MILTON, July 18, 1935.

TAX RATE INCREASED.

On Tuesday evening the town council struck the 1935 tax rate at 42 mills. This is an increase of 2 mills over the 1934 rate.

A light shower about an hour before the town meeting, making the diamond the best of the season.

The Port Credit outfit, who have probably the largest territory to choose players from in Ontario, were pushed off the top of the league by a bunch of "home-brewed" youngsters who forgot the large array of senior ball players on their opponent's line-up, forgot their string of unbroken victories, forgot the league defeat handed them a week or so ago and stepped right into the St. Lawrence Starch and Lloyd Oil Refineries hazing as they had another ball club and succeeded where other teams had failed. Milton earned the decision with a display that shaded that of the visitors, although both clubs staged an impressive performance.

Rows started well on the mound for the visitors, just six men facing him in the first and second innings. In the third the locals started a rally that netted them four runs. A walk, three hits and a balk and Milton pushed over three runs. That was enough for "Dusty" and Mr. Yarnell took over the pitching duties. He allowed one hit and one run before he retired the side and held the winners unless for the rest of the game, struck out six, allowing three hits all told.

It is rather difficult to pick the stars on either team, for every player played heads up baseball. Jack Anderson and Boyne Clement, who know every weed in the left and right outer-garden and by their first names, covered "calle" of territory and several times gathered in drives that were labeled hits. The revamped local infield had two errors, but they were so widely separated that they did no damage. A large share of the victory is due them by their scintillating performance. Can, Anderson and J. Brush being worthy of special mention.

Too much credit cannot be given the Milton battery of London and A. Clement. Johnnie flung the best game of his career and gained confidence as the game progressed to hold the visitors helpless most of the route. He held the losers to four hits, a double and three singles, struck out five and walked five. Back catching his first game this season turned in a superb effort and is entitled to the gamecock's medal.

Heuson, Campbell and Pavalon took the best shield for Port Credit.

CAMPBELLVILLE

About one hundred and fifty mothers and daughters attended the 30th birthday celebration of Grace Mission Band on Monday, July 8th. There was a fine programme. Mrs. W. P. Gumbler, of Guelph, gave a very inspiring address, also Miss Higginbotham, Guelph Presbyterian Mission Band Secretary, brought kindly greetings and spoke words of encouragement. Members of the Band provided music. Near the close of the programme a surprise was in store for Mrs. Menzies, who has been leader of the Band since it was organized, when she was called to the platform while Verle Vansickle read a nice address and little Lorna Sharpe presented her with a beautiful silver basket filled with thirty roses, the gift of the M. B. W. M. S. and friends. Although thought completely by surprise Mrs. Menzies graciously thanked all for this kindness, and extended her best wishes to the Band and their new leader, Mrs. Lawrence Sharpe. Refreshments were served and a happy hour spent by all.

In the absence of the minister Rev. C. G. Jones, who is with the children of the Glenwald Camp, the pulpit of St. David's Church was occupied by one of the Temperance representatives last Sunday. A ladies' choir had charge of the music which was much appreciated. The ladies have charge for July, and there will be a men's choir in August.

Much sympathy is felt for the family of the late Wm. Blackstock, who died on Friday evening after only two days' illness, at his home at Brookville. The funeral service held on Monday afternoon was one of the most largely attended in these parts. He leaves to mourn his loss his wife, two sons, Earl and Ray, three daughters, Mrs. Roy Currie, Alta and Reta. The many friends of F. A. Whelan and his family are pleased to see him home again after being almost eight months in St. Joseph's Hospital, Hamilton.

DRUMQUIN

The recent rains have surely created a great growth, not to say anything about the hay that has been raised. The prospects look like a bumper grain harvest, with the exception of fall wheat.

Many from about here took in the sights of the big parade in Oakville on the 15th.

The union social of the three United Churches of Hornby Circuit, which was to be held Monday evening on the parsonage lawn, has been postponed until next Monday evening on account of the unsettled weather.

The raspberry crop looks very promising. There has been a big harvest of these berries marketed from about here this year.

Mr. and Mrs. Salter have returned home after spending a week among friends in Kincardine.

Congratulations to Missie Fuller and Eussell Biggar, who have passed their entrance examinations, the former obtaining honours.

LOWVILLE.

Misses Mary Gundy and Florence Collier are attending the Summer School at Eyreton Beach.

Mr. and Mrs. Emery Tarzwell and Mrs. Tarzwell, Sr., spent the week-end with friends in Buffalo.

