

# It's table-turning time for New Mechanical

Asked how his soccer game went last week in Oakville, Milton's New Mechanical under 16 coach Andy Kirkwood replied with a laugh: "It was terrific for us. For them it was not so good."

Because for the first time in at least five years, Milton beat perennial rivals Oakville, shutting them out 2-0. "We looked very good," Kirkwood said. "From the word go. We could have been up two in the first five minutes."

Instead Milton waited until the second act before scoring their goals, but they kept the opposition off balance and in check in the first half. "In the first half we had the edge," Kirkwood said. One of the high points for Milton came as netminder Glen Foster saved on a penalty kick late in the first half. That fine save recharged Milton's batteries.

"It brought us right back up," Kirkwood said. "In the second half we were taking it to them."

Colin Grieve, with "an unusual burst of speed," Kirkwood said, cut into the middle from his left wing position and scored to the top right corner of the Oakville net. "What a goal," Kirkwood added. "I didn't know he had that speed. He went around the fullback like he was standing still."

It was about then that Oakville started shouting at each other, which is a thing they usually don't do," Kirkwood pointed out.

Glen Innes put Milton up by two when he converted a penalty kick.

"We came straight back again," Kirkwood said. "We could have had another two or three goals." Oakville pressed late, but Milton held them off.

"Sweet revenge," Kirkwood said. "They've always beaten us. But we're always in there."

Pat Penman, Grieve and Andrew Bates were among the Milton players who worked exceptionally hard. Bates as fullback did a particularly effective job in covering the opposition's fastest player, Kirkwood said. Andrew Champagne and Mark Parrish also played well. Milton played Burlington at Thompson Rd. Monday. Results were not available at press time.

## Ching downs IGA 2-0

It only takes a few minutes to tip the balance of power in a soccer game. Milton's IGA under 10 reps found that out when they played the top club in the premiere Peel-Halton division Thursday.

Chinguacousy scored twice in the first four minutes of the contest and then basically held on to get the win, Milton manager Jim Hunter said.

Because, Hunter added, Milton outplayed the opposition for most of the game.

"We played excellently. We should have scored four goals. We hit two crossbars and we hit one post. We had one shot (missed) on a wide open net. We outplayed them and we lost 2-0."

Hunter had high praise for all his players following the strong showing against the top area club, but a loss is still a loss.

"The frustrating thing is that in maybe one game out of our five losses we weren't in it. Otherwise we can beat these teams. One of these days we're going to explode for four or five goals and there will be no looking back. I've had referees go out of their

way after a game to say we're a good team."

Following Ching's one-two scoring punch Milton found their footing, Hunter said.

"After the two goals we dominated. We were in their end of the field most of the time. The whole second half was ours."

## Respectable rally

For Milton Optimist under nine soccer reps, a game featured something relatively rare for them this season, a rally.

With some solid play in the begin-

ing and an impressive two-goal rally, Milton rallied from a 3-0 deficit against West Mall to make a 3-2 game of it.

Matthew Davenport scored in the second half to start Milton's comeback. He beat a defender and picked a corner with a low shot.

"We were all over them for the rest of the half," Pemberton said. Sandeep Dhillon scored Milton's second goal when he powered in from his centre spot and lobbed a shot in from just outside the penalty area.

