

The Canadian Champion DEATH OF DR. H. A. McCOLL

MILTON, MAY 21, 1936
 Drink as a Traffic Menace
 (Toronto Daily Star)
 Having taken "a few beers," a young man helped himself to his employer's car. He drove it into two street poles, snapping one of them. He drove it into a used car lot, damaging three cars there. And he wrecked it to the extent of \$200. The few beers cost him \$100 and costs and 60 days when he appeared in a Toronto magistrate's court on Friday.

The same day, in county police court, a man "not in the habit of smelling liquor" was fined \$10 and costs and lost his license for thirty days for driving over a curb and through a private parking lot at twenty or thirty miles an hour.
 Almost every day these drink-and-drive cases are coming before the courts. Some of the drivers are intoxicated drivers have "a safe way to take a drink." But a man does not have to be drunk in order to deteriorate as a driver. Even a little liquor will stimulate his ideas, so that he can safely take; at the same time it reduces his ability to take them with impunity. Sometimes he suffers himself; sometimes others suffer; sometimes the police nab him before an accident occurs and he then does his suffering before a magistrate.
 But in any event, with the season of maximum drinking at hand, the time has come to emphasize once more the folly of taking a drink before a drive or to put it another way, taking a drive after a drink. The safe way to take a drive after a drink is to call a taxi.

HEAVY MORTALITY IN LIVE STOCK

While the extreme sudden drop in temperature brought relief to farmers, some of whose horses have collapsed and died while doing heavy seedling work, still another worry confronts agriculturalists in that the losing whole litters of pigs, according to J. E. Whitecock, agricultural representative for Halton county.
 "The mortality in spring litters has been very heavy in Halton due to congestion of the lungs or septicaemia this year," stated Mr. Whitecock. "A large number of Halton farmers have lost whole litters amounting to ten to 15 pigs each as a result of the exceedingly long winter and a comparative lack of sunshine. Even under ordinary conditions it is very difficult to raise the late fall, winter and early spring litters, and I have always been of the firm opinion that litters should be treated with a serum to save them from the sickness."
 "Crop conditions throughout the county are ideal and pastures and meadows are further advanced, considering the time of year, than I have ever before seen them," Mr. Whitecock reported.
 Tests for bovine tuberculosis which have been conducted through Halton and Peel counties during the past few months, Mr. Whitecock stated, show that 15 per cent of the cattle in Halton reacted while nearly 15 per cent of the cattle in Peel were found defective.

JUDGE ELLIOT LAID TO REST

Following a private service at the home of the late Judge J. W. Elliot, who passed away on Wednesday of last week, the funeral service was held in St. Paul's United Church on Friday afternoon and was largely attended, many prominent men from a distance being present. The service was conducted by Rev. A. B. Irwin, pastor, assisted by Rev. Dr. Robert Haddow, of Weston; Rev. W. D. McIntosh, St. Mark's, Milton; L. R. Nafel, and Rev. J. N. McFaul, of Milton. Honorary pallbearers were: Judge W. N. Munro, Milton; Dr. R. K. Anderson, St. Paul's, Milton; Wm. Morrison, K.C., mayor of Hamilton; J. M. Denyes, F.S.M.I., Milton; D. O. Cameron, K.C., of Oakville; W. D. Gregory, K.C., of Oakville; J. R. Elliott, Milton; William Sturak, Burlington; W. S. Davis, of Oakville, and A. S. Willmott, Milton. Active pallbearers were: W. I. Dick, K.C., John Irving, Walter Elliot, T. A. Hutchison, W. E. Clements, of Milton, and L. E. Fleck, Georgetown. Interment was made in Evergreen Cemetery. The floral tributes were beautiful.

