

**Wounded Prisoner
Breaks Milton Jail**

Following a midnight gun battle with police by a spectacular escape from Milton county jail here, Fred Myatt, aged 23, of Picton, is still at large.

Myatt was shot through the leg just above the knee early Saturday morning after an attempt at burglary of Green's service station on the Dundas highway, at Tansey.

Mr Green secured the assistance of Motorcycle Officer Bond, and chased two intruders from the building.

In the interchange of bullets which followed, Myatt was injured and was captured when he became entangled in a picket fence. His companion escaped.

Myatt was brought to Milton and lodged in the county jail. His wounded leg was dressed by Dr. C. K. Stevenson.

Sunday afternoon, around 2 o'clock, Myatt pleaded illness from an anesthetic and was allowed by Governor McCallum to leave his cell and get fresh air in the prison yard, which is enclosed by a 20 foot stone wall.

Apparently in serious condition from illness and his wounded leg, Myatt nevertheless, was able to clamber up the bars on the first and second storey windows of the jail and drag himself hand over hand along the eave-trough to the top of the east wall. He dropped to the ground outside and escaped.

About 2:30, David Timbers, while walking up West Mary Street, saw him walk away from the jail but did not realize he was a prisoner.

A similar escape with the identical passage used by Myatt, took place several years ago. The prisoner was never caught, and is believed to have died in the United States. Myatt's break is the first made since the appointment of Governor McCallum seven years ago.

Provincial police from Hamilton, including Sergeant Oliver and Constables Spearman and Green were summoned to aid in the search, which was conducted by a posse of one hundred.

Following the break the fire alarm was rung to get men together, and these were directed by Provincial Constable Cookman and constable Hadfield. The area for 12 miles around Milton was combed on Sunday afternoon and night.

Myatt was described by police as being 5 feet, 4 inches in height, Canadian born, black hair, a low complexion. He is a sailor, has the word "Hazel" tattooed on his right leg, and other tattooing on his right arm.

T. M. Gourlay, inspector of prisons, who had an investigation on Monday, has partially completed his report to Provincial Secretary Harry S. Nixon on the escape in question. The key of the jail has been suspended, pending his superiors' final decision.

**CO-OPERATION NEEDED
IN WEED CONTROL**

Weed control is one of the most vital agricultural problems which we have; a problem in which every person who owns a square foot of land should be intensely interested. If weeds are neglected they will soon take possession. In every municipality we have places where people are careless and weeds have been neglected. Fortunately, the percentage of such is very low.

One neglected patch may pollute acres the following year. There is nothing so discouraging for a person who is making an effort to control weeds as to be living near someone who does not make an attempt to do so. The careful ratepayer demands protection and is entitled to it.

Every country in the world that has developed a worthwhile agricultural practice has weeds, and the majority have adopted legislation to control them. It has been found necessary to do likewise in this province. However, legislation in itself will not control a single weed. Any work done must be the result of united effort and immediate action are necessary in preventing weeds from going to seed. New weeds are continually appearing and must not be permitted to increase. If your municipality is clean this is a good time to keep it clean.

Weed inspectors have been appointed in every municipality in the province, and the 1935 war on weeds is under way. Every weed that is destroyed means thousands of weed seeds destroyed. Enlist now and help destroy the enemy. Co-operate by pulling, hoeing, spraying, cutting, spudding out, plowing and cultivating to destroy weeds and by persuading someone else to do likewise.

Weeds have no place in a progressive community, prevent them from going to seed. Do your share and help protect the most important industry in the province—agriculture.

The following is a list of weed inspectors in Halton county:

Essex township—Robert Starrat, Glen Williams.

Nassawaga township—Frank Rinehart, Campbellville, R. No. 1.

Nelson township—Chas. Rogers, Freeman, R.R. No. 1; Walter Readhead, Milton, R.R. No. 2.

