trouble. These figures from the superintendent of prisons throw a dazzling
light on our prison situation. One
prisoner escaped during the year—
from Saskatchewan. Only 15 died—a
death rate of about four per thousand.

Of Charles 1527 contains 1527 cont

Perhaps the really significant iter in the above concerns the fact that ? per cent. of the prisoners were unskilled-had no trade, and thus were de; endent on chance work.

If "Society" is to be held responsible for its sins, then it should have something to say about its members neglecting to learn a trade or calling.

Civic Banquet will be Given Championship Team.
