Sportsmen host Super Breakfast

It's the breakfast bargain of the year Saturday when the Halton Sportsmen's Association presents its annual Breakfast Special.

A complete breakfast of eggs, toast, bacon, sausages is offered at \$3.50 for adults and \$2 per child under 12. The breakfast will be held in the association's clubhouse on Steeles Ave. W. just at the top of the escarpment. It runs from 6 a.m. to noon.

All proceeds from the event go to Halton Women's Place in Milton.

JA at Chamber lunch

A new location and a new subject will highlight the regular monthly meeting of the Milton Chamber of Commerce tomorrow (Thursday) at noon.

The location is the Halton Hills Conference Centre. It is on the west side of Highway 25 near the Speyside General Store. The subject this month is Junior Achievement and a full presentation about this challenging program will be presented. Tickets are \$10 each and available by calling the Chamber at 878-0581.

'Happy Prince' at Denyes

The play "The Happy Prince" will be the play presented next week by the students of J.M. Denyes School, 215 Thomas St.

The play will be shown at 7:30 p.m. next Monday and Wednesday. On Tuesday April 29 there will be two presentations at 9:30 a.m. and 1:30 p.m.

Tickets are \$3 per family or \$1 per person. Call 878-3832 or 876-1869 for reservations or further information.

Play set at E. W. Foster

The students of E.W. Foster School will present the musical "Happily Ever After" today and tomorrow (Wednesday and Thursday) at 7 p.m.

The play has been specially written for the students by teacher, Peter Grangworthy. For ticket information call 878-1953.

Manor redevelopment

A public meeting in Campbellville will be held to discuss proposed changes to the alignment of Guelph Line from North Colling Rd. to south of Steeles Ave.

The date, time and location are yet to be announced.

Under the budget

Every little bit helps when it comes to cutting back Halton Region's 1986 operating budget to a 4-per-cent increase.

Outgoing chief administrative officer Dennis Perlin, in one of his last acts, has re-submitted the 1986 conferences/conventions budget for the CAO Office and the law and finance departments.

The reduction of \$1,800 allows that budget to come in under a 9-per-cent hike over 1985 which was previously agreed to by councillors.

Ag group named

The 1986 membership of the Halton Agricultural Advisory Committee (HAAC) has been ratified by regional council.

They are: Mrs. Maisie Lasby, representing the Halton Federation of Agriculture; Jeff Nurse, representing the Halton Soil and Crop Improvement Association; Frank Anthony, representing the Halton Federation of Agriculture; and Peter Branch, member-at-large.

Johnson on recycling

Milton councillor Bill Johnson will spread the word throughout North America of Halton's recycling strategies.

Mr. Johnson will be the Halton representative June 19-20 to the North American Recycling '86 Conference in Vancouver.

Come back to Arthur

Anyone living in Milton who resided in Arthur Township, Wellington County, is eligible to a copy of the first edition of the History of Arthur Township. These are being given to old residents as part of the Homecoming Celebrations to be held in Kenilworth on Civic Holiday weekend.

Those who want the book can contact the book committee at Kenilworth, Ont., NOG 2E0.

Godspell at Drury

The students of E. C. Drury High School will present three performances of the hit Broadway musical "Godspell" on May 8-10 at 8 p.m.

Tickets can be purchased in advance at the school box office or at the door on the night of the performance. Tickets are \$5. The school is located at 215 Ontario St. S. For more information call publicity director Stephen Keane at 878-0675.

Quote of the Day

There are two ways to be clever. First, think of a bright remark in time to say it. Second, think of it in time not to say it.

Coming On Friday

SPRING MUSIC NIGHT: Milton District High School's musicians will display their talent during an evening concert, Thursday, April 24. Proceeds will help band members wing their way to Expo '86.

DANCERS GET GOLD: Local dancers from Garrard's Dance Theatre took home more awards than ever before from the Peel Music Festival. Find out who they are and what they did in the Weekend Edition.

PLUS: Kids' Stuff, Have Your Say, Dateline, Picture this, Youth Perspective, Newsbeat and much more...

