MILTON IN THE FINALS.

Down by the Atlantic, round the manyille aggregation faded out of the L certain destinations in the United fresh water lakes and rivers and along the Pacific shores, there's a feeling of decided optimism among those in the Canadian Fishing industry over the effort of the Department of Fisheries a wild, weird and drawn-out affair, for the round frip Good going noon Oct. 2th. until 2 p.m. to increase the national consumption of Canadian Fish.

According to one authority, the things for which the industry and the fishermen have advocated for years are coming to pass. For instance, \$200,000 has been appropriated by the Government to increase the demand for Canadian fisheries products. There is a \$500,000 loan fund voted for the assistance of needy Maritime fishermen in renewing boats and gear.

And there is a move after factor and drawn-out affair, played before a large crowd, and during the early stages of the contest the Bowmanville rooters had many chances to cheer for their favorites. The Halton County champions were apparently taking a 5 to 2 defeat at the hands of the ambitious Lake Shore champions. But, in the sixth frame the locals started a terrific batting rampage which entirely changed the complexion of the battle and raised the Milton supporters to a freeze of ermen in renewing boats and gear.
And there is a move afoot for special inprovement that will bring more benefits to the men who go down to solid base-hits with walks and mis-
