

Major News Flash!

Lawn Rangers is committed to providing the homeowner with full service support. That's why you'll see us doing a lot more than spraying and fertilizing your yard. In fact, we provide a wide range of lawn care services from seeding to de-thatching.

But we're not just fair weather friends.

This past year we also introduced our Lawn Ranger Maid Service and our Rug Shampooing division. Now we're adding again to that extensive service base with a fully licensed domestic pest control division.

And, it doesn't stop there.

Lawn Rangers continues to explore all areas of home care support where we can offer a professional service at a cost that is less than what any homeowner would spend to do the job him/herself.

From a small independent business from Orangeville in 1976 to a 51-franchise (and growing) concern today, Lawn Rangers is a company that's growing faster than the green grass we've been guaranteeing for the past ten years.

If you haven't taken advantage of our already low introductory prices in

DID YOU KNOW?

That Lawn Rangers guarantees to eliminate 90 per cent of existing broadleaf weeds between the 25th and 30th day after application or we'll re-spray free of charge.

In 1985, Lawn Rangers served residential properties covering the equivalent of 17,888 football fields.
