

WORTHY A TRIAL

It was interesting to hear at County Council last week of the new type of road—stabilized gravel. It was even more interesting to hear men such as Reeve Duncan Campbell, of Nassagaweya, and County Engineer Smith express such interest in this construction after a four-day inspection. Both men have had a wide experience in road construction and are in a position to pass judgment on types of roads. It would also seem that an ideal place to try out this stabilized gravel road would be on a section of the second line from Acton to Milton. The construction work carried out on this road by the County Council has been splendid. The cutting of hills and the widening of the road have made it a very satisfactory work as far as it has extended. We have advocated the highway committee for this line for some time, but without a great deal of success. Perhaps a half-way solution might be made. A few miles trial of this stabilized gravel road on the second line is worthy a trial.—Acton Free Press.

WEDDING

BOWMAN—WITHINGTON

Wide interest centered in the marriage at the home of Mr. and Mrs. John B. Raine, 40 Beaufort Rd., Toronto, when Mrs. Raine's sister, Miss Edna Withington, daughter of Mrs. Withington and the late Mr. Alfred J. Withington, became the bride of Wm. Russell Bowman, son of Mr. Fairfield Bowman and the late Mrs. Bowman. The groom is well known in amateur hockey circles. Rev. P. A. Robinson officiated, with Mr. Charles Sibbard playing the wedding music. The bride, given in marriage by her brother, Mr. Douglas J. Withington, wore a gown of blue lace, matching of the face hat and carried pink roses and baby's breath. Mrs. J. B. Raine attended her sister as matron-of-honor, wearing yellow and chiffon and a matching yellow taffeta hat. Her flowers were yellow roses and blue baby's breath. Mr. Charles Bowman was his brother's best man. A small reception followed the ceremony, the bride's mother wearing navy blue lace with navy hat and accessories and a corsage bouquet of Ophelia roses. The bride left for the wedding trip to the eastern United States and the Maritimes, the bride traveling in white polo coat, white flannel skirt and conventional red and checked blouse and purse. Her hat was of white felt. Mr. and Mrs. Bowman will reside in Toronto. Mr. and Mrs. W. M. Scott, of Milton, uncle and aunt of the groom, attended the wedding.

CAMPBELLVILLE

Grace Mission Band is holding a mother and daughter banquet on Monday, July 8th. They will also celebrate their 30th anniversary on that date. Miss K. Bell recently had her tonsils removed at General Hospital. We are pleased to report she is now convalescing at home. St. David's Sunday school picnic will be held on Friday afternoon, July 5th, at Soper Park, Oak. Mr. David Mahon left on Wednesday for Western University, London, and Crawford Mahon for Queen's University for summer courses. Miss Margaret McNeil is also taking a course in Toronto and Miss Ethel Simpson in Guelph. Misses Barbara and Jean Snyder are visiting relatives in British Columbia and Manitoba. Mrs. C. G. Jones is home again after undergoing an operation at St. Michael's hospital, Toronto. Her many friends will be glad to know she is making a satisfactory recovery. The contract for the erection of the new Masonic hall has been awarded to C. C. McPhail who will begin operations immediately.

DISCOURTEOUS MOTORIST

"One evening recently a car stopped at our nearest neighbor's home; the horn blew two or three times, but no one appeared. The car moved slowly down the road and stopped in slightly at our door, and blew again. Not knowing what might be wanted, I stepped to the door, which, as it was a warm day, was open. The driver of the car then said, "Could you tell me where So-and-So lives?" (Never please). The thought came to me: "If you would just keep on blowing your horn at each house along the road eventually you would find the home you want, but the words were not spoken. Instead I directed him and without even "Thank you," he drove on. Did you ever think how an automobile can save a lazy person a few steps, while someone else is called upon to take a few more?"

FAMILY REUNIONS

COWAN-BROWN.

Cheltenham, July 1—Members of the Cowan-Brown families held their annual reunion at Fernside Park today, coming from Dundas, Orangeville, Alliston, Toronto, Mount Forest, Hamilton, Milton, Middleport and Tottenham. The gathering was attended by eighty clansmen, and directed by Mrs. Henry Cowan, of Mount Forest.

