

ROTO-STATIC
Carpet & Upholstery Cleaning Services
FEBRUARY/MARCH SPECIAL

**25% OFF ALL CARPET
And UPHOLSTERY
CLEANING**

Contrary to popular belief, residential carpeting becomes less soiled in the winter than in other seasons, simply because home owners pay more attention to the removal of boots and overshoes during these months. Consequently, carpets cleaned in the winter months stay cleaner for a longer period of time. The month of February is normally a slow period in our industry, as a result we are now offering a 25% savings on all carpet and upholstery cleaning.

**CHECK THESE
POINTS:**

- Canada's largest carpet cleaner coast to coast
- The original "quick-dry", patented system
- No steam, therefore no shrinkage, split seams, mildew or fogged up windows
