Casarin's great defensive play saves bantam reps first win

An excellent defensive play by centrefielder Tony Casarin in the last inning helped preserve a 4-2 win Sunday and allow Milton Lions bantam baseball reps its first victory of the year.

With the bases loaded and one out, Casarin caught a fly ball against Streetsville and timed his catch and run perfectly to throw out a runner at the plate with the play of the game.

It marked Milton's lone win of the year although coach Peter McCutcheon says his team is improving and learning the ropes.

"Their experience (the other teams) is making the difference in the games," says McCutcheon. "But our team is showing better on the basepaths and we're coming through."

In Milton's other game of the week, Oakville minor bantams scored five runs in the last two

innings to take a 10-4 win Monday night at Brian Best Park. Milton's record now stands at 1-6.

In the Streetsville game, Lions scored four runs with a pair of two-run innings in the third and fourth. Streetsville led 1-0 after the first inning and tied the score 2-2 with a single run in the top of the fourth.

Lions went ahead 2-1 when Steve James doubled, Carl Williams singled him to third, and Paul McCutcheon singled James home. Williams stole home on an attempted double steal although McCutcheon was thrown out at the plate.

Milton scored its final two runs when Greg Drew walked, stole second and third and came home on an error. Later in the inning, James singled home Grant Zikman with the insurance run.

McCutcheon went six

and a third innings on the mound before giving way to Drew who got the final two outs. McCutcheon loaded up the bases with one out before Drew enticed Jay McCarthy to fly out to Casarin who came up with the big play to get the double play and

end the game. Milton and Oakville were engaged in a close 5-4 ballgame until Oakville broke it open with two runs in the sixth and three more to salt it away in the seventh.

McCutcheon drove in two runs while Casarin

who pitched a complete game and Drew added RBI singles.

Lions play in an 18-team tournament in Chesley this weekend before entertaining Oakville minor bantams once again Monday at Brian Best Park.

Elaine Vandenhuevel led the assault against Alderwood in the second game with five hits including two singles, two triples and a homer. Allen and Jo-anne Van Rooyen had three hits apiece including a homer.

Debbie Blair connected for three singles and a homer. Simpson added three singles, Haringa punched out a double and a single, Carmichael hit a pair of singles while Janet Drennan hit a homer.

Lions still roaring

Although several Milton girls' softball rep teams are having their troubles adapting to the stronger competition in the Peel County League, that can't be said of Milton Lions bantam reps.

Lions swept a back-to-back series with Alderwood last week easily to up its record to four wins and a tie in five games.

Last Tuesday at Rotary Park, Lions exploded for 20 runs in the first inning and coasted the rest of the way for a comfortable 29-3 win. Two

days later at Alderwood, Lions used another big inning, this time a 14-run fifth, to run up the score again 25-6.

In the first game, Milton hurler Sharon Haringa showed why she is considered one of the best at her position by striking out the first six Alderwood batters before giving way to Kelly Carmichael and Lisa Simpson.

Debbie Allen led the attack with five hits including a homer, double and five singles
