SCOUT NEWS!

Boy Scouting Overcoming Flat Feet and Weak Eyes

New York, July 16. — (AP). — Boy Scouting is overcoming the flat-foot menace in England, Lord Baden-Powell, Chief Scout of the World and founder of the movement, said today.

Lord Baden-Powell said that to-day in England 80 per cent of the boys have flat feet because they ride instead of walk when they want to go anywhere. About the same percentage of English youths can't see more than 50 yards because their eyes are not properly exercised, he added. Scouting is overcoming these faults, he said.

A group of scouts, cubs and officers will be going to camp next Wednesday morning at Rockwood. Anyone desiring to visit the camp are cordially invited. Signs will be put up to direct visitors to the camp.

Word has been received from the Hamilton district scouts that they are sending a number of scouts to the Ontario Boy Scout Jamboree to be held in Milton on Aug. 23rd, 24th and 25th. Sam Smilie, troop leader of A Section, has received his King's Scout badge, bringing the total to three King Scouts in the troop.

With the President of the U.F.O. declaring in favor of the Stevens party and Miss Agnes McPhail stating she will not enter any alliance with any of the parties, the position of the farmer factor becomes more entangled. Perhaps the farmer voter will do as usual—vote as he pleases.

# Hamilton Jockey Club

There is every reason to believe that the coming Hamilton meeting, which opens this Saturday, will again provide racegoers with some of the best sport seen on the Canadian tracks this season. Over four hundred horses have already arrived on the grounds, and there is no doubt that every stall will be occupied by opening day. The racing at the Hamilton meeting which only closed a few weeks ago was well above average and should the same high standard prevail during the pending seven days, and there is every indication such will be the case, racegoers will be treated to many thrilling contests.

Racing Secretary, John P. Turner, will arrive in Hamilton this coming Thursday and be on hand Friday morning to take Saturday's entries. The opening day feature will be the King O'Comee handicap, for three-year-olds and upward foaled in Canada, at one mile and a sixteenth. The prize money is \$1,000. No doubt Senator Raymond's crack Canadian-bred colt will resume his campaign in this event after having been rested up at Hamilton for three weeks. In all probability he will be asked to match stakes with Shady Well, Spey Crest, Trick's Son, Papalico, Worthy Duke, Listaro, Epicurus, Sally Fuller, Gay Sympathy, Sweepstaff, Chickpen, Easter Hatter, and several others, which should make a real keen horse race. Of secondary importance on the opening day, card is a race for two-year-olds at five and a half furlongs, purse \$500. The youngsters quartered at the track and as there has not yet been of the two-year-old brigade show any marked supremacy, this race should prove a wide open affair.