The Mission Band birthday party was held at the parsonage on Thursday afternoon, when an enjoyable time was spent by all. Mrs. Charles Peer was the guest speaker.

Miss Hester Readhead is taking a musical course at the summer school in Toronto.

Rev. Mr. Hill, of Guelph, is the new rector of St. George's Church.

HOW TO TREAT POISON IVY

Various treatments for ivy poisoning are given in the free pamphlet on poison ivy issued by the Dominion Department of Agriculture. The treatment most widely recommended at the present time is to wash the affected parts with a three per cent. solution of potassium permanganate, the stain left by this solution soon disappears or may be removed slowly by soap and water. Iodine tincture will also be found useful. Once the blisters have appeared all rubbing should be avoided, and care taken to prevent infection spreading by painting iodine around the edges of the sores, and by using compressed soaks in a two per cent. solution of aluminum acetate, alcoholic solution of sugar of lead (50 to 60 per cent. rubbing alcohol) or any other cooling substance, baking soda, boracic acid, solution, etc. In persistent cases the treatment may be varied by the use of ointments which may be removed again by sponging with hot soapy water. Avoid dusting dry baking or boracic acid powder on oozing sores, as the latter will be sealed over by a hard crust, thus aggravating conditions with frequent exposure to the air relieves them.

Picnics and holiday time seem to be the order of the diversions of these days.

BASEBALL

Fielding sensationally behind the effective pitching of London, Milton took the decision in a Lake Shore League game at the agricultural grounds here last Saturday, when they handed the fast travelling Port Credit squad a 4 to 1 defeat in a brilliant exhibition of ball by both teams.

A light shower about an hour before the game was called laid the dust at the park, making the diamond the best of the season.

The Port Credit outfit, who have probably the largest territory to choose players from in Ontario, were pushed off the top of the league by a bunch of "home-brewed" youngsters who forgot the large array of senior ball players on their opponent's line-up, forgot their string of unbroken victories, forgot the league defeat handed them a week or so ago and stepped right into the St. Lawrence Starch and Lloyd Oil Refineries hazing as they had another ball club and succeeded where other teams had failed. MILTON REMAINED IN THE RACE FOR A PLAY-OFF BERTH IN THE HALTON COUNTY JUNIOR LEAGUE BY DEFEATING ACTON, 4 TO 1, IN A GAME PLAYED AT THE PARK, HERE, YESTERDAY EVENING.

Edzard, for the winners, struck out 13, allowed but four hits, while his teammates gave him splendid support in the field. Edzard's three innings in action, with Ryder, diminutive south paw, being the star. He struck out five in two innings and allowed one hit. Patterson and Edzard had two hits for the winner.

(Burlington Gazette)

The local baseball team got back to their winning ways again on Saturday and advanced their position in the Halton-Wentworth league, when they defeated Kilbride 4 to 1, behind the masterful pitching of Ossie Robinson and some sparkling play in the field. Robinson allowed Kilbride only four hits and struck out seven of the opposition hitters and assisted in retiring two others. "Joe" was given brilliant support by the rest of the team, except for the eighth innings, and was never in any trouble. In this frame two hits, and the only miscue the locals made, robbed the hurler of a shut-out. The Burlington boys collected ten runs from the offerings of McNiven, with Manager Rex Hume polling out a double for the local's cause. The visitor's outfield gave a splendid performance of fly catching, with the local's outer-gardeners giving them a close run for the honors. Manager Rex Hume went to first base for the locals and showed his boys just how to get runs, as he collected two hits and as many runs. Not to be out-done by his boss, Ted Eaton collected three hits and scored two runs.

This was the final home game of the schedule, while there is one more away game at Kilbride this Saturday. Should the homesters win they will meet Waterdown for the title, but if they lose they will have to meet Campbellville in replay game on June 22nd, which the locals won. Campbellville protested Umpire Thraher's ruling on one of the ground rules. If Kilbride wins this Saturday and Campbellville shows up with a replay, Burlington and Kilbride will be tied for second place and will have to play-off to see who will meet Waterdown.

Honor Memory of George Hillmer

In memory of George Hillmer, former M. P. for Halton, Mayor of Oakville, and at the time of his death, County Registrar, a memorial window was unveiled in St. John's Anglican church in Oakville recently by the Right Rev. L. W. B. Broughall, of Hamilton, Bishop of Niagara. Bearing the text, "Love the Brotherhood," the window represents the Good Samaritan, but has been erected by Mr. Hillmer's family and is placed beside a similar window in memory of his wife, Pauline. For years a lay delegate to the Diocese and holder of numerous church offices, Mr. Hillmer was fittingly remembered by a large attendance at the unveiling ceremony.