"I hope it's proved to them that they can come back," Pemberton

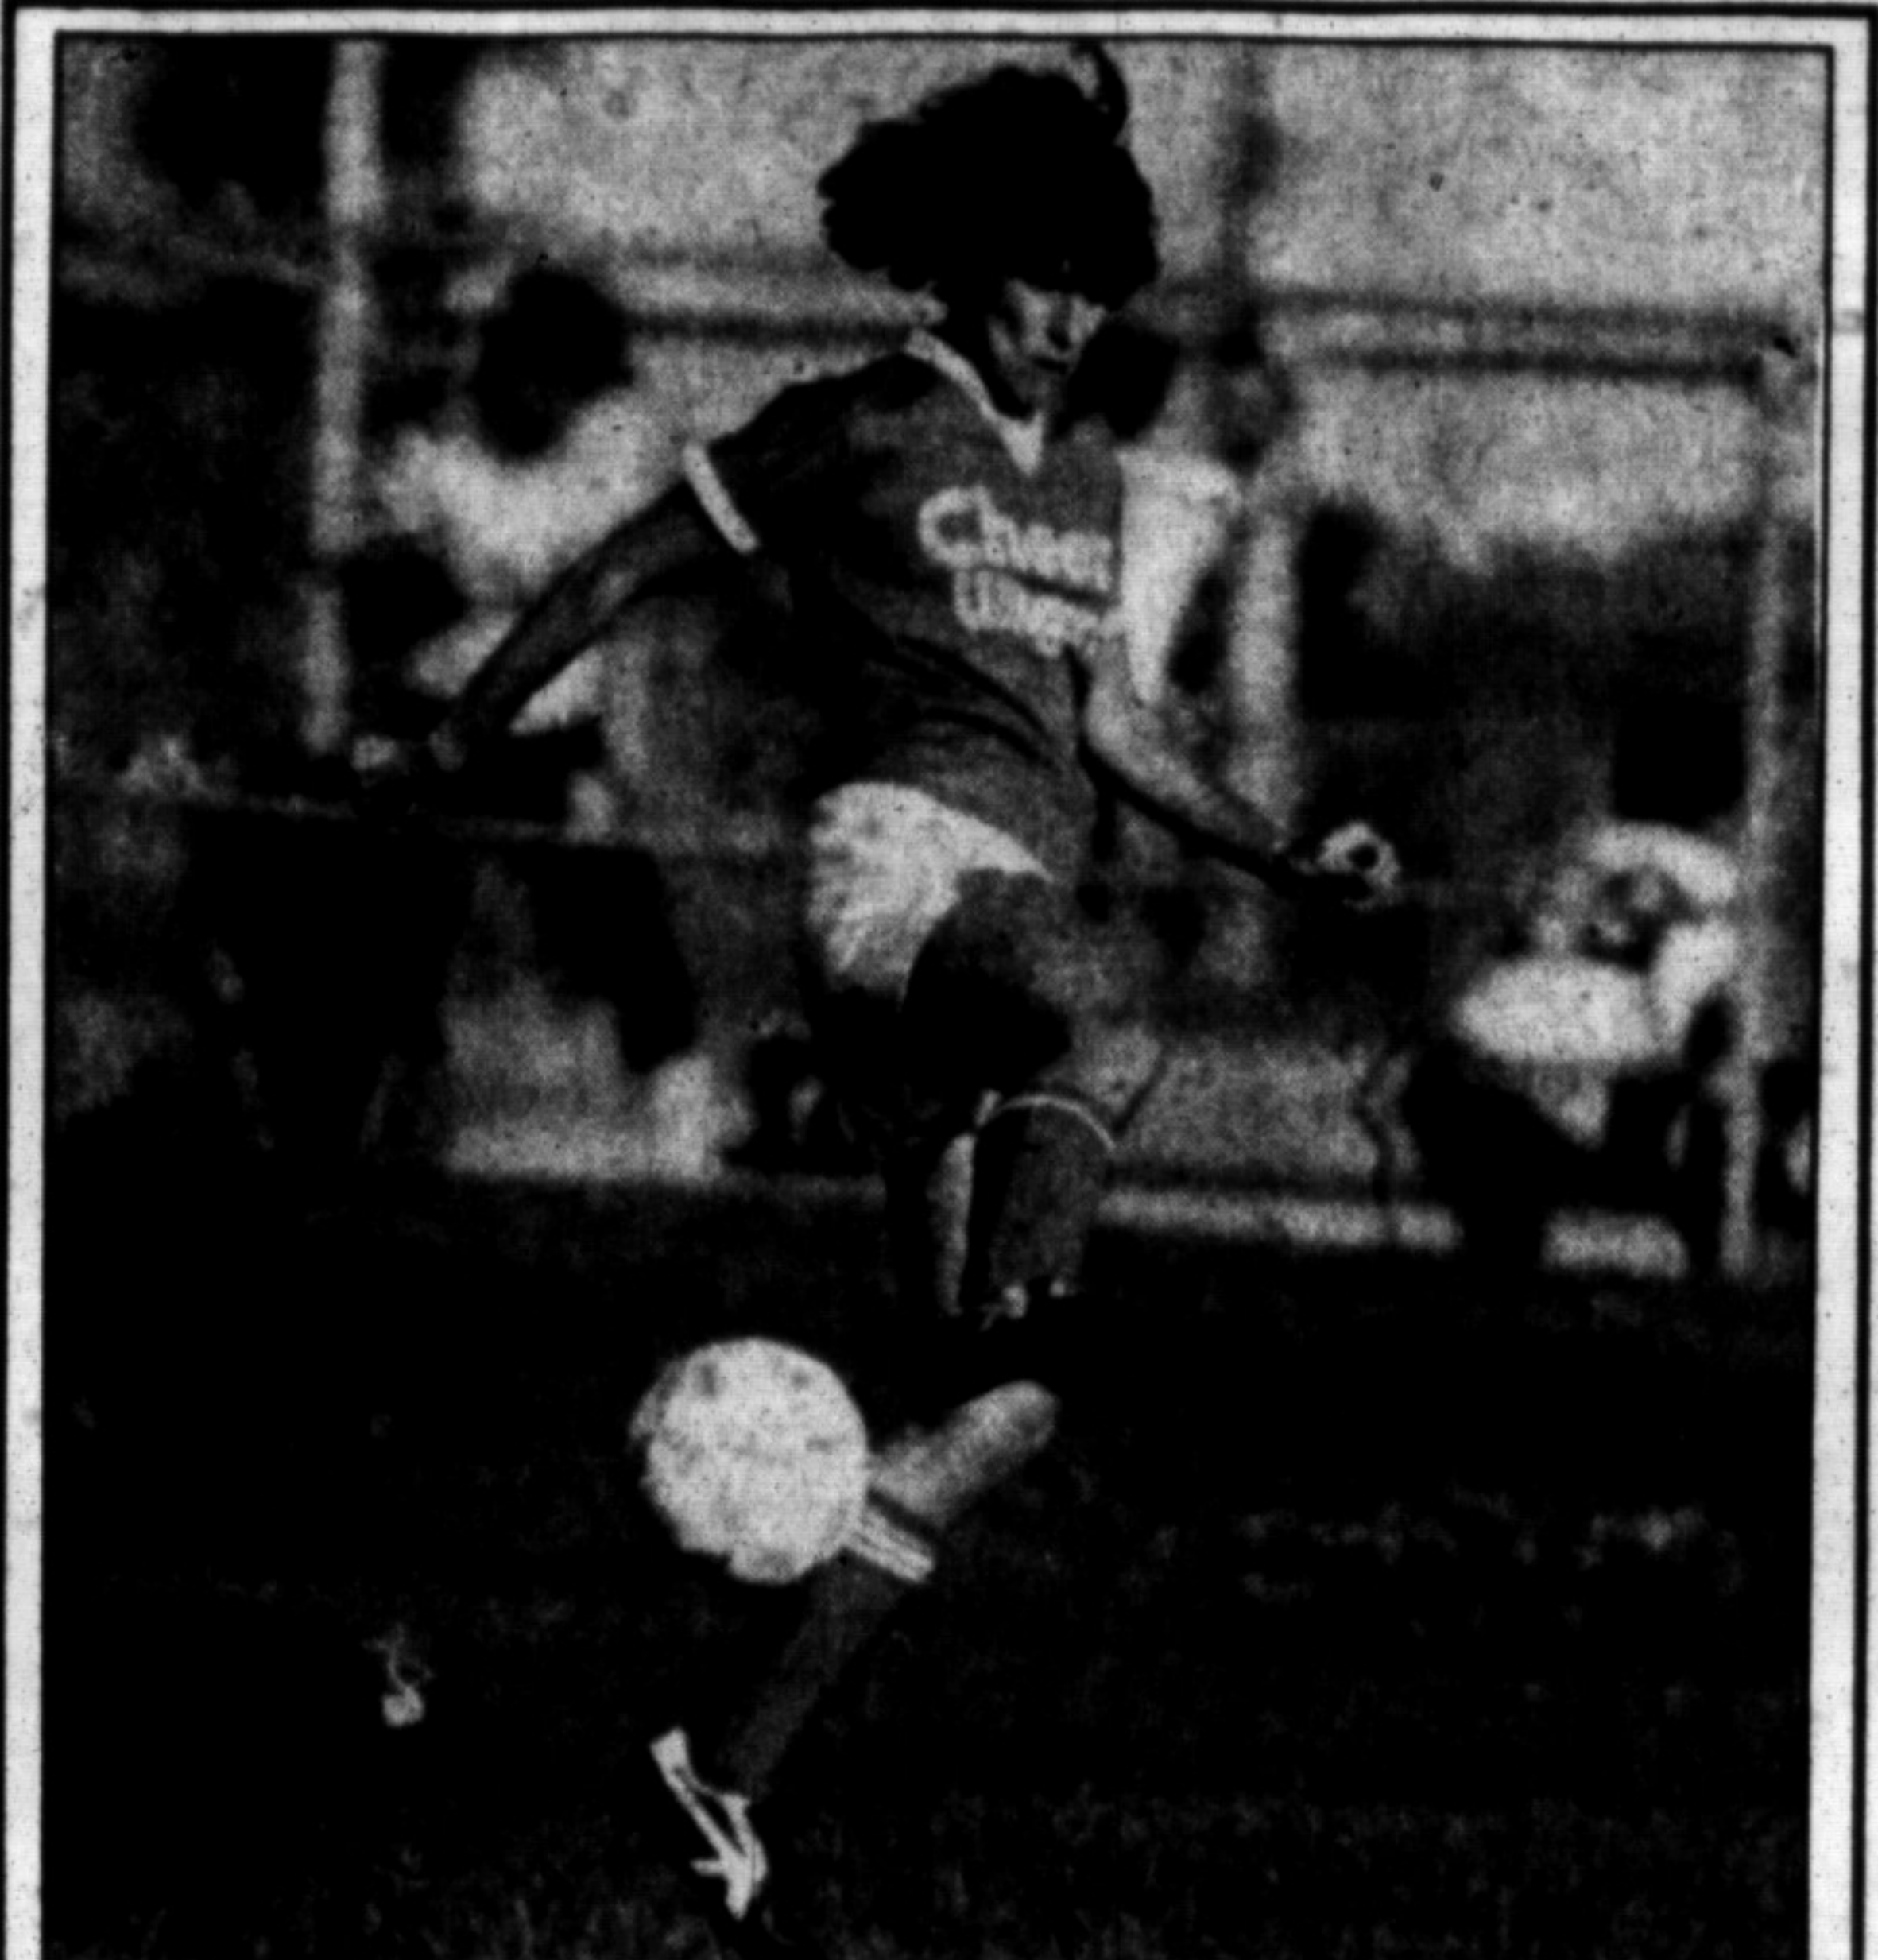

said. "Even 3-0 down they can still do it. They went after it. I hope it's proved to them that they can do this. They just all played really well."

Milton played strongly in the opening minutes of the game. But West Mall slammed in two goals just before the end of the half and added

another at the beginning of the second.

Optimists managed their strongest comeback of the season, the only time they have closed to within a goal from a 3-0 shutout.

Eric Medeiros played a particularly strong game at right wing for

A Cheers Winger forward runs onto the ball in Monday night's action. Wingers lost their prior game on what they thought was a controversial goal. Story page 13.