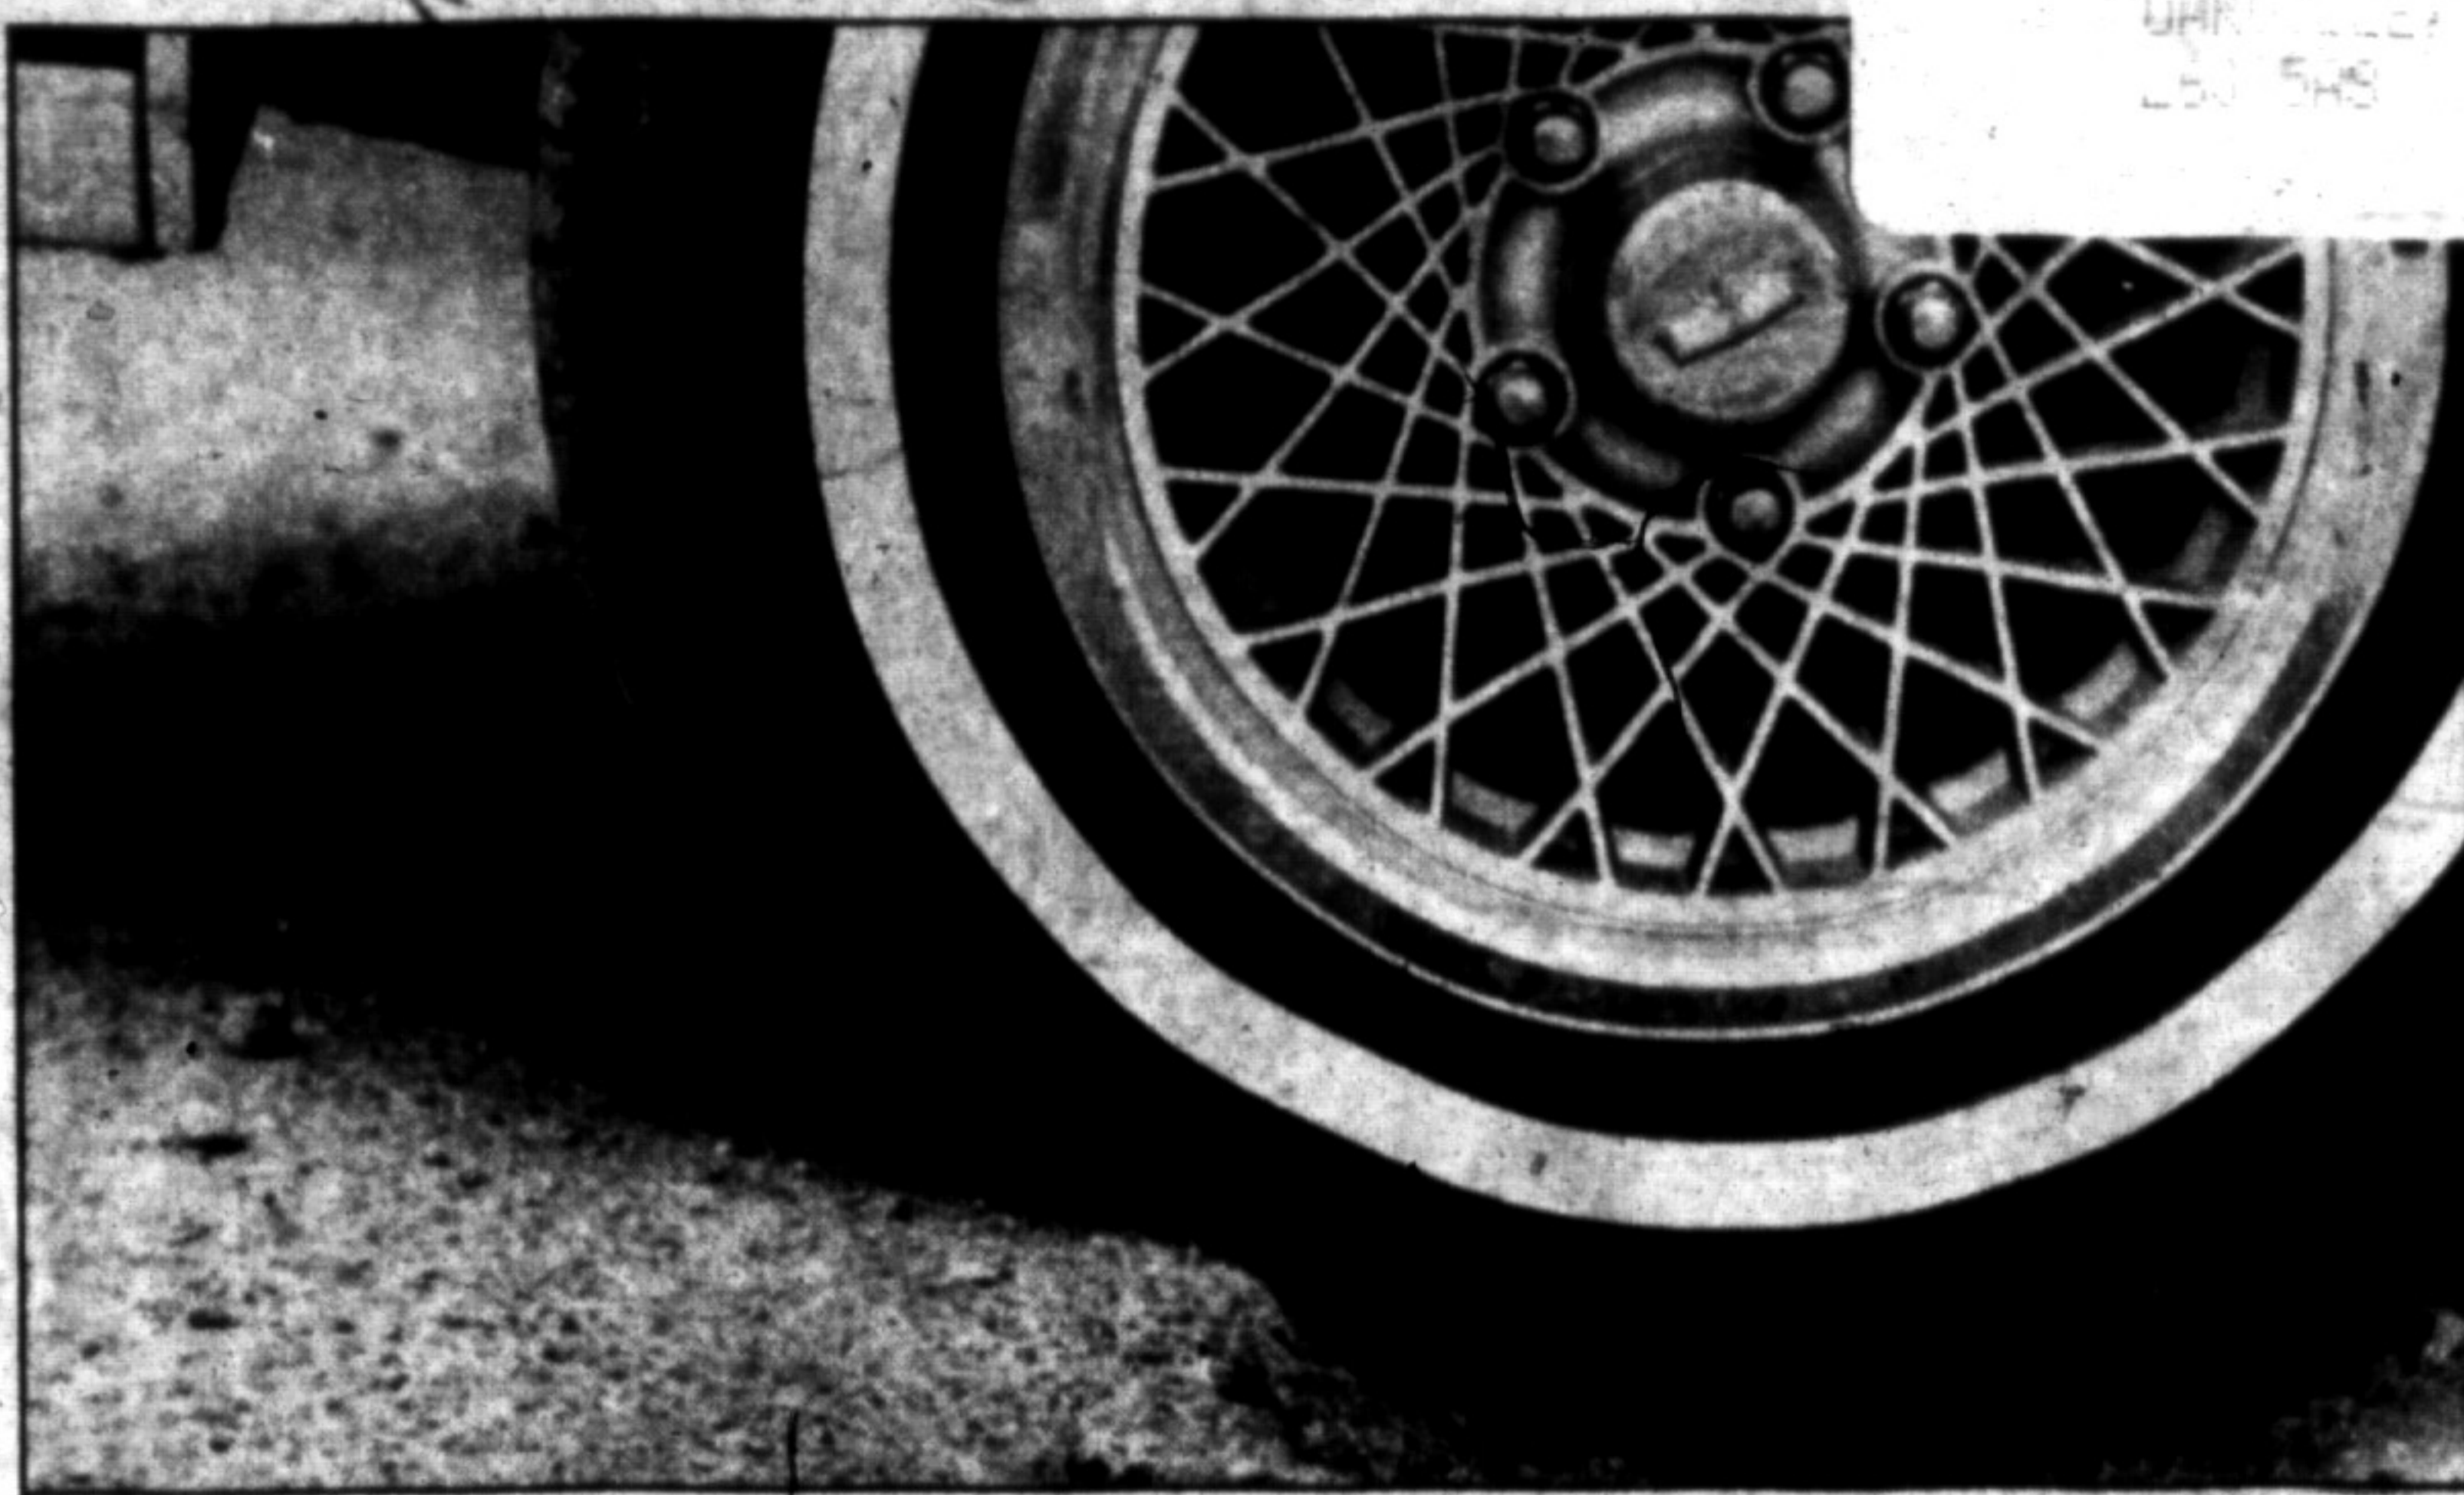

Two crime nights left

This is crime prevention week in Milton and residents still have two opportunities left to discover ways to secure their home and businesses.