CARTON-MARLATT.

Stratford, July 1.—The Carton-Marlatt clan elected the following officers at today's annual reunion: President, Samuel Marlatt, Brindale; vice-presidents, Edward Hicks, Pine Grove, and N. C. Merz, Oakton; secretary-treasurer, Mrs. Robert Menzies, Campbellsville.

GRANTED DIVORCE

John Harris, of Parkhill, was granted a divorce at London on Sunday because of his wife's infidelity of 17 years ago. The case was heard by Justice Fisher by special arrangement. Just before going overseas he had got a day's leave from Camp Borden and was married at Milton on Oct. 2nd, 1916. On Jan. 2nd, 1929, he returned to Canada and met his wife at Acton. He said she admitted to him that she had not been faithful to him while he was overseas.—Acton Free Press.

BASEBALL

The surprising selected Port Credit team gave Milton a thorough thumping in a Lake Shore League game when they forced them to abs 5 their second defeat of the season by a 6 to 1 score at the Port Credit grounds last Saturday. The two teams are now tied for first place in the league standings. Handicapped through injured players the county town boys put up a great battle, but were forced to bow to a superior team on the day. The crowd was not large, but was in great shouting voice.

Port Credit, sponsored by the St. Lawrence Starch Co., and Lloyd's Oil Refiners, have a real ball club, with a collection of star players from Toronto city leagues and they are going to be a hard team to beat for the confanon. They have a large territory, which includes Cooksville, Lakewood, Lorne Park, Clarkson, etc., from which to select players.
The new park which their backers supplied was rather disappointing. It is an abbreviated affair which requires somewhat ground rules for about every tenth fence out. The infield is as full of ruffles as a girl's first party dress, and whoever put the permanent waves in the outfield is sure some aptly the accommodations could be improved, but they certainly have an up-to-date fence around the grounds.
Yarnell pitched well for the home team, limiting Milton to five hits while he kept well scattered. He struck out 13 and issued four free passes. Benson, the other half of the battery, played brilliantly back of the plate, collected three, double and single, Leavers a double and single and Coyne with a triple and single were conspicuous with the bat for the winners.
K. Clements started on the mound for the losers. He allowed nine hits and kept them spaced with the exception of the fourth and fifth frames. He worked six. London relieved him in the eighth. Milton's dependable batters were not hitting their weight, the youngsters of the team, C. Anderson, K. Clements, Bruce and Gilbert, hit hard, but did not get going. In the other hit. Two of Milton's three errors were of the excusable kind and they fought stubbornly all the way and put up a far better game than the score indicates. In the third frame they had a remarkable fast double play, Toletzka to Lewis to Toletzka.

BURLINGTON AGAIN WINS FROM CAMPBELLVILLE, 5-4
(Burlington Gazette)

Local baseball fans who failed to take in the Burlington-Campbellsville game in the latter town on Saturday afternoon missed one of the best games played so far this year. The Owen Marshall boys were returned the winners by the close score of 5 to 4 and the game was every bit as close as the score, and had the supporters of both teams on their feet as they lent their vocal support to their favorites. The losers had their ace hurler, Earl Anderson, on the mound, while Rex Hume sent Ossie "Joe" Robinson to the hilltop to toss them up for the locals, and a merry battle was waged between the two. The Burlington boys opened the first frame by counting on run. Belchamber walked and Murray Thorpe doubled to score "Chr. V." Campbellville tied things up in the second, when M. Robb went to second on a bad throw to first, while H. Crawford supplying the necessary hit to score the runner. They took the lead in the third on the same play after two were out. From then until the eighth they were held scoreless, as Ossie pitched splendidly and was given brilliant support by his mates, C. Christopherson, who took "Alabama" Pitts place in centre field, making some nice catches of line drives, as well as supplying a couple of timely hits, one being a triple in the fourth that drove in the tying run, and then scoring on Belchamber's hit to give the locals the lead. In the eighth a walk and three singles with none out got Robbie into deep water, and Campbellville scored twice. Things looked bad for the homesters, but Murray Thorpe again showed his power as a relief pitcher. Murray allowed another hit in this frame, but struck out the next batter and then forced the next man to hit into a snappy double play. Thorpe to Green to Thorpe, to retire the side. The winners' throw two runs came in the seventh when Belchamber was given another pass to first and Alton and Murray Thorpe hit safely, with Belchamber and Alton scoring. In their half of the ninth the losers again made a desperate effort to tie up the score, and had the tying run on third with two out, but Thorpe proved equal to the occasion and struck out the batter to retire the side. The winners were out-hit 9 to 2. Anderson chalked up eight strikeouts, but issued five passes to first. Robinson for the locals allowed seven hits in seven and one-third innings and had four strikeouts to his credit, and passed one, while Thorpe allowed two hits and fanned the same number while on the mound. R. Robb led Campbellville's attack with two hits, while M. Robb collected three to be lead off man for the winners.