BASEBALL

Oakville, by virtue of their smashing 19-5 triumph over the ailing Milton team, dislodged the latter from the top rung of the Lake Shore League at the Oakville Park last Saturday. Despite the sizzling heat there was a large crowd in attendance.

For Oakville fans it was the worst of games to rave about—score 13 to 5 the right way—22 hits all told, including three home runs—eight errors and plenty of the old thump and scurry.

The Milton team appear to be out of stride and are not clicking very well. They started off in a very lackadaisical manner, but after the second frame they fought valiantly in an attempt to overcome the almost unsurmountable lead, but their efforts proved unavailing.

The victory pulled the Oakville club into second place in the league standing, and Milton is resting very shakily in third place. The locals are in the cross of disastrom slump and have their supporters dumfounded.

The game was featured by some trenchant stickwork by Harvey Lyon, Oakville's stellar catcher, who lashed out two home runs in succession.

The outfielders of both teams did yeoman service and their clever fly-catching was outstanding. D. Wilson made remarkable catches, and Clement hard drive in the seventh. The force of the drive carried him off his feet, but he managed to cling to the ball and thus cut off a sure double.

Every Oakville player had one hit and one run or more, with Brown and Lyon being high up with three hits each, and generally speaking the sizzling game had a fine time with the willow at the expense of their luckless opponents.

Milton players had no difficulty in hitting D. Galbraith, Oakville's southpaw, but failed to get the ball in an unanticipated spot in the outfield. R. Brush was the only player to get two hits for Milton. In the seventh J. Brush and C. Anderson, both got clean singles and Ed Clement's lead both runners home with a mammoth home run over the center field fence, a homer in any ball park.

Unfortunately, Lewis was injured during the game, when, sliding to a base, he sprained his ankle very badly and will be lost to the team for the balance of the season. Toletzka loved over to the field and J. Brush swung to first. The latter came across with a hit and also installed plenty of pep and chatter in the game.

London started in the box for Milton, but two errors in the second frame proved very costly and K. Clement went in to finish the game.

Score by innings—R H E
Milton.....110 0 0 30 5 8 4
Oakville.....21 0 21 10 13 14 4
Batteries—Galbraith and Lyon;
London, K. Clements and Brush.
Umpire—Jackson, of Hamilton.

Saturday's games—Port Credit at Milton; Bronte at Oakville.

The Courts or the People

The Supreme Court ruling regarding the Ontario Temperance Act as it affects Peel, Huron and Perth should be sufficient for the government to close up the beverage rooms in these counties. If there is any appeal to the Privy Council to be made, let those who want intoxicating beverages sold there, and those who will bear the financial benefit, bear the cost and take the initiative. At any rate, they dry lands in the Province should not be put upon them without a vote and the Province should remain neutral and be governed by the decisions handed out, either by the people or the courts. In the meantime it would appear to be the only fair thing to do would be to close up the 34 beverage parlors now in operation there.—Action Free Press.

WORSE THAN A FINE

The most ingenious plan for checking reckless motor driving that we have heard of is the one which has been adopted by the highway police in Serbia. When a motorcycle cop orders a speeder to pull to the side of the road, instead of handing him a ticket, he orders him to get out of the car and let the air out of all his tires. This is said to have a much more powerful effect upon the offending driver than a summons. He either has to pump up his tires before going on, or Mrs. somebody to do it for him, perhaps after walking a few miles before he can find a mechanic to do the job. After one experience of this sort, it is reported, Serbian motorists pay a great deal more attention to the traffic regulations. A anyone who has partly pumped up one tire by the roadside on a hot day will appreciate the fitness of the penalty.

Sane Liquor Control

We must take off our hats to Sweden in the administration of their liquor system. Most students of the problem agree that this country has the most practical method of control in operation in any country in the world. One provision in force compels the purchaser of liquor to exhibit a receipt for the payment of his taxes before he can make a purchase and he can then purchase only a limited amount.