Milton's Crime Prevention Officer, Constable Dave Crawford, is presenting three seminars, on Tuesday, Wednesday and Thursday evenings. They begin at 7:30 p.m. and coffee and doughnuts will be free.

On Wednesday evening at Milton District High School, the business security seminar will focus on robbery prevention. A lock-and-alarm expert will be on hand and a detective will discuss business frauds.

Thursday evening at Brookville Public School participants will have an opportunity to hear an expert on locking devices and alarms. A detective will be there to discuss ways to identify suspicious activity, and what to look for when reporting a crime.

A Suspension Breaker

Where is the worst pothole in Milton? We'd like you to tell us. If you have seen a super deep pothole call The Champion at 878-2341. Not only will we take a picture, but we'll send a copy to the town hall.

Francais S.V.P.

An attempt to have the Milton council agendas posted in the Campbellville Post Office for village residents has hit a snag.

The suggestion was made by councillor Bill Johnson who said it might be a good idea to post the agenda so people could read what council would be discussing and could attend if they chose.

Town administrator Roy Main said he had previously approached the postmaster in Campbellville and had been told the agenda could be posted but it would have to be in English and French because of federal laws. The posting will not go ahead.

They Will Bust You

If you are one of the rowdies making life miserable for residents around Rotary Park, look out. Police will crack down on the vandals who have been drinking and throwing trash around the park area. Here Halton Police officer John Haller surveys some of the mess found in the park.

Police declare war on Rotary vandals

Outdoor partyers have gotten a jump on the drinking season this year.

Staff Sgt. Roy Teague reports that in 1985 the bulk of liquor out of residence offences were handed out to drinkers during the summer months of June and July. Rotary Park was the most popular party site.

But this year police have already been kept busy with offenders drinking at the park.

"We have noticed an increase with the good weather," said the Staff Sgt. "We plan to make a concerted effort to prevent a recurrence of the problem that was experienced last year."

Police have received complaints from residents living near Rotary Park about the noise, and the fire department has had to respond to a number of fire calls there.

"There has already been some damage done to town property. There have been some fires set and picnic tables were used as fuel."

Staff Sgt. Teague says police will be taking a hard line towards out of residence drinkers over the upcoming months. A first-time offender can expect a hefty fine of \$53, but repeat offenders will be summoned to appear in court where they could face stiffer penalties.

He adds that anyone charged with damaging property with fire will automatically have to appear before a judge.

Last year in one three-month blitz, police nabbed 16 repeat offenders in the area of Rotary Park.

"We will be stepping up our enforcement of the park area in an effort to eradicate the problem and rid neighbouring residents of a major source of aggravation."

Rebuilding Ontario St. cost \$5 million

A \$5-million redevelopment of Ontario Street will widen it to four lanes from Derry Rd. to Steeles Ave., should a preliminary report receive approval.

The widening of the road, part of the Highway-25 route through Milton, has been slated for some time. An open house in

December produced many comments from residents.

Another open house will be held next Thursday (April 24) at Halton Centennial Manor from 2-5 p.m. and 7-9 p.m. Residents are invited to give their comments on the proposed scheme.

The plan calls for major redevelopment of three intersections and the widening of two sections of the street to four lanes. The combination of the two developments should significantly facilitate traffic movement through the town, the report said.

Over the past half-dozen years, localized

construction has widened parts of the road to four lanes. Those areas are from Laurier Ave. to Derry Rd.; south of Main St. to Wakefield; and north of Main St. through the railway overpass.

Peterborough crash claims Milton man

Kenneth Roy Cartwright, a 46-year-old Milton man, was killed in a car accident west of Peterborough Saturday evening.

OPP report that Mr. Cartwright's vehicle was travelling eastbound along Highway 115, when it pulled out to pass two other cars.

His car collided with a vehicle in the westbound lane. It then rolled over, landing on its roof on the south side of the highway. Mr. Cartwright was the only fatality in the crash.