PALERMO BASEBALL
PLAYER INJURED
During the progress of a baseball game between Carleton and Palermo at the former place Monday evening, Douglas Darby, of the Palermo team, was seriously injured when struck on the back of the head by a ball. Darby was attempting to beat a throw to first base when the Carleton catcher threw the ball to the first baseman. It struck Darby, who fell unconscious to the ground. He was taken to St. Joseph's hospital, Hamilton, where his condition is reported as fairly good.
It is estimated that 16,000 visited the O.A.C. during the annual Farm and Home Week.

Sulphur Finds Way Into
Many Lines of Industry

Sulphuric acid is the life blood of chemical industry. It is used wherever a cheap, strong acid is required, which takes in about every branch of the business. Its biggest use is in the manufacture of artificial fertilizers of both the ammonia and the phosphate varieties. Next comes the sulphur dioxide, combined with sulphur to form sulphates, is an essential reagent in the conversion of wood into the best grades of pulp from which newspaper and rayon are made. In addition the common rayon, viscose, requires the use in its manufacture of carbon disulphide, a liquid formed by heating a mixture of coke and sulphur.

Huge amounts of sulphur are used each year in vulcanizing rubber. Other important uses are the manufacture of black gunpowder, preparation of the so-called sulphur dyes, the spraying of fruit trees, and, in the form of sulfur dioxide, for bleaching and fumigating. Two applications of the use of compressed sulphur dioxide as a refrigerant, and that of a mixture of sulphur with inert materials for acidproof cementa.

Not Much Like Grapes
Grape fruit are nice to eat, but they aren't a bit like grapes. They belong to the same family as oranges and lemons, just as you would expect. At one time the fruit were called shaddocks, after the Captain Shaddock, who carried specimens of the tree from China to Florida. But that name wasn't thought attractive enough, and the growers sought another. They picked on grape fruit because these fruit hang in large grape-like bunches—unlike oranges and lemons which grow single. There is a legend that the grape fruit was the forbidden fruit of the Garden of Eden.—Perron's Weekly.

The Mythical Blacksmith
A curious example of the persistence of legends is that of the Cave of Wayland the Smith in Berkshire, England. Wayland was a mythical blacksmith, yet for centuries and to within living memory, hundreds of men, feeling he lives there invisibly, have left their horses at the cave's entrance, with tongs on a rack, in the belief that if they withdrew for an hour, the animal would be found shod and the money gone upon their return.—Collier's Weekly.

A Bonnet Piece
A bonnet piece is a gold coin of James V of Scotland, so called on account of the king's head being decorated with a bonnet instead of a crown. James V was the first Scottish sovereign who placed dates on money and the first who diminished the size of the gold coins by increasing their thickness. In honor of the 75th anniversary of the Roman coin, these bonnet pieces are among the most valued curiosities of the antiquary.

"Thumbs Down," "Thumbs Up"
Webster gives the meaning of "thumbs down" as a gesture of condemnation, and of "thumbs up" as a gesture to signify approval. There is some controversy among authorities as to how these signals were used, some claiming that "thumbs down" meant the gladiator's life was spared while "thumbs up" meant death.

