

Rookie gets first

Although playing aggressively, Milton II Cheers Wingers, could not pull out a win in a 2-2 tie with Acton last Monday night.

Cheers was first on the scoreboard with a goal by rookie Penny Schutte, her first of the season. She was named the team's top player for her efforts.

Teammate Wendy Marak had

numerous shots on net, hitting the goal posts, but finally got one on the mark to make the Milton lead 2-0 at half-time.

Acton came from behind with an aggressive attacking line, as the result of a line change, to fire two consecutive goals. Cheers came back strongly but could not gain a win, and it ended in a tie.

She's in on 'em all

Jackie Bergin contributed to all three goals for Milton Heady's Beauty Salon in a 3-3 tie with Streetsville in ladies' soccer action last week.

In the first half, Streetsville started quickly with one goal. Milton reacted when Bergin passed to Fran Frampton who scored. A pass from midfielder by Yvonne McLachlan to Bergin resulted in another goal.

Frampton got another goal when

she received a pass across the goalmouth from Bergin. At the end of the first half the score stood at 3-1 for Milton.

Five minutes into the second half Streetsville scored twice to tie the game at 3-3. Playing a solid defensive game for Milton was Darlene Long who was named player of the game. Milton goalie Debbie Timbers also played well.

Cheers and tears

Their faces ran the gamut of expression, from elation through disappointment as the Kinsmen under-10 girls soccer team faced Milton Limestone in a shootout to decide the division title. Kinsmen lost by one shot after going through two overtime periods. See story pg. 9

Mighty Milton mallets muffled

The mighty Milton mallets were muffled in Erin Mills on the weekend. At least in the championship match they were.

Milton's senior rep T-ball team came up short against Islington Sunday in the showdown, dropping a 10-7 decision after having beaten Islington

18-6 Saturday.

"The boys were overconfident," coach Frank Haydar summed up. "Too much cockiness, arrogance. Islington were ready for us."

Haydar praised the Milton defence, which he said was as strong as ever. But Milton hitters flied out 26 times in

the final. "We had a lot of outs in the air," Haydar said. "Our bats were not finding the holes."

Some batters still managed to find the holes, but not enough. Scott Bertoli hit a homer and Shayne Ridley, Doug Janjevich, Jeff Haydar and Steve Roy came through effectively. As well, Cameron Davies, up from

the taxi squad, "made a solid contribution," Haydar said. "He was certainly not out of place."

Ridley was voted Milton's tournament MVP.

Milton downed Toronto Bloor Jays 19-8, defeated Islington in their first encounter and beat Agincourt 16-3 en route to the final.

Alpha Press scores 32 in two contests

The bats of Milton Alpha Press baseball peewees were too hot to handle when they scored 32 runs in two games to win. But then they tired to lose their next two games.

Alpha Press scored 18 runs in the first three innings and coasted to an

easy 22-2 victory over Burlington.

Craig Holloway was the winning pitcher with relief help from Jim O'Driscoll. Holloway had three singles, as well as Marc Lawrence, and Brandon Bousfield had two singles to help Milton.

In their next game, Milton continued to dominate the division by beating Streetsville 10-1. Milton took another early lead in the third inning after Streetsville got a run in the first.

Strong play for Alpha came from O'Driscoll with a double and triple as

well as four RBIs. Jamie Janjevich with two doubles and three RBIs, Holloway with a double and single and Duane Eggleton with a triple as well as Mike McPhail with two singles.

Optis rally to earn a tie

Milton Optimists baseball tykes played catch-up ball to earn an 11-11 tie with Brampton Tuesday.

Milton trailed 2-0 after the first inning although Stephen Webb picked off a Brampton player stealing third.

In the second inning, Derek French drove in Derek MacDonald to narrow the gap to 2-1 for Brampton.

In the third inning, Brampton moved ahead 5-1 scoring three runs on four hits.

Milton hopes to get back on track for the London tournament, and for their visit to Guelph tomorrow, as well as a home game against Sheridan. Magna beat Guelph in their home opener 19-6 and lost to Sheridan by one run their last meeting.

