In Memoriams

BAYNTON-In loving memory of my dear husband Jack who passed away July 23rd, 1985. It only takes a little space.

To write how much I miss you But it will take the rest of my life. To forget the night I lost you. If tears could built a stairway, And heartaches make a lane. would walk the path to heaven And bring you home again

Always remembered and sadly missed by Wife Arlene.

BAYNTON-In loving memory of a dear father and a special friend Jack, whom God called home on Ju-**93.** 1985. My heart still aches with sadness.

And secret tears still flow. What it meant to lose you Dad. No one will ever know My thoughts are always with you. Your place no one can fill. In life I loved you dearly. In death I love you still. They say that time heals everything But I know this isn't so:

Because it hurts as much today As it did a year ago. Your resting place I visit, And place flowers with love and care. But no one knows the heartache I feel When I turn and have to leave you there. So to those who have a father.

Love him while you may. for how I wish with all my heart still had mine to-day. Sadly missed for one long year by your daughter Gayle.
