At the last meeting of the town council a new by-law was passed regarding the licensing, registering and keeping of dogs within the Town of Milton.

Anyone who keeps a dog which by its barking constitutes a public nuisance is liable to a fine of \$10.00. The Magistrate may also order the dog be killed.

PROTEST DISMISSAL

OF COL. BROWN

A meeting was called of ex-service men at the Town of Milton for Friday night last to discuss the dismissal of Col. Brown, but there was not a sufficient attendance to hold a meeting and another one has been called to be held here to-morrow at 8.30 p.m. Meanwhile, at a meeting held at Burlington last night, and after being addressed by Col. Brown, Arthur Padbury and Hughes Cleaver, a resolution was passed which only one dissenting vote, expressing confidence in Hughes Cleaver.

As the Brandon Sun sees it "you don't really borrow from your insurance company, but from your widow." Those folks who got married in an aeroplane over Niagara Falls were certainly able to look down on a lot of other newly married couples.

BASEBALL

Milton, Lakeshore County League leaders, looked anything but as they do now, after a 11 to 8 defeat by Orlie Johnson's fast-moving Oakville squad. The locals started an offensive that gave them four runs before Oakville could rally, but once the visitors got into their stride they were never headed.

The small gathering of Oakville fans present yelled themselves hoarse as D. Galbraith and his mates gave the local boys a baseball lesson to hang on to second place in the league standing. There was not the slightest doubt which was the better team on the day and Milton were fortunate they were not beaten more decisively. The same time a trimming from Oakville is not very hard to take. They are real sports and it is going to take lot of work on someone's part to knock them out of a playoff berth.

Picking the Oakville stars is a difficult task. Every member of the team turned in a great effort. Brown with three hits and 4 RBI, was the star batsman. D. Galbraith, on the hill-top, started off rather shakily but steadied to fling good ball the rest of the way.

He retired six of the opponents via the sickening route and seemed to know the reason. The locals were far below their usual form, probably due to lack of practice through wet grounds. We are not attempting an alibi. Oakville played a real game. Too many errors and they frayed miserably at the bat in the pinches seemed to be the main fault last Saturday. Of course Milton is entitled to an off day every now and then. The game should supply the coach and manager with a few strong talking points. There ought to be a government inspection to know the reason why Jack Anderson is not in the lineup.

K. Clement, pitching for the home-sters, appeared to have the situation well in hand. He pitched well in his team mates paved the way for the defeat. He struck out four batters and walked five. Trying to select the best fielders for the locals is a tough assignment. So we will name three and let you do the selecting. "Mike" Cox, Charlie Allan and Naylo compose the trio in question. Naylor, Lewis and A. Clement led the losers with the bat.

In a game featured by heavy bombardment Milton fell on the offerings of McDonald, Osborne and Gilbert, Bronte pitchers, for 14 hits and outscored Bronte 15 to 4 in the first eight games of the season at Milton park last night. W. Clement and B. Brush led the batting parade and both featured with spectacular catches.

MILTON JUNIORS TRIM OAKVILLE

Staging a rally in the seventh inning, Milton Juniors came from behind and scored two runs on hits by Eard and D. Sprout to defeat Oakville 4-3 in a Halton County Juvenile League game at the Milton Park last Tuesday. Health on the mound for Oakville had the locals baffled all the way until the seventh. He struck out five batters. Milton used two pitchers, Patterson and Eard. Both did well. For the losers Hillier and N. Kemp looked the best. For Milton K. Brush, Patterson, D. Sprout and D. Brush played important roles in the local's victory.

Score by innings: R. H. E. Oakville..... 110 100 0 3 5 2 Milton..... 000 110 2 4 4 5

Batteries—Heath and Mitchell; Patterson, Eard and Andrews. Umpire—G. Galbraith, Oakville; A. Clement, Milton.

Burlington Defeats Campbellville

(Burlington Gazette) Burlington's ball team continued their winning streak when they defeated Campbellville 11 to 8 on Saturday afternoon at the high school campus.

"Lefty" Sutton went to the mound for the locals and held the route for nine innings until the fourth frame when three free passes and an error got him into deep water and Murray Thorpe went to his rescue and finished the game. The visitors greeted Mr. Sutton with two hits in the opening frame for one run, but that was the best they could do in the way of hitting the south-paw's offerings and had he not been so generous in the fourth frame with free tickets, coupled with some wobbly support by his mates, he would have undoubtedly let the opposition down without any trouble. The visitors scored twice in the fourth and once in the fifth and three in the ninth for a total of 8 runs on six hits off the combined slants of Sutton and Thorpe. Lamb, for Campbellville, hit a homer in the ninth, but failed to touch third on the way around and was retired before he could get back to the base. Transer, who went the route for the opposition, was hit freely, and the local batters collected seventeen hits off his offerings, with the route starting in the second innings, when the winners scored three times on four hits. The added four runs in the third, three in the fourth and one in the eighth. In the fifth frame Manager Hume changed his line-up, sending George Robbins to first, McCallum went to right field and Balchamber replaced Gordie Alton at short, and Walker did the receiving. Except for the ninth the visiting boys found the going tough sledding. George Green had a triple and a home run in his credit, while Pitt, Alton, Ryan and Kinross were others from the home team to collect extra hits, with Pitt having a leading. For the losers Robb was the leading man on the attack with three hits.

The score by innings: R. H. E. Burlington..... 034 300 11 17 3 Campbellville..... 100 210 0 13 8 4

Halton County W. C. T. U. Convention

MISS EVELYN RONEY, GEORGETOWN WINNER OF GOLD MEDAL.—GEORGETOWN LEGION WON COUNTY BANNER AGAIN

(Georgetown Herald)

The thirty-ninth annual convention of the Halton County Women's Christian Temperance Union was held in the United Church, Georgetown, Wednesday, June 19th. Mrs. R. B. Galbraith of Milton, presiding.

Mrs. L. L. Reddick, Provincial vice-president, was present at all sessions, and added much to the interest and helpfulness of the discussions. Her afternoon address was full of inspiration and encouragement to all, who "for God and home and native land" are engaged in the campaign against intemperance and kindred evils.

Capt. Howells of the Salvation Army, Mrs. L. Marchmont, Glen Williams and Billy Long, Georgetown, contributed much-appreciated numbers to the afternoon's program. The evening session, under the chairmanship of Rev. R. W. Rumley, was especially interesting, owing in large measure to the contribution of the girls and boys. Music by the Georgetown L.T.L. was followed by the gold medal contest conducted by Mrs. W. G. Marshall, county superintendent of this department. The entrants in this contest were Annie Mitchell, Trevellick, Secretary of the W.C.T.U., and Mrs. E. G. Reeve of Georgetown, and Mrs. Galbraith, of Milton.

Mrs. Reddick presented the prizes to the winners in the County Scientific Temperance contest. A full list of the will appear later.

Many congratulations are due the Georgetown Loyal Temperance Legion, who, for the second time have won the County Banner, presentation of which was made by Mrs. Galbraith. Space permits only a brief reference to the forceful and informative address of Mrs. Hilliard, who, in no uncertain way, decreed the evil results of the present beverage room legislation. A vocal duet by Misses Norma Stephenson and Ruth Davis, accompanied by Mrs. Paul, and a solo by Miss Betty Speight added much to the enjoyment of the full program which brought to a close a very worthwhile gathering.

A young man in Toronto dyed his hair to escape police. So that's why all those nice young men in Toronto.

Harry White, Shelburne, has won the correspondence checker championship of Ontario. "White to move and win."
