### Cub leaders need is urgent

There will be at least 25 disappointed boys in Kilbride this fall, if leaders are not found for the cub pack.

"We're a huge area and if we don't have a cub leader, we just won't have cubs," said Burlington District Scouts spokesperson Sharon Ellis.

"We have been looking within our area but all contacts have fallen through," she added. Mrs. Ellis explained experienced leaders are preferred but there are experienced people within the organization willing to train and assist.

In addition to some program planning, leaders are required to run weekly meetings and attend one or two weekend camps through the year.

Anyone interested in volunteering for the job of providing leadership to Kilbride cubs can call Mrs. Ellis at 878-7965.

"This is a very special year at Disney World, since we're celebrating our Tenthennial, marking 10 years at Disney World," Miss Maples explained.

Miss Maples, a pretty, 22-year-old brunette, will be travelling throughout Canada and the United States this year representing Disney World.

"This will be our biggest celebration since the American Bicentennial in 1976," Maple said. "We've produced a very special new show that will be a big part of the Tenthennial celebrations at Disney World, and the CNE visitors will have the first chance to see it."

The Disney is Your World show will be presented four times daily at 11 a.m., 1 p.m., 3 p.m. and 5 p.m., at the

Disney Preview. Here's one boy who's definitely going to the show! Young Maiki Velazquez receives an invitation to a preview of the Disney is Your World show at the CNE from Robin Maples, a Walt Disney World Ambassador. Looking on are Maiki's father, Michael Velazquez, advertising manager of Miracle Food Mart, which is presenting the show, and John Baxter, president of Metroland Printing and Publishing Ltd.
