## Atoms win tourney

Milton's Docs and Dents minor atoms won the minor division championship at what is reputed to be the largest minor-major tournament in Ontario at Niagara Falls Sunday. Milton edged Chatham 4-3 in a well-played, fast championship contest.

Milton edged Unionville 1-0 in semi-final play Saturday. In other games over the March break, Milton blanked Mississauga 4-0, beat Cambridge 5-1 and downed Ajax 7-2.

Medics shone particularly on defence and in the goalkeeping department. Jeff Currie and Kevin Gale split the netminding duties. Gale and defenceman Mike Rusk were selected for the tournament all-star team. More than 120 teams took part in the tournament. Milton should start their zone championship series against Stratford sometime this week.