ASHGROVE SCHOOL REUNION

(Georgetown Herald)

One of the largest and most enjoyable gatherings ever held in this district assembled at the Ashgrove school grounds to celebrate the 65th jubilee of the present and up-to-date school building, which compares favorably with the modern present day schools despite its sixty-five years of service, and also to meet each other again and enjoy a day together in the happy surroundings of their school days.

The sports committee, in charge of the program, carried out a varied program of races for which prizes were donated; also a splendid game of baseball which was won by W. Alexander's team by a slight margin.

Letters conveying kindly words of greeting were read from those from a distance who were unable to attend. A general supper was served by the ladies which was thoroughly enjoyed by all; after which a splendid program was carried out, consisting of several numbers of two part choruses by the ladies of the United Church, which was a treat indeed. Solos by Ruth Giffen, Marjory Dawson and Barbara Nixon, also instrumental violin and piano selections were enjoyed during the evening.

A prize for the oldest pupil present was presented to Mr. Arch. Howson of Arthur, aged 80, by the chairman, Mr. Henry Wilson.

The success of the reunion is due largely to the splendid work of Fred Wrigglesworth, president; Mr. Geo. Kennedy, secretary, and their committee.

Among those present from a distance we noted were: Mr. and Mrs. Gordon Graham, Thorold; Mr. and Mrs. G. M. Thompson, Hamilton; Mr. and Mrs. Peter Dick, Union; Mr. and Mrs. Walter Wrigglesworth, Rockwood; Mr. Clarence Thompson, Miss Lois Thompson, and Miss Catherine Hinton, Toronto.

The happy day ended by the singing of God save the King.

CATTLE OWNERS FAVOUR T. B. AREA

During the past few weeks, the proposal that Halton become a part of a T. B. Free Area has been a subject of considerable discussion amongst the cattle owners of the County. Under the auspices of The Live Stock Improvement Association, meetings have been held in all parts of the County to explain the plan, which is offered by the Federal Health Department. In order to ascertain the wishes of Halton cattle owners, petitions have been circulated and many of these which have been handed in over the necessary two-thirds will be secured. Similar results are being secured in other Counties, where cattle owners are also considering the Restricted Area Plan. We are glad to see a newspaper report from Northumberland County, that well over 90% and in some cases 100% of the cattle owners have signed the petitions. This speaks well for the plan, in view of the fact that Northumberland County adjoins Prince Edward, which has been a Restricted Area since 1927. Prince Edward cattle owners are well satisfied with the results and hence their neighbors in Northumberland are anxious to have the same privilege.

The census in Halton will, it is expected, be completed during the current week. The officers of the Live Stock Improvement Association, are most anxious that there be no misunderstanding on the part of any cattle owner. In order that there be no confusion the following facts are presented.

1. If the Federal Department approves of the petition of the cattle owners in the Area, all cattle will be tested and reactors will be shipped to an abattoir and slaughtered.

2. Compensation will be paid on all reactors with the exception of grade bulls and lumpy jaw cattle. This applies not only on the first test but also on all subsequent tests.

3. Compensation is based on two-thirds of the value made by the Federal Veterinary Inspector. The maximum valuation on grades is \$60 and \$150 on pure-breds.

4. In addition to the compensation paid by the Federal Department, the owner of the reacting cattle receives their beef value.

5. Once the area is established all cattle which come into the area except for slaughter must be tested. No compensation will be paid on cattle purchased outside an area which react to the test. This applies to feeder cattle which may be purchased at the stock yards.

6. There is no charge made at any time in connection with the actual testing by officials of the Federal Health of Animals Branch.

Any cattle owner who is in doubt on any point, would be well advised to go to "touch touch," his Township chairman or the Agricultural Representative at Milton. We, also, understand that any cattle owner who signs the petition under a false impression will be given the privilege of having his name removed from the list.

OBITUARY.

