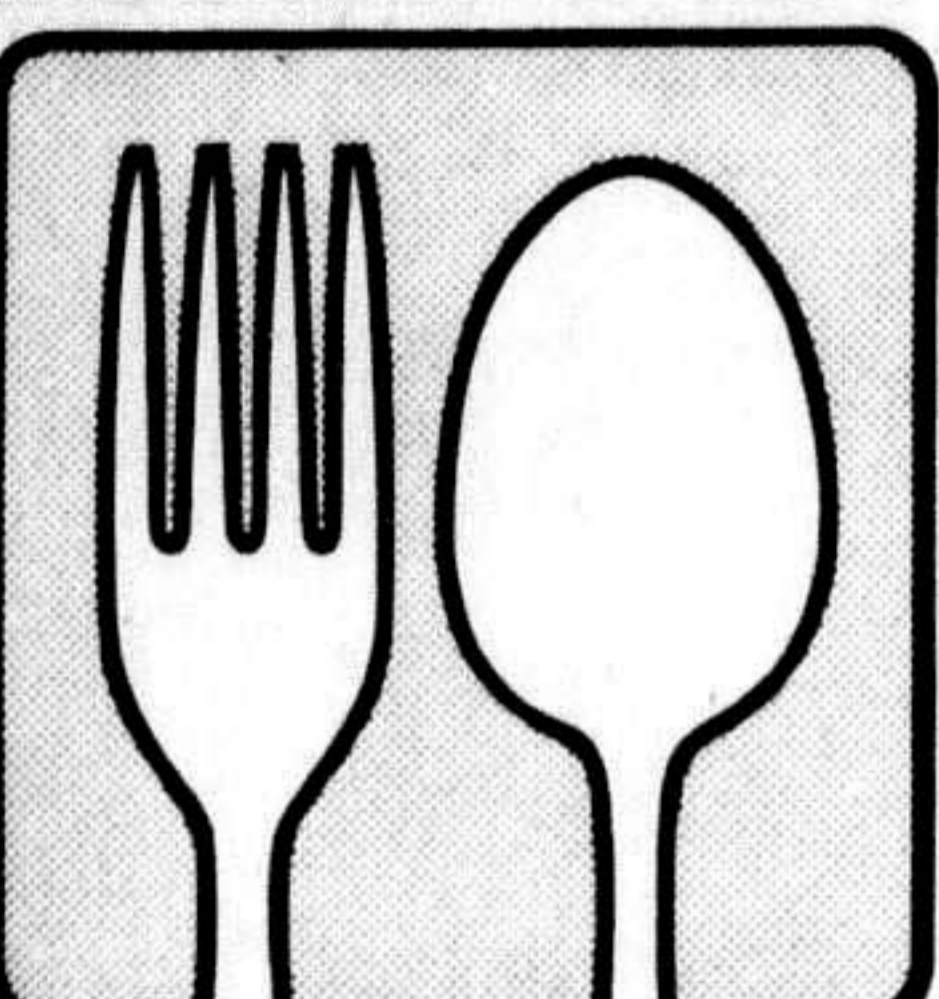

INDOORS OR OUT, the fish pond is still a major attraction at the Hospital Auxiliary's garden party. Candystriper Margaret Boyd and her helper David Heard check the lines for fish. Children fishing are John Delacourt, Paulene Hendricks and Alan Brown. The garden party was moved indoors at Grace Church hall when the weather Saturday looked chancy.

BOOK BROWSING was interesting for visitors to the Milton District Hospital Auxiliary's annual garden party. Val Hendrick and Maureen McMillan have found books they may buy while Jane and Wendy Somerville and Denise Brigant are still searching. Grace Church hall was packed for the lawn party, forced inside by inclement weather.

NURSING DEGREE
Donna Marie Gowland, daughter of Mr. and Mrs. G. Howard Gowland of R.R. 1, Milton, recently graduated from McMaster University with her Bachelor of Science degree in Nursing. She formerly attended White Oaks Secondary School in Oakville and is presently working in the neonatal unit of the McMaster Medical Centre.

Caution: deadly when loaded

In the hands of some people a knife, fork and spoon are dangerous weapons. Dangerous to themselves. They use them too often for too much of the wrong kinds of food.

At COUNTERWEIGHT we'll show you how to use them safely and lose weight. We start with the Canadian Family Meal Plan. With this scientifically designed plan you eat nourishing, well balanced and tasty meals plus snacks. The variety of food is extensive and quantities satisfying. Yet week after week COUNTERWEIGHT members lose weight.

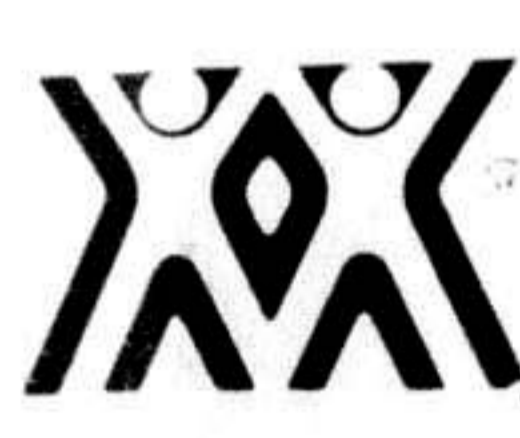

At every COUNTERWEIGHT meeting you'll see proof of their success. Members are working together with their lecturer to lose their excess pounds. Everyone is pulling for you and sharing problems and successes. They're interested and friendly. Weight control is so much easier when you're working in a group like this.

Come on out to a COUNTERWEIGHT meeting this week. Learn how to handle your knife and fork safely.

Wherever you are, there is a class near you.
