Triathletes! Enter Now

The second Milton Triathlon has been given the official green light and residents can start picking up entry forms on Thursday.

Ed Braam, owner of Ultrasport on Thompson Rd. and the man who organized the first event last year, said he has received clearance from the insurance company to start taking applications.

He said inquiries have already come from Quebec and Ohio plus a large number of Ontario cities and towns.

He said he still wants to give Milton participants precedence so he is urging readers to come into the store or phone 876-4966 to get an entry form. He is taking applications on a first-come, first-served basis.

He plans to have room for 400 participants this year and expects no problems in filling to capacity.

"People should get the registration forms now because there isn't a lot of time left so they have to start training now," he said.

The Triathlon will be held on Labour Day weekend. It involves a one-km. swim of the Kelso reservoir. That's followed by a 40-km. bicycle ride which ends at Kelso and a 10-km. run from Kelso to Hilton Falls and back to the finish at Kelso.

Man injured when barrel explodes

Halton Regional Police were called to the scene of an industrial accident early last Wednesday morning.

The accident occurred at Coreline Auto Parts on Trafalgar Rd., Hornby. Police say Harold Kroeg, 30 of Brookhurst Rd. Mississauga, suffered severe burns to his head and neck area after he attempted to cut the top off a metal barrel. The barrel exploded.

Mr. Kroeg's face and neck caught on fire during the accident, but he extinguished the flames himself. Mr. Kroeg was taken to Milton District Hospital for treatment.

Early Friday morning in a routine check of a vehicle parked in the parking lot at White Oaks Plaza on Bronte St., police charged a man with impaired driving.

Due to appear in court on Monday July 14, on an impaired care and control charge, is James Joseph Chivers, 28, of Redbank Cr., Oakville.

Halton Regional Police are investigating the theft of a 16-foot Doral boat and trailer parked outside a residence on Hudson Court.

The boat, which was red and white with orange stripes, had a canvas roof and an Evinrude outboard motor. It is valued at \$10,000.

Police Blotter

Police were called to the scene of a disturbance at Main St. near Ontario St. early Friday morning.

As the result of an investigation Ricky Treleaveen, 24, of Milborough Line Milton, has been charged with possession of weapon dangerous to the public peace.

Mr. Treleaveen was released from custody. He is set to appear in provincial court in Milton on Monday July 14.

Sometime between Friday May 9 and Friday May 23, a Milton resident entered into a contract to purchase a vehicle, took the vehicle out for a test

drive, and didn't return it, police say. Police report the vehicle was recently sold in the Wallaceberg area.

Charged with theft is Bradley Brooker, 20, of no fixed address. Mr. Brooker was held in custody pending his bail hearing.

Police have made an arrest in connection with a break and enter at a Fourth Line residence overnight last Tuesday and Wednesday.

Entrance was gained through an unlocked door, and missing is a quantity of cash.

Charged with break and enter and theft is Nicholas Tor, 18, of no fixed address.

Mr. Tor was held in custody pending his bail hearing.

Mr. Tor was charged earlier this month with two other break and

enters, one at the Speed Queen Laundry on Mill St., and the other at a residence on Ann Blvd.

In a routine check Sunday afternoon, two plain-clothed police officers seized a small quantity of narcotics from a party at Rotary Park.

Charged with possession of a narcotic is Daniel Coyle, 30, of Main St. South, Acton. He is set to appear in provincial court in Milton on Monday July 14.