WEDDING

RITCHIE-ANDREWS
A quiet but pretty wedding took place in Grace Anglican Church, Milton on Wednesday, June 27th, when Ethel Gertrude Andrews, R.N. daughter of the late Mr. and Mrs. Joseph W. Andrews, became the bride of Herbert L. Ritchie, son of the late Mr. and Mrs. George Ritchie, of Acton. Rev. L.J.R. Nafel officiated. The church was attractively decorated with white and pink peonies and orange blossoms. The bride wore an attractive gown of white tulle with large lace accessories and wore a corsage of Sweetheart roses. She was attended by Miss Isabel Andrews, in a yellow ensemble with white accessories, as bridesmaid, and Miss Hazel Andrews, in matching ensemble and accessories, as maid of honor. The groom was supported by Mr. Henry Andrews as best man. They will take up residence in Acton.

The witnessing of a serious motor accident usually has a rather lasting effect and impresses the need for care, and even then some accidents seem unavoidable.

FOR SALE.—Holstein cow (fresh) and calf. Lost.—Collie dog. Apply Wm. McPadden, phone 288-r-22, Milton.

FOR SALE.—Good market for good fat hens. Special prices. If you have any for sale phone 88W Milton, or write H. Balsky, 197 St. John's Road, Toronto.

GEORGE CURRIE
Reeve of Esquimaux Township and Halton's Conservative Candidate in the coming Federal Elections.

Milton's Great Pitching Ace Honored.

Yesterday evening a number of prominent citizens gathered at the home of Mr. Bert Marsh in order to bid farewell to "Barney" March, Milton's popular and Province-wide known athlete and great pitching ace of the Milton baseball team. His Honor Judge Munro acted as chairman of the gathering. Archie MacNab presented Barney with a fine Gladstone bag and Crown Attorney Dick presented Barney's mother with a beautiful bouquet of roses. Barney, although taken by surprise, replied in a very fitting manner. Short addresses were delivered by Judge Munro, Mayor Elliott, Reeve Irving, Crown Attorney Dick, K. C. Inspector Denyer, Jack Blain, Frank Thompson, Peter Poddie, Robt. Philip and Fred Little, in which the athletic ability, sportmanship and courteous and satisfactory workmanship of Barney was prominently mentioned. The feeling of the town is that we are losing a good citizen and a good sportsman, but our regret at losing him is tempered by the knowledge that he is going to take up a better position at Timmins. Milton is losing a fine young man and the portu county is gaining a citizen of whom it will be proud. The best wishes of everybody travels north with Barney.

SCOUT NEWS!

Douglas Paterson and W. J. Norrington have received their King Scout's badge, the first two to ever hold this badge in Milton. To be able to wear this badge you must first be a first class scout and then pass at least four of the required proficiency badges. Out of 12,500 scouts in Ontario, there are only 128 King Scouts, so this will give you a little idea of how hard this badge is to attain.

The troop is now busy preparing for the forthcoming jamboree in Aug. Mr. Williams' troop, the 71st Toronto troop, will be one of the troops present and they are very anxious to trim the Milton troop.

MARRIED

Ritchie-Andrews—At Grace Anglican Church, Milton, on Wednesday, June 27th, 1935, by Rev. L. J. R. Nafel, Ethel Gertrude Andrews, daughter of the late Mr. and Mrs. Joseph W. Andrews, to Herbert L. Ritchie, son of the late Mr. and Mrs. George Ritchie, of Acton.

DIED

McFarlane—On July 9, 1935, Annabel, third daughter of the late William and Rebecca McFarlane, of Norval, in her 85th year, died at her home, 21st St. and Elm St., Milton.

IN MEMORIAM

Taylor—In loving memory of Ethel Mary Taylor, who died July 12th, 1934, and Edith Emily Taylor, who died June 21st, 1935.

Toil's ending, sorrow's ceasing.

Pain's release,
Rest, solace, peace!
And a promise's seal!
Always remembered by
father, sisters and brother.

