## First of season's fruits means Strawberry Flan

Whether you pick your own, grow your own or treat yourself to a box of strawberries from the produce counter, this first fruit of the summer is a sweet and juicy delight. Served as they are or with a squeeze of lemon or orange juice and sugar, they are hard to resist.

Strawberry Flan has the appearance of an elegant French Patisserie but it can be created in any cook's kitchen. Start with a base of shortbread pastry, cover with a creamy cheese filling then top with halved strawberries and a jelly glaze.

It is a great way to end an outdoor meal.

**Pastry:**  
1 cup VELVET Cake and Pastry Flour  
2 tbsp. sifted icing sugar  
½ cup soft butter or margarine  
Combine flour and icing sugar.

Cream butter and gradually blend in flour mixture. Press evenly in 9-inch flan ring or pie plate. Prick well with fork. Chill 15 minutes. Bake at 425 degrees F for 7-10 minutes, or until light golden. Cool.

**Filling:**  
1 (8 oz.) pkg. cream cheese  
½ cup sifted icing sugar  
1 tsp. vanilla  
½ cup heavy cream  
1½ pints strawberries, halved  
½ cup red currant jelly  
1 tbsp. lemon juice

Beat cream cheese, icing sugar and vanilla together until smooth. Whip cream until stiff and fold into cheese mixture. Spread evenly in prepared shell. Chill.

Arrange strawberry halves over top. Melt jelly and lemon juice together. Brush or spoon over strawberries to glaze. Chill. Makes one 9-inch flan.

## Sheridan cancelling bus routes

Sheridan College will operate fewer bus routes starting in September. The service has been reduced from 14 buses to four but will continue to serve the outlying communities of Halton and Peel.

Sheridan's transportation system operates on a \$50,000 annual deficit since the college subsidizes its bus service. Ticket prices will increase in the fall from \$1 to \$1.15 or \$50 for 50 tickets but this will not cover the cost of operating buses.

"In order for the service to be self-supporting, Sheridan would have to charge considerably more than the ticket cost and then students wouldn't use the service," said Ross McEwen, Co-ordinator of Student Affairs.

The cancelled routes effect students coming from Mississauga and Islington to Brampton, from Halmilton, Waterdown, Burlington, South Mississauga, Streetsville, Meadowvale, and Islington to Oakville.

The revised service means students will have to reply more heavily on public transportation in the future.

The municipal transit authorities of Oakville and Brampton, and the GO Transit system grant discounts to Sheridan students upon presentation of a student identification card which is issued at time of registration.

## Women enjoy pot luck picnic

The WMS evening department of Knox Church met on Tuesday, June 9th for a Pot-Luck Picnic Supper.

Our hostess, Bess Robinson, opened her home to us and a very pleasant meal was enjoyed by the 18 women present.

The President, Joan Phillips, opened the meeting with a Devotional based on the theme, "The Foot".

The hymn "O Master, Let Me Walk With Thee" was sung.

Feet are referred to in numerous passages in the Bible, most notably, Luke 10:39 when Mary sat at Jesus's feet and heard His word.

It was also a custom in Jesus's time to wash the feet of guests as a sign of concern and respect.

A reading entitled "Footprints In The Sand" was read to illustrate that Jesus always is with us so there is always two sets of footprints. During difficult times, if only one set of footprints are seen, they are those of Jesus as He carries us.

The Devotional was closed with prayer. Margaret Biggar presented a tape recording of interviews with missionaries who have been working in India.

The first couple interviewed was Clarence and Cathy McMullen who have been working in the missionary field since 1963.

They spoke of the

social problems in India which are mainly due to the problem of over-population and lack of resources to feed and clothe the people.

Poverty is widespread. Only 2/3 to 3/4 of the population is Christian with the vast majority being Hindu and Moslem.

The "caste" system is

still in practice in India but mainly concerning marriages. People must marry within their own social class.

The second interview was with Pauline Brown, a nurse, formerly from Ottawa, who has been working in India for almost 30 years. She has been actively involved in

public health work and in the setting up of a permanent medical centre within the community.

There are many problems and frustrations involved in her work. Money is scarce and often essentials cannot be purchased.

Both missionaries asked for our continual prayerful support for their endeavours.

During the Business portion of our meeting, a letter was read from the Ladies Aid, informing us that there will be no St. Patrick's Bazaar in 1982
