We were greatly favoured at the afternoon session, in having as speaker Mrs. C. R. Crowe, of Guelph, President of the W M.S. Miss H. Little, of Guelph, Branch Candidate Advisor. told us the kind of girls wanted as missionaries. She must have a Chris tian character, be physically fit, have a capacity for friendship and for living and working with others, and have a good education, full or partial uni versity course. Our Presbyterial Pres ident, Mrs. Aitkin, of Ballinafad, gave us some necessary information and en couragement. Difficulty arose, it was reported, when the Grade Separation Fund became so deplete as not to provide that portion of the total cost apportioned to it. The share was 40 per cent. of the total, and but 45 per cent, of this share was available. A scheme to finance temporarily the remaining 54 per cent. is gested that the money be lent without interest by the County of Halton, and the municipalities of Oakville and Tra falgar. Action now awaits a confer ence between the parties and a report from the Town Solicitor on an inter view with the Railway Board.