CONDENSED ADVERTISEMENTS

A Nice, New Dollar, a Court and a Boy

Innocence in a court room. To save his embarrassment, we won't mention his name. The boy got up in the court room and gave evidence. After the case was over Crown Attorney Dick called the boy over to the table and asked him to sign his name.

A look of intense surprise came over the lad's face when the Crown Attorney presented him with a dollar bill and some silver coins.—Witness fees.

"Eat all the ice cream you want," said the C. A., as the boy, still looking intensely surprised, left the courtroom.—Oakville Record.

Production of electric refrigerators in Canada during 1934 numbered 39,175 units compared with 10,699 in 1933.

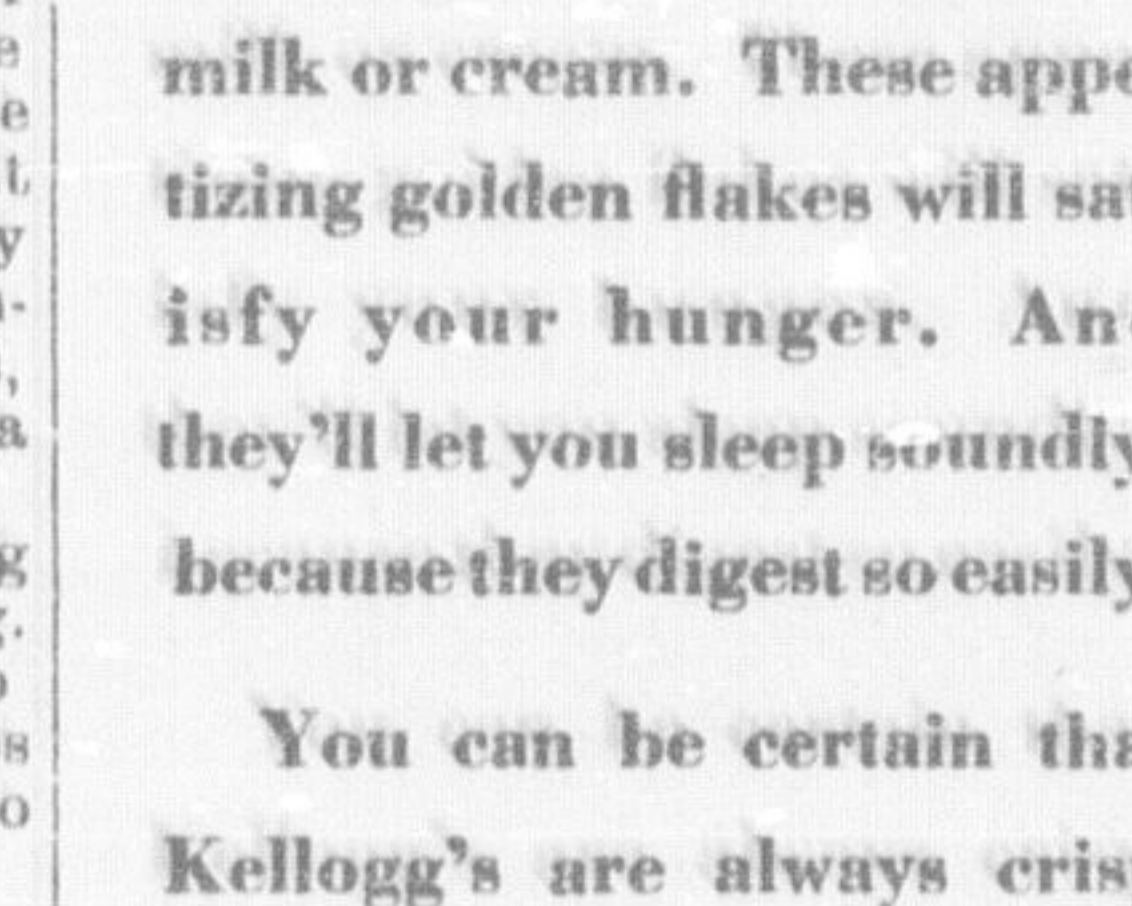

Now it is the heat that mankind in this neighborhood is grumbling about. Truly, "man never is, but always to be, blest."