Against Clarkson, Milton's bats began to tire as they lost 4-3. Holloway again pitched a strong game allowing five hits and striking out 10 batters. A good defensive game was played by Alpha Bousfield had two singles while Holloway hit a single.

Mechanics come on in second

Better late than never, the old saying goes. Andy Kirkwood's New Mechanical under-15 soccer reps are better late.

Because they came on to beat Mississauga 4-1 with a four-goal second half last Monday at Thompson Rd.

Kirkwood, as usual, pulled no punches in his assessment of the first half.

"The first half was reasonably even only because we weren't playing as well as we could," the Milton coach said.

Ian McLean said. "As a result Dixie scored early on a tap-in following a goalmouth scramble. This was after he had sustained pressure and came close on a number of occasions." Dixie rallied from the Milton pressure and scored another goal before half time.

Milton plays Erin Mills Thursday at Thompson Rd.

Rep soccer

Kirkwood also singled out for praise the work of midfielder Graham Marsh and left fullback Allan Pollock. "He played a classy game, well-timed, stroking the ball neatly." As well, Andrew Kirkwood "had a tremendous second half," the coach added. "He played to his potential and took charge. He controlled the midfield. Paul Allen played a poised game in net for Milton, timing his clearing shots well. Alternate goalie Glen Foster effectively marked Mississauga's most dangerous scorer."

Milton played in Malton Monday. Results were not available at press time.

Oilers shut out

Oil and water don't mix. That was the case Wednesday as Milton's Valvoline Oilers dropped a rainy 4-0 decision to Dixie in Mississauga.

The contest was almost cancelled because of the inclement weather and a decision to play came just 15 minutes before game time.

"We didn't perform as we can against teams of this calibre," coach

Optis soaked 3-0

It rained on Milton both figuratively and literally in under-9 rep soccer action last week as Brampton soaked the Optimists 3-0 in a downpour. But Milton wasn't all wet in the game.

"Brampton is like a triple-A side in hockey," Milton coach Steve Pemberton said. "The least goals they've scored is seven. For Milton, nobody played outstanding but everybody played well."

Pemberton has been tinkering with his team and he says the changes are starting to pay off. Darren Pemberton has moved to defence. Chris Griffen has gone from defence to forward, and Mike Turpin has advanced from midfielder to forward.

"They're all working well together now," he said. "It seems to be our best pattern for these boys. Things are getting better. They're starting to click a little. They don't stop and think anymore. They're just doing it as second nature."

IGA gets even

It was only an exhibition game. But it proved Milton could beat Streetsville.

Milton's IGA under-10 soccer reps shut out Streetsville 2-0 at Thompson Rd. Saturday. In their previous league encounter, Streetsville had battled Milton to a 3-3 tie.

It was a step forward for Milton, a team that has had its share of troubles finding the opposition net in early season action. Kyle Martin and Craig McCluskey scored IGA's markers, with Kirk Kennedy and Jason McCall doing the spadework. McCall in particular earned Hunter's praise.

"He controlled the ball for two minutes in the opposition zone," Hunter noted. He called McCall's game at middle halfback "his best in two years."

"We controlled the middle of the field. And mostly because of McCall. And most of the play was in the Streetsville end. Our passing was outstanding."

Drop doubleheader

The bad weather of late could be blamed for Milton Magna International juveniles poor performance in their doubleheader Sunday.

Practices have been cancelled for two weeks because of rain, as Magna lost the first game against Streetsville 4-3.

A strong pitching performance by Darren Widdis with 11 strikeouts could not help the team as two early runs by Streetsville spelled the difference.

In the second game, unearned runs and singles off starter Paul McCutcheon led Magna to a 9-4 loss. Centre fielder and clean-up hitter Bill Corradetti emerged from a batting slump. He went four-for-five at the

Canadian Tire doubled 4-2

Canadian Tire under-15 soccer reps didn't see the light. At least not often enough.

Milton's soccer reps played their first game under lights at Erin Mills last week and came out on the short side of a 4-2 score.
