BASEBALL

The Halton County League got under way last Saturday. Milton travelled to Georgetown and captured their first game. Play was usually fast for an early season contest. While the youthful veterans of the county town managed, to take the hard-hitting Georgetown atheletes over the jumps at a 5 2 ratio they were given a real battle throughout. The game was not what might be called thrilling or exciting, rather, was it a hard-fought battle between a couple of well-matched teams, with the verdict going to the side which was better balanced. Milton won because they were sound

Old man jinx again pitched ,airrepresentatives in the Halton-Wentworth league a 12 to 11 defeat in a twelve innings battle at Campbellville on Saturday. Last year the locals only won one out of three twelve inning games they played in, and on Saturday they started off were they left off at. It appears that Burlington cannot win a game in Campbellville for it is several seasons since that has happened. The first eight frames of Saturday's game were nothing to write about as far as Burlington was concerned. The Burlington boys could do nothing right and Campbellville took the opportunity to score eleven runs, most of which resulted from errors in the infield. Up to this time the four hits for three runs was the only trouble Anderson had with the local batters. Roy Sutton started for Burlington, and pliched good ball, but his infield gave him very little or no support, with the result that runs were safe on what should have been easy outs.