**A night-cap
for sound sleep!**

WHEN that hungry feeling comes, late in the evening, serve yourself a big bowl of Kellogg's Corn Flakes in milk or cream. These appetizing golden flakes will satisfy your hunger. And they'll let you sleep soundly, because they digest so easily.

You can be certain that Kellogg's are always crisp and oven-fresh because they're heat-sealed in the patented WANTITE bag. At grocers everywhere. Quality guaranteed. Made by Kellogg in London, Ontario.

W.M.S. HELD RALLY AT WESLEY UNITED CHURCH

The sixth eastern sectional rally of the Halton Presbyterial of the Women's Missionary Society was held at Wesley United Church, Snider's, Trafalgar, on Wednesday, June 20th, with Mrs. Earl Wilson, of Ashgrove, Brantville, president of the Presbyterial, presiding throughout the sessions. There was an attendance of ninety-five. Mrs. Roy Fish, president of the Wesley auxiliary, welcomed the delegates, and Mrs. D. Frank Ford, of Bethel, replied.

All active societies in this section presented reports, numbering ten auxiliaries, one evangelist, small circle, seven mission bands and seven baby bands. Reports on the year's work were received from Christian Stewardship, Missionary Monthly, Strangers' Mission and Baby Band Presbyterial secretaries. Mrs. F. W. Shortbill, of Ballinafad, Mrs. A. E. Pickard, of Bronte, and Mrs. Speight, of Georgetown, new department secretaries, were introduced by the retiring secretaries. A letter of sympathy was requested to be sent to Miss H. Little, of Guelph, first vice-president of Halton conference branch, who had recently been bereaved, and a letter of appreciation of her work to Mrs. G. I. Stephenson, of Limehouse, Presbyterial Baby Band secretary, who is ill.

The great songbook, Miss Evelyn Mitchell, travelling secretary of the Dominion Board, held the close attention of her audience, as she related stories of the sacrifices and the people gleaned from her visits to the needy centres and isolated sections of the provinces of the Dominion; the gratefulness of these people for the help rendered through the efforts of the W.M.S. and the hope that this work may continue. Miss Mitchell also spoke at the quiet half hour at the morning session.

A delightful round table conference was conducted by Mrs. George Attkin, of Ballinafad, past president of the Presbyterial. Mrs. Speight gave a talk on the service of India for mission bands, illustrated with small models, and Mrs. J. W. Barbours, of Acton, reported the branch meeting at Hamilton in March. Others contributing to the programme were Mrs. O. L. Poole, Mrs. H. S. Lovering and Miss Speight in vocal solos and Mrs. E. F. Wilson with a piano solo.

The courtesy committee recommended that thanks be extended to all those who had contributed to the success of the rally and the Wesley ladies for their hospitality. Appreciation of the services of two valued members, Mrs. (Rev.) G. Attkin and Mrs. C. L. Poole, former M. E. secretary, who are removing to other Presbyterials, was expressed in addresses read by Mrs. Herbert Ingelhart, of Palermo. They were also presented with flowers. Both ladies spoke of the joy they had experienced in working with the members of Halton Presbyterial. The closing message was given by the present pastor, Ingelhart. The morning session was closed with prayer by the minister of the rally church, Rev. H. S. Lovering, and the afternoon session with prayer by Mrs. Wilkinson, of Acton auxiliary.

A very pleasant evening was spent at the home of Mr. and Mrs. G. E. Brownridge, of Acton, where members and friends met to do honor to Miss Gunby, their teacher, who was leaving their midst after a teaching term of four years. A large gathering such as this gives its loyal support to a teacher, such as Miss Gunby, who has tried to instill into the minds of the pupils truth, honesty and justice.

