ARE YOU CONCERNED ABOUT YOUR FUTURE

Are you disturbed by present conditions in the earth today? According to our Bible, which is God's message to man, the end of the Gentile times is about to close, and a new age is to be inaugurated by His son, Jesus Christ, the coming King of the World. Conditions on this earth are not improving in fact to the contrary they are getting worse. Do we think we can change things by ourselves. The Bible tells us what is to come on this earth. Ezekiel Chapter 38 and Joel Chapter 2, etc. To know what is coming on this earth may we suggest you read God's message which has been left for our instruction - the Creator to the created. If we believe in the Bible's history, are we going to deny the future events which are forecast in the Bible? You are warmly invited to write Box #23, Milton, Ont. for leaflet 'Light on a New World'.
