

Younger team ties

In major against minor house league roster team hockey action Saturday Milton's younger peewee squad showed they could play their older cousins to a standstill, coming away with a 4-1 tie. But they had to rally to do it.

The major peewees led 3-1 after one period. Hierman scored twice while Bennett added one. Pierrepoint scored the lone minor peewee goal. Petrilli put the issue in doubt for the minor peewees in the second, however, bringing them to within one

on his goal. And then in the third Batstone knotted it at three. Campbell then scored for the majors to give them a slim lead but with four minutes remaining in the contest Howat scored a breakaway goal to tie the game.

Tumman, in net for the majors, made several key saves late in the game to preserve the tie. Delbello, Moffat and Hierman assisted on goals for the majors. Solich, Pierrepoint and Howat did the same for the minors.

Sean Laverty scored Milton's lone goal against Burlington. Joe Washkurak, in his first appearance in months after an ankle injury, got a goal against Chicago. Ed Morgan and Chris Turner added the others. Scoring from the Streetsville game was unavailable at press time. However, the big story was the comeback of Hardware which trailed 7-2 after two periods and rallied with three goals to throw a scare into Mac's in the latter stages of the game.

Also scoring for Mac's were Elizabeth Hunter, Jamie Picard, Cathy Bradley and Melanie Hewitson with singles. Jennifer Cheevers paced Hardware with four goals while Jennifer Bascom added a single.

Christianne Tremills fired two goals and Margie Parker added a single to lead Milton Videoflicks to a 3-1 win over Orangeville in bantam girls hockey Sunday at Orangeville.

Kim Hagan and Laura Koshurba picked up assists on the goals.

ARE YOU CONCERNED ABOUT YOUR FUTURE

Are you disturbed by present conditions in the earth today? According to our Bible, which is God's message to man, the end of the Gentile times is about to close, and a new age is to be inaugurated by His son, Jesus Christ, the coming King of the World.

Conditions on this earth are not improving in fact to the contrary they are getting worse. Do we think we can change things by ourselves. The Bible tells us what is to come on this earth. Ezekiel Chapter 38 and Joel Chapter 2, etc. To know what is coming on this earth may we suggest you read God's message which has been left for our instruction - the Creator to the created.

If we believe in the Bible's history, are we going to deny the future events which are forecast in the Bible?

You are warmly invited to write - c/o 206-6250 Pinedale Ave., Burlington, Ont., L7L 3V9 for leaflet "Light on a New World."
