GOING TO HOSPITAL A HABIT.—Ex-Premier George S. Henry complains that it is becoming a habit to rush people to hospital needlessly and we have an idea that as they check over their accounts for indigent patients, relief boards will be inclined to agree that the Opposition leader is not far wrong.—Peterboro Examiner.

A very pleasing event took place on Saturday afternoon at Mrs. Thos. McKerr's, when the girls of the Supper Club, under the leadership of Miss Eva Gillett, presented a banquet to their mothers. The tables were tastefully decorated in Easter colors and the menu most appetizing and correctly served by the youthful hostesses. The girls and their capable leader were complimented on the success they have achieved, by the after-dinner speeches. These projects are truly a wonderful opportunity in domestic training to the rural girls and are made possible through the co-operation of the Women's Institute and Dept. of Agriculture.

SERGEANT-MAJOR MACKENZIE LEAVES MILTON.—On Monday last, Sergeant-Major Mackenzie, with his family, left town to take over the duties of instructor at the Niagara Riding and Driving Club at Niagara Falls, Ont.

"Mac," who was very popular in Milton, will be greatly missed by a large circle of friends, as will also his wife and family. "Mac" was much interested in the athletic association, was a good golfer and was a real soldier. He was a member of the Halton Long Rifles (Scottish), and has a war record to be proud of, having many decorations including the Belgian Croix de Guerre, which he received at the same time as King Edward VIII, then Prince of Wales, received his. This CHAMPION wishes "Mac" and his family every success and congratulates the Niagara Riding and Driving Club on securing the services of such a fine instructor as Sergeant-Major Mackenzie.

**"BEST CHICKS EVER RECEIVED from ONTARIO"**

LAST MONTH, we shipped 700 Leghorn day-old chicks to a customer at Chateauguay Basin, Que. On March 2nd, he wrote as follows:

"I received the shipment of 700 Leghorn baby chicks on March 20th and wish to state they are the best looking lot of chicks I have ever received from any shipper in Ontario."

A week ago we told you of a customer who said Bray Chicks are "better birds than you advertise." Here we have another customer saying, "Best chicks ever received from Ontario." Isn't that the kind of chicks you want in your own brooder house, this year?

Get a copy of our 1938 catalogue, and you will see there a full description of the things we do to MAKE Bray chicks "better than you advertise"—our method of selecting breeding stock, selecting hatching eggs, blood-testing, etc. And you will find Bray chicks very reasonably priced, considering their quality. We believe it will pay you to investigate.