JUDGMENT RESERVED IN Child Custody Action

The application of Nicholas Book and Blanche Book, of Burlington, each asking for the custody of their six-year-old daughter, Barbara, came up for hearing in the surrogate court at Milton before Judge Munro last Wednesday afternoon. Frank Regan, K.C., of Toronto, appeared for Mrs. Book, who is at present living with her mother in Toronto, and E. H. Cleaver, K.C., of Burlington, appeared for Mr. Book. Affidavits of both parties had been previously filed with a number of other affidavits and both parties examined as to their contents. Judge Munro reserved decision in the case.

Want Marriage Age Raised to 16 Years

Windsor, May 8.—The Ontario provincial council of women went on record to-day with a resolution asking that the legal marriage age be raised to 16 years and that it be compulsory for all applicants for marriage licenses to produce birth and medical health certificates.
 The council, holding its semi-annual meeting here, called attention in a resolution yesterday to the fact that while the legal age of marriage with parents' consent is 14 years, the school leaving age has been raised to 16. The council felt the marriage age also should be raised.

MARRIED

CROZIER—CHURCH

A quiet wedding took place at the home of Mr. and Mrs. Orange R. Church, Streetsville, on Saturday evening, when their youngest daughter, Miss Beatrice May Church, was married to Edgar Graham Crozier, son of Mrs. Crozier and the late John Crozier, of Meadowdale, by the Rev. G. H. Purchase. The attendants were Miss Lillian Church, sister of the bride, and Harry Sterne, of Brantford. Immediately after the ceremony Mr. and Mrs. Crozier left for Halifax, where they will make their home.

CAMPBELLVILLE

Several of the Masonic members of Campbellville, L. E. G. entertained their ladies last Thursday night at Wyndham Inn at Guelph. Afterwards they went to the Capitol Theatre, where they enjoyed the interesting picture "Bohemian Girl."
 A wedding took place on Saturday afternoon at the home of Mr. and Mrs. John Peacock, of Nassagaweya township, where the ceremony took place on the lawn. The bride was Miss Barbara Snyder and the groom was Mr. Peacock. The bride was carried to the altar by William Kenneth Spence, only son of Mr. and Mrs. L. Spence, of Lowville. The house was decorated with spring flowers and the ceremony took place on the lawn. The service was conducted by Rev. C. G. Jones, of Grand Valley, and Rev. G. P. Kelly, of Lowville. The bride, who was given in marriage by her father, was gowned in powder blue chiffon with a veil caught with lilies of the valley and orange blossoms. She carried a shower bouquet of pink roses, sweet peas and lilies of the valley. Miss Lillian Spence, of Brantford, sister of the groom, was bridesmaid, wearing pink chiffon and carrying Talisman roses. Mr. Carl Luman, cousin of the bride, was groomsmen. The wedding music was played by Miss Barbara Snyder and during the signing of the register Mrs. C. G. Jones sang "Because." Following the ceremony a reception was held. Mrs. Peacock wore a royal blue crepe and carried sweet peas. Mrs. Spence was gowned in midnight blue crepe and carried sweet peas. The couple left for a honeymoon at the end of the week. The bride is now residing in Lowville.

Signs Point to Bigger Profits From June Chicks

By FRED W. BRAY
 I BELIEVE June and July hatchlings are going to prove better profit makers than usual this year. For two reasons.
 First, fewer eggs are going into cold storage this spring than a year ago (and last year's storages were below average). This should have a decidedly steady influence on winter egg prices. We are bound to have a drop from the peak of October and November but through December, January and February prices should run at profitable levels. June hatched pullets should be in full flush of production at that time.
 Second, exports of dressed poultry to Britain are increasing considerably. This past winter Canada shipped OVER A MILLION POUNDS of frozen chicken to Great Britain, and all authorities say we have only scratched the surface. June and July cockerels will finish nicely for the beginning of next season's exports.
 Bray stock is well suited to these new developments. Our chicks come from vigorous, thrifty stock. They live well and grow rapidly. The pullets usually lay at 5 months or younger, and often reach 50% production at 6 months. The cockerels take an exceptional amount when well fed. Place your order now. We already have many orders booked for June delivery. Send for our special "end of season" price list.