Halon Presbyterian Western Rally

The annual rally of the Halton Presbyterian (western section) was held at Lowville United Church on June 28th, Mrs. J. C. Dates, Milton, Presbyterian 2nd Vice President, presided at both services, a.m. and p.m. A fine representation from local societies were present and were welcomed very cordially by Mrs. S. P. Congie, and Mrs. Mrs. Pearson, of Rock Chapel, very fittingly replied. Encouraging reports were given from the societies represented, after which Miss Mitchell, guest speaker, and travelling secretary for the W.M.S., made some helpful suggestions, and Mrs. E. Watson, of Nelson, Temperance Secretary, gave a splendid address on temperance. Mrs. Chas. Feer, Lowville, closed the morning session, with a short devotional period.
The W. A. of Lowville Church served lunch.
The afternoon session was opened by Burlington W.M.S. conducting the devotional exercises. Vocal selections were beautifully rendered by Mrs. P. Pickard, Bronte, also Mesdames Robinson and Horning, Waterdown. Mrs. R. M. Clements, Milton, delegate to the branch meeting held in Hamilton in March, gave a most excellent report of the proceedings. Miss Mitchell gave a most inspirational address. Greetings were given by Mrs. H. Inglehart, Palermo, President of Halton Presbyterian, also Mrs. (Rev.) Geo. Aitken, formerly Presbyterian President.
The session closed by singing "Blest Be the Tie That Binds," and the Methodist speaker, when friends parted with hopes of another year of progress in W.M.S. work.

The week are not the only ones that inherit the earth. All come to it at last.

Like a COOLING BREEZE!

HERE'S a breakfast for a hot morning: A bowl of crisp Kellogg's Corn Flakes, with cool milk or cream, and some berries or sliced fruit. Delicious! And marvelously refreshing.

Kellogg's are rich in energy but light, easy to digest. An ideal dish for any hot-weather meal. The danger of heat-prostration is lessened when Kellogg's Corn Flakes are eaten in place of heavy, slowly digested foods.

Kellogg's are ready to serve. No cooking. They're the largest-selling Corn Flakes in the world because they're crisper—finer in flavor. And the patented heat-sealed WAXTITE bag keeps them oven-fresh, even in hot, sultry weather. Quality guaranteed. Made by Kellogg in London, Ontario.

Ex-Service Men Pass Resolution of Confidence
(Burlington Gazette)
The meeting held by the ex-service men in the Legion hall last Wednesday night was not very largely attended. The meeting had been called by a county ex-veterans' committee to protest against the dismissal of Col. Brown as sheriff of Halton county. Addresses were delivered by Art Padbury, of Acton, Col. Brown, of Georgetown, and Hughes Cleaver, of Burlington.
Hughes Cleaver denied all responsibility for the dismissal of Col. Brown, and stated that in all fairness to the Heppner government, out of eight appointments made in Halton county in the last twelve months, six of them have been veterans. He did not approve of the spoils system of dismissal of ex-veterans from the civil service without cause.
The meeting was quite warm at times, and Arthur Padbury and Col. Brown indulged in some strong talk during the discussion, urging the placing of a third candidate in the field.
At the close of the discussion, a resolution was passed almost unanimously expressing confidence in Hughes Cleaver, who is also an ex-service man. The meeting did not pass any resolution approving or disapproving of the dismissal, but passed a resolution commending dismissal of any returned man without cause. No delegates were appointed to attend the general meeting called at Milton last Friday night.
Other meetings held by Arthur Padbury and Col. Brown throughout the county protesting Col. Brown's dismissal, delegates were appointed to the general meeting at Milton to discuss the situation. A number of the delegates met on Friday night, when a resolution was passed asking for the appointment of a court of inquiry to review all dismissals of veterans from government positions in Halton during the past year.
The resolution further demanded: That, following such inquiry, those found to have been dismissed without cause be reinstated or the committee notified before July 11th; that all candidates in the coming election endorse a platform of veteran preference; that all patronage committees have veteran representation of at least one-third.
The meeting adjourned until July 12th.