WILLIAM BLACKLOCK
Death on Friday night removed one of the best known farmers in Nassagaweya township in the person of William Blacklock, who suffered a heart attack. Deceased, who was 60 years of age, was a son of the late Mr. and Mrs. J. C. Blacklock, pioneers settlers of Nassagaweya township. Mr. Blacklock was an Anglican and an active member of St. John's Church, Nassagaweya. He was a staunch Conservative, a past master of Campbell lodge, A.F. & A.M., Campbellville; a past master of Campbellville L.O.J., a director of the Halton Agricultural Society. Surviving are his widow, two sons, Earl J. and Rae, at home, and three daughters, Mrs. Roy Currie, Milton, and Misses Rena and Reta at home. The funeral, which was largely attended, took place on Monday afternoon, deceased being buried in St. John's Church Cemetery, Nassagaweya.

The funeral service was conducted by Rev. C. G. Jones, of Campbellville. The floral tributes were many and beautiful.

ST. PAUL'S CHURCH W. M. S.

The July meeting of the Scotch Block W. M. S. was held at the home of Mrs. J. Wallace on Thursday afternoon of last week. Although the day was very hot, we had a good attendance of members and friends. The meeting opened with the Institute ode, followed by the Lord's Prayer. The usual business was transacted and the reports of the different convenors were heard, which were all very satisfactory. Misses Helen McMillan and Peggy Marsh gave a splendid report of the Girls' Conference held at Guelph, and Miss Eva Chisholm, district director, brought home a very full account of the District Annual, which showed all branches doing splendid work. The report of the musical festival given by Mrs. S. Brown and current events by Mrs. Milton. The ladies were then favored with a solo by Robert Clarke and a recitation by John Brown, which we all enjoyed very much. The meeting then adjourned by singing God Save the King.

The July meeting of the W. M. S. of St. Paul's United Church was held at the home of Mrs. Robert Anderson. There were twenty-seven ladies present: Mrs. Lamb, the president, was in the chair. Meeting opened with silent prayer as a memorial to the late Mrs. Hadley, who so recently passed on to the Home Land, followed by prayer by the president, "Oh Master Let Me Walk With Me," was then sung, and the devotional leaflet, "Joyous Friends," was read by Miss Cartwright followed by prayer by Miss White.

The roll call was responded to by the text word, "Joy." One verse of the hymn, "Come Let Us Sing of a Wonderful Love," was sung.

The secretary and Treasurer's reports were given. Mrs. Frank Hadley and Mrs. Irwin sang a duet, "It is Well With My Soul."

The business of the meeting was discussed and secretaries' reports received. The offering was received and dedicated by Mrs. Hare. Mrs. Galoway sang "My Task."

The study, "Missions in Trinidad," was then taken up by the following ladies: Mrs. Lamb, Beginning of the Work; Mrs. McCready, Mission Schools; Mrs. Jackson, Higher Education; Mrs. Irwin, Vocational Work; Mrs. A. L. MacNabb, Evangelistic Work; Miss A. Turner, Woman's Missionary Society in Trinidad. Mrs. Lamb read a little poem, "A Poet Says of Trinidad," which brought the study to a close and was very appropriate.

The president thanked the leaders, Mrs. Robert Anderson and Miss Cartwright for their helpful programs and Mrs. Anderson for her kindness in entertaining the society. Meeting closed with the hymn, "In Christ there is no East or West." A social half hour followed, when a dainty lunch was served.

ST. PAUL'S CHURCH SUNDAY SCHOOL HELD ANNUAL PICNIC AT GALT

On Wednesday afternoon of last week St. Paul's Church Sunday school held their annual picnic at Super Park, Galt, one of the finest and well kept parks in this part of Ontario. A large number turned out to enjoy the day and owing to the Knox Church Sunday school holding their picnic at Peel Park, Streetville, on the same day, transportation was slightly hard to get, although those who were in charge managed to get everyone away. Shortly after all had arrived a softball game was played among the men, while the children enjoyed themselves in the water. At six o'clock a very appreciative supper was served by the ladies of the church. Following the supper, the sport events took place and are as follows:

Races: Primary class, 0 to 3 yrs. — June Roffey, Donna June Hutchinson, Girls, 12 and under—Mabel Walker, Catherine MacNabb, Boys, 12 and under—Harold Clements, Jack Cox, Girls, 15 and under—Lillian Turner, Margaret Turner, Boys, 15 and under—Earl Dolby, Donald MacNabb, Girls' open—Margaret Turner, Lillian Turner, Boys' open—Alex. He Didn't Need A Drink At All

Orangeville, July 16.—Because he was unable to purchase liquor of any description here to day, an American tourist, enroute to Muskoka, took time to poke fun at some citizens in front of a hotel. "You should call this Camelville, build a high board fence around it; skirts should be worn by men, and the main street ought to have a water fountain at every corner," were among his witticisms.
