LIVING ON "STARVATION" STREET.—Judging by the way some of the city folks are scouring the country for orders, and interfering with business in out-of-town, times in Toronto must be not so bad as these so-called "hundreds for business" must surely be living on "Starvation" Street. Getting down to brass tacks, we think all of these "hundreds" should mind their own business, stay in Toronto and leave the Milton merchants' business alone. If the citizens of Milton would give these "hundreds" the cold shoulder they, no doubt, would stay away from the town and never return. This goes for canvassers for printing from Toronto print shops, too. Motto: Buy at home—IN MILTON—from your home-town business men.

Two very excellent services were conducted in Knox Presbyterian Church on the event of the anniversary last Sunday, Oct. 28th. Most instructive and forceful addresses were given by Rev. Wm. Allen, of Dovercourt Presbyterian Church, Toronto, in the morning, and by Rev. C. K. Nichol, of Oakville, in the evening. The very splendid solos by Mr. Donald Hill, of Galt, were greatly appreciated by the congregation, as was also his kind assistance to the choir in special numbers. The organ decorations made a beautiful setting for the divine services. Knox Church extends gratitude to the congregation of St. Paul's United Church, which so kindly withdrew the evening service in its favour.

The usual supper held in the school room on Monday evening was the usual success, and a most appreciative audience remained to hear the programme of vocal selections given by Miss Molly Hatley and Mr. Gilroy, accompanied by Mrs. Gordon McKenzie. Mr. Lyons favored the assembly with two readings and readings were expressed from various congregations, by the visiting clergy. The audience was more than charmed and delighted with the numbers rendered by the quartette of boys soprano from All Saints' Church, Hamilton, under the direction of Mr. Elliott, their leader. Much indebtedness is due Mr. Wallace, for the very fine organ recital which he so ably rendered during the tea hour, and to Mr. Blackstone for his violin selections on the programme during intermission.

Another service Sunday, Nov. 4th, will be withdrawn in favor of Hornby anniversary.

A most enjoyable Halloween social was held by the Y. W. A. at the home of Mrs. Edgar Robertson on Tuesday evening, and many surprises were forthcoming when the guests unmasked. Ghosts appeared, fortunes were told from hand-writing, tea cups were read and a jocular time was had by all.