A very fine presentation, consisting of solos by Miss Osborn and Mrs. Clarence Ford, orchestra numbers by Miss M. Pettie, piano and violin duets by Mrs. G. Attkin and Miss G. Attkin were given. The Rev. Mr. Cameron, who we were very pleased to have with us, acted as chairman. Mr. Wm. McCartney, in a few well chosen words, spoke of the high esteem in which Miss Gunby was held in this community. Miss Velma Campbell, who has passed her entrance on her year's work, read the address and Miss Margaret Patsy presented Miss Gunby with a silver tea service and tray, a summer purse and a pair of white gloves. Miss Gunby replied in her usual calm and dignified manner.

Mr. Beatty, secretary-treasurer, at the opportune time, extended to Miss Gunby the appreciation of this gathering of her work done among them. He said that the attendance results and the inspector's reports showed that she had had successful teaching results. Miss Gunby's many friends wished her best success in her future work.

A bountiful lunch was served bringing an enjoyable evening to a close.

OMAGY TEACHER GIVEN PRESENTATION

Prize Winners in Scientific Temperance Contest

Following is the list of prize winners in the Scientific Temperance Contest conducted by the Women's Christian Temperance Union for Halton County public schools. The prizes were presented at the evening session of the County Convention held in the United Church, Georgetown, June 19th.

Teachers' Essay—Miss Elsie M. Neill, Glen Williams.

Boys' Essays:—
Sr. II.—Eltzer Lauby, Acton; Jacqueline Fleetman, Burlington.
Sr. III.—Margaret Hoare, Georgetown; Gordon McCleichen, Acton; Ruth Hutchinson, Milton.

Sr. III.—Polly Perty, Acton; Isabel Dobson, Georgetown.
Sr. III.—Dora Wood, Acton; Lillian Johnson, Limehouse.

Prizes:—
Sr. IV.—Harold Wheeler, Milton; Helen Devereaux, Limehouse; Chas. Robbins, Burlington.
Sr. IV.—Elizabeth King, Burlington; Ruth Hutchinson, Milton; Jim Radcliff, Georgetown.
Sr. III.—Patricia Gazley, Milton; George Michie, S. S. No. 3, Georgetown; King, Burlington.
Sr. III.—Alice Gibbons, Acton; Bernice Vanfleter, S.S. No. 3, Georgetown.

CHASE MENTAL FATIGUE
Steady those Nerves!
A correspondent of a western paper inquires as to the origin of the phrase, "He isn't in it." The editor replied that it was first used by an editor, who died and went to heaven and looked for the man who took his paper and then refused to pay for it.
Two hundred teachers seeking employment in Toronto public schools were interviewed on a recent week-end by inspectors.
About 85 were girls. In the last couple of years, possibly due to the difficulty of getting employment in other lines, there has been a notable increase of men in the teaching profession. Most of the teachers who were interviewed had had outside experience.
"Personality is the primary thing," said Dr. C. C. Goldring, superintendent of schools, when asked whether personality or academic qualifications counted most in estimating a teacher.
As a move toward eliminating the mosquito nuisance in Wasaga Beach vicinity, Sunnisdale township council is planning to drain swamps in the area. This will be good news for the Miltonians who camp there every summer.
Are all the big business opportunities in the cities? Many of us are so busy gazing towards distant green fields that we overlook the opportunity right at our feet.
"For some time we have been watching the aggressive advertising of a country car dealer, named Roy Nichols, in Bowmanville Statesman. Mr. Nichols' sales place is right out in the open country, at a corner named Courtice, five miles west of Bowmanville on No. 2 Highway. Mr. Nichols is far from the larger centres of population and yet he manages to do business.
He had big year in 1934 and is starting out this season to set up a new record. So far in 1935 he has sold 180 new cars and trucks and 254 used cars. Roy is certainly making his corner hum. His place is recognized as the busiest auto sales depot and garage business in Toronto and Montreal.—St. Marys Journal-Argus.
